## GLASS OF WATER BEFORE YOU EAT ANY BREAKFAST

Wash Poison From System Each Morning and Feel Fresh as a Daisy.

Every day you can clean the house you live in to get rid of the dust and dirt which collected through the previous day. Your body, the house your soul lives in, also becomes filled up each twenty-four hours with all manner of filth and poison. If only every man and woman could realize the wonders of drinking phosphated hot water, what a gratifying change would take place.

Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags," and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

Everyone, whether sick or well, should drink each morning before breakfast, a glass of red hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.

## NO MORE BACKACHE NO MORE MISERY

Hundreds of people have been relieved of the agonies caused by weak, diseased or clogged-up kidneys by using Solvax, the new remedy that quickly reaches the source of all kidney complaints.

If you suffer with pains in your back and sides or have any signs of kidney or bladder trouble, such as rheumatic pains, puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired and run-down, or bothered with urinary disorders, Solvax will quickly and surely relieve you of your misery.

Solvax is the most potent remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It neutralizes, dissolves and makes the kidneys sift out all the uric acid and poisons left by the blood, and renders the kidneys and urinary organs clean, vigorous and healthy.

Wilkinson & Co., the popular druggists, say that no medicine ought to be paid for unless it does the user some good. They therefore sell Solvax under a positive guarantee to quickly relieve the worst cases of kidney trouble or refund the money. Try Solvax today and if you cannot see and feel a decided change for the better, just go to Wilkinson & Co. and tell them you want your money back and they will return it without question. This is the strongest argument that can be offered in behalf of any medicine.

## BIG ROBBERY IS REPORTED

Home on North Side Entered on Tuesday Night and \$200 Worth of Jewelry Secured.

### DISCOVERED THURSDAY

Family Did Not Know of the Loss Until Two Days Had Elapsed—Police Are Busy on Case.

One of the largest and most daring robberies in months occurred here, on Tuesday night. A north side residence was entered on that night, while the family was at the tabernacle meeting and about \$200 worth of jewelry and other articles taken. The family, which does not wish its name mentioned, did not discover its loss until last evening and the police department was immediately notified. Chief of Police Hennemann and Officer Wilson conducted an investigation on the premises and were able, among other things, to get a description of the man who is thought to have performed the job.

The following articles are missing: One diamond bar ring with five stones, valued at \$100; one pendant with a diamond set, valued at \$40; one diamond stickpin, valued at \$15, an electric pocket flashlight and \$35 in paper money.

The robbery was taken from a dresser in a bed room on the second floor of the house, and the money and the flashlight from a buffet in the dining room on the lower floor. The drawers in both cases were not locked. The thief or thieves overlooked a number of other articles. In the dresser a small diamond ring and a cameo with a diamond set, valued at \$40, was untouched. In the buffet was a quantity of valuable silverware that was not taken.

Everything was in its place on Tuesday afternoon. The articles were first missed last night. As Tuesday night was the only time the entire family was away, it is believed that

## HOW TO REDUCE YOUR WEIGHT

A Simple, Safe, Reliable Way. People who are over-burdened with superfluous fat, know only too well the discomfort and ridicule that overstout people have to bear.

If you are carrying around five or ten pounds of unhealthy fat, you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation diet or tiresome exercise, here is a test worth trying. Spend as much time as you can in the open air, breathe deeply and get from Wilkinson & Co., or any good druggist a box of oil of korein capsules; take one after each meal and one before retiring at night.

Weigh yourself once a week so as to know just how fast you are losing weight and don't leave off the treatment or even skip a single dose until you are down to normal.

Oil of korein is absolutely harmless, is pleasant to take, and helps digestion. Even a few days treatment has been reported to show a noticeable reduction in weight, footsteps become lighter, your work seem easier and a lighter and more buoyant feeling takes possession of your whole being.

Every person who suffers from superfluous fat should give this treatment a trial.

the robbery was performed on that night. The police authorities believe that entrance to the house was gained through the front door by the use of a key.

The police departments in all neighboring cities have been notified of the theft and a close watch is also being kept in Keokuk for the appearance of the articles. It would be difficult to dispose of any of the jewelry in its present form for it would be easily recognized. The thief was evidently after the diamonds alone for the pendant, in which was a good sized stone, was torn from the chain.

### Description of Man.

The police have a description of a man who was seen in the neighborhood on the evening of the robbery and whom they have reason to believe is the one who pulled the job. This has been telegraphed to near cities. The robbery is one of the largest that has occurred here for some time. In the house there was no evidence found of an intruder. The drawers from which the stolen articles were taken, were unlocked so that no violence was necessary in getting at the contents.

## AMUSEMENTS.

"The Trail of the Lonesome Pine." One of the best liked pictures yet shown in any theatre is "The Trail of the Lonesome Pine," at the Grand tonight, and perfectly acted by Charlotte Walker, Thomas Meighan, Theodore Roberts and other Lasky favorites. The picture was personally directed by Cecil B. DeMille, that wizard of photo plays, and written for the screen by him, from the novel by Eugene Walter. The story is entirely logical, holds the attention in absorbed interest, and is filled with beautiful woodland scenes that are a constant delight.

