

CHARGES MAN WAS CRUEL TO HORSE

Information Was Filed Today in the Court of James S. Burrows Against Fred Hagenback.

ANIMAL IS IN BAD SHAPE

Humane Society Officials File Charge and Claim That the Horse Was Beaten With a Heavy Club.

An information charging cruelty to animals has been filed in the court of James S. Burrows, justice of the peace against Fred Hagenback. A warrant was issued for the arrest of Hagenback and Constable Peter Wolf went out to arrest the man this afternoon. The information was filed by Humane Officer Glascoff.

It is alleged by the officials that Hagenback struck a horse belonging to Will Bland several times across the head with the handle of a pitchfork. The affair was witnessed by several persons who reside near Tenth and Main streets where the alleged beating of the horse is said to have occurred.

The horse's eye was found to have been injured either in the animal's fall to the pavement or through the alleged beating. Veterinary surgeons who were called pronounced the case one of the worst ones they have had to deal with.

Hagenback is said to be employed as blacksmith by Bland and that he took the horse out last night. The alleged cruelty took place at Tenth and Main streets after the horse had fallen to the ground.

Hagenback was arrested this afternoon and taken to Justice Burrows' court where he entered a plea of not guilty to the charge filed against him. He was placed under bonds, and his hearing was set for Thursday morning.

H. E. Hawkes, John Ferris, J. B. Crossan, Tony Moeller, C. M. Hart and John Eisenhuth.

The opening statements were made by the attorneys this morning, and this afternoon the first evidence was introduced. The case may consume considerable time.

LIFE'S COMMON THINGS.

A pink and crimson sunset cloud.
A fair young face amid the crowd.
A moment's glimpse of mountain blue,
The houses tall shut out the view.
A flower behind a window pane
When all without is dark with rain.
A bluebird poised on airy wings—
How beautiful life's common things.

A letter from a distant land.
A cordial grasp of friendly hand.
A happy day dream, pure and fair,
Though but a castle in the air.
A word that gives us courage new,
A smile that beams as fair as true,
A voice that hope and sunshine brings
How good, how true, life's common things.

DOG NAMES IN THE CITY RECORD BOOK OF WIDE VARIETY

The dog directory of the city now contains about six hundred names. And in those six hundred names there is more variety than in the well known Heinz products. While some owners have been content to give their canine companions just simple dog names, others have hung cognomens of brilliant fancy on the heads of their pets.

Such good old names as Sport, Shep, Rover, Fido and Towser, are on the dog license book in goodly numbers. Teddy, Tip, Bill, Curley, Ring and Gyp are other popular names. There is a plentiful sprinkling of such names as Frank, Jimmie, Billie, Mike, Fritz, Jack, Bruce, Tim, Dan, Terry, Rastus, Jeff and Opie.

A few of the others are Jap, Rex, Babe, Bouncer, Goat, Dandy, Cutey, Topsy, Ginger, Poodle, Trouble, Happy, Buster, Prince, Dutch, Vanity, Quack, Penny, Money, Dog, Spider, Tipperary, Laddie, Pickles and Chauncey. And there are hosts of others just like these.

ESTABLISHES BRANCH OFFICE

Macomb, Hannibal and Keokuk Added to Cities Controlled by Local Company.

Quincy Whig, July 30: Wednesday of last week Leaton Irwin motored to Macomb, Thursday to Hannibal and Friday to Keokuk, adding the last touches to the formation of the Overland-Irwin Co., at each of these three points.

Accompanying him Friday were J. F. Toole, assistant sales manager of the Willis-Overland Co., J. R. Pearce of the Ricker National bank, and Chas. Gaskill of Chicago. Mr. Gaskill will assume the office of the management of the Overland-Irwin Co., at Keokuk Aug. 1.

Not only has Mr. Irwin organized these three points, and each in a very large way, with very complete buildings, etc., but he is now planning similar arrangements at two or three other points in the large Irwin-Overland Co. territory where dealers of sufficient size to afford satisfactory representation have not been found.

"It is our intention," stated Mr. Irwin, "to see that every owner is afforded the most efficient possible kind of Overland service in the shape of parts, stock, etc."

The Irwin-Overland Co. have put Quincy on the automobile map. Their business for the coming season as planned will run well over a million dollars.

At the home of his mother on Walnut street, this city at 1:00 p. m. Monday, July 31, John Everett Casey died after an illness of several weeks with typhoid fever. He was born in Ferris, Ill. June 23, 1894 and was therefore only a little over twenty-two years of age at the time of his death. He is survived by his widowed mother and two sisters, Mrs. Mattie Huston of Hamilton and Mrs. James Haskins of Dallas City, all of whom were with him in his last hours. Everett was not physically strong, though he had been doing heavy work at the tile factory for some time. His early demise is greatly regretted by all who knew him and the sympathy of the community is extended to the sorrowing mother and sisters. The funeral was held at the M. E. church, Wednesday at 2:00 p. m. and burial was in Greenwood cemetery.

FRANKLIN ST. PAVING MATTER

Resolution for Postponement of Paving Not Passed—Substitute Offered.

A resolution introduced to the council this morning postponing the paving of Franklin street, was not passed, but a substitute offered by Commissioner Hickey that the motion for the adoption of the resolution be laid on the table, was carried. Mayor Lofton voted for the postponement of the improvement. On the substitute he voted "no" and Commissioner Hickey and Hilpert "yes."

This practically closes the Franklin street matter for the time being. Another delegation of Franklin street property owners appeared at the council hall this afternoon and through their spokesman, W. G. Blood, asked that the council postpone action for one year.

Bids for all street improvements ordered by the city, were opened this morning and are to be considered by the council this afternoon. Due to the enforced absence of Commissioner Hilpert, the council did not meet until late to consider the bids. It is possible that the council will order all bids on Franklin street rejected and the work delayed.

INCREASED PRICE LOOKS SUSPICIOUS

Newspaper Publishers Say Paper Makers Not Entitled to the Rise.

[By Robert J. Bender, United Press Staff Correspondent.]

WASHINGTON, August 1.—Notice of a real war on print paper manufacturers was given by newspaper publishers of the United States today at an open hearing before the federal trade commission. The hearing is the first of several to be held to determine if possible, the underlying causes and a possible remedy for the tremendous increases in the cost of print paper to publishers.

Representatives of the American Newspaper Publishers association, the National Editorial association, the New Jersey Publishers association, the Pennsylvania State Editorial association, Pennsylvania Publishers association and the Newspaper Manufacturers association were present.

That the American Newspaper Publishers association is preparing a "war chest" to fight the manufacturers and is compiling data tending to show that the manufacturers exist among the manufacturers to keep print paper prices up, was declared by Vice President F. P. Glass, of the association, first speaker at the hearing. Glass said general prices on contracts have increased twenty-five to thirty per cent and that publishers desiring extra paper have been compelled to pay as high as fifty to