Don't miss "The Trail of the Lonesome Pine," or you will overlook one of the real treats of film-land. And the circus performers will be on tonight—for the last time. For its extra good Saturday attraction the Grand offers the noted fun-maker, Frank Daniels, tomorrow, in a picture called "Crooky." It's going to be fine, an ideal picture for the kid-

## WHY HAIR FALLS OUT

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 2-cent bottle of Danderine at any drug store, pour a little in your hand and rub well into the scalp. After a few applications all dandruff disappears and the hair stops coming out.

## YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

IF CROSS, FEVERISH OR BILIOUS GIVE "CALIFORNIA SYRUP OF FIGS."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a "teaspoonful" of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."

lets, at the matinee and just as funny for everybody. Tonight, Frank Daniels is world famous as a comedian and "Crooky" is one of the funniest things ever put into films. It is guaranteed to delight you.—Advertisement.

Wilson and Bryan. Grand Junction Globe: Bryan's visit to Des Moines so soon after Wilson was there gives an opportunity for comparison of the president and his former secretary of state which many observers have been quick to seize. The ultimate verdict, from a human standpoint, belongs to history, but no observer can doubt the relative positions of the two men in the affections of the American people. Woodrow Wilson will never be as greatly loved as William Jennings Bryan.

## STATE BAN ON ROTTEN EGGS

Food Commissioner to Enforce New Law Recently Passed by the Iowa State Legislature.

### WHAT MIGHT HAPPEN

Campaign to be Kept Up Until "Iowa Eggs" Become Synonymous With Purity.

"Waiter," called a determined looking customer in the restaurant, who had ordered soft boiled eggs and insisted upon opening them himself, "this egg is bad."

"I am sorry, sir," smiled the apologetic minion, "I will bring you another."

"No, you won't," answered the patron, as the waiter extended his hand to take the offending hen fruit away. "I'll keep this as evidence. Don't you know it is against the law of Iowa to sell bad eggs?"

And the state inspector with the "evidence" safely sealed in a sterilized bottle, left the restaurant to start the wheels of justice moving.

Law Against It. Did this scene actually take place? It might do so at any time now. The state food commission has started a campaign to enforce the law which was recently passed by the Iowa legislature.

It reads as follows: "It shall be unlawful to ship or otherwise dispose of in any kind of a container, or in any manner, any collection of eggs, or eggs known as 'yolks stuck to the shell,' 'black rots' or any other eggs of unwholesome nature unless the same are broken in the shell, and then denatured so as to render them unfit for human food."

Under this statute the food commissioners hold any restaurant patron who is served with an egg of the kind described, any housewife who purchases from a grocer "strictly fresh," "selected" or "guaranteed" eggs which betray her confidence, is entitled to make a complaint which may result in the fining or imprisonment of the offending vendor.

To Begin With Farmers. Armed with this statute the food commissioner intends to commence with the farmer who gathers in the eggs, to instruct him and those to whom he sells that soon the brand "Iowa eggs" will be synonymous with spotless purity, and that any patron of restaurant or grocery store may order eggs with as much confidence and assured results as they now order, well, oatmeal for example.

Justice Hughes Should Speak. New York Globe: Republican members of congress have read the various statements that have been penned by Justice Hughes. And after reading and ruminating on these statements the republican members of congress cheered Mr. Hughes as a presidential candidate.

As things stand, therefore, Mr. Hughes must be accepted as a presidential candidate. If nothing further comes from him it must be taken for granted that he will accept if nominated. If Justice Hughes is a candidate it is highly desirable to indicate to the

## On the Remington and Nowhere Else

Here are two facts about the Remington which every typewriter buyer should know:

1. The Remington Column Selector adds 25 per cent to the letter writing speed of the typist. This is not a claim or an estimate. It is a definite fact—proved and established by any number of comparative tests.
2. The Column Selector is a Remington feature exclusively. No other machine has it—or anything like it.

Oh, yes, other machines have devices which look like it, with the few keys, etc. It is easy for a salesman, who knows the supreme merit of this Remington feature, to call them "column selector" keys. But there is no other device on any other typewriter which can do what the Remington Column Selector does.

The Remington Column Selector is the only feature on any typewriter which permits instantaneous setting of the carriage at any desired point on the line. It is the only feature which provides this setting by either forward or backward movement. It is the only feature which provides true "express service" with no stop-to-stop movement in reaching any writing point. And these are the features which make the 25 per cent. speed gain. Let us show you the real and only Column Selector—on the Model 10 Remington.

These issues are the attitude of the United States toward the war in Europe, toward Mexico and toward preparedness. On no one of these questions are his opinions known. One may suspect, in view of his record, his temperament and the general bias of his mind, that he is in general agreement with the policy of President Wilson. If this surmise is correct, then a contest between Mr. Wilson and Mr. Hughes will be largely mechanical. In fairness to himself, as well as to
