## FOOD FOR FANS

Yesterday's hero: Jeff Torson. Jeff held the Pirates to two hits in the second game and on offensive made the same number. He scored a run.

Cravath's homer in the fourth inning with one on, won for the Phillies from the Cubs, 4-3.

Jake Daubert started the fourth inning fire works of the second game with the Reds with a home run. It was the winning run.

The Browns pinched their eleventh successive win when they trimmed the Yankees.

Weish, the White Sox center fielder, had a miserable day, a homer, three singles and a pair of runs, one of which won the game from the Athletics.

Davy Robertson in a cyclonic dash for the plate from third, collided with Umpire Eason, their heads whacking together with a rifle-like report. Robertson was almost laid out. Eason was unhurt and nonchalant. Material tells.

John Evers was put off the field for kicking on one of Rigler's decisions. (Note to make up man: keep this line standing.)

Liberal With Money.  
CLEVELAND, Ohio, Aug. 1.—Matt Hinkel, promoter of the Chaney-Kilbane featherweight championship bout, stands good to knock off \$500 from the \$16,000 roll with which he will stage the fight. Jimmy Dunn, manager for Kilbane, asked Hinkel to referee the battle with the proviso that should Chaney win the decision he would present Matt with \$500. Dunn also sprung a surprise when he offered Henry Bleiser, manager for Chaney, a wage of \$5,000 or \$10,000 that Kilbane will defeat Chaney.

# The NAUVOO Gate City

NAUVOO, ILL., AUG. 1.

Nauvoos' chautauqua for 1916 has come, and was seen and gone. The fire alarm bell was sounded about 11 o'clock last Saturday morning. The fire proved to be a small blaze in a dilapidated shed in the rear of the Balf residence, close by the Presbyterian parsonage, and church. Two boys were noticed playing there just before the blaze was discovered by one of Nauvoos' citizens, who gave the alarm. Before the fire department arrived a few buckets of water was sufficient to extinguish the blaze and the only damage done was a few almost decayed boards scorched. Had it not been discovered in time a serious conflagration might have resulted.

The Domestic Science ladies held interesting meetings every morning during the chautauqua and the ladies of Nauvoos received much valuable information during these terms. Miss Linder, the lady engaged to teach and demonstrate for the poor cooks of Nauvoos, gave them valuable lessons in the art.

Some Burlington parties were in Nauvoos last Saturday, coming by auto route. While here they drove south and when near the Kroger residence, drove into a ditch and wrecked the car so badly. They attempted to sell the car to anyone wishing to buy after the accident.

The hot weather did one good thing for some Nauvoos people. It relieved them of the duties of pushing the lawn mower.

The chief of police spread his dragnet last Saturday night, capturing eleven fellows who disturbed the peace and morals of the city. Seven Iowa lads were here in an auto and they were all fined \$5 and costs and the other four were from Sonora and received like fines. Nauvoos officials are determined to make people behave themselves when they come to Nauvoos or suffer the consequences. All fines were paid.

Nauvoos' baseball team may go to Lomax, Ill. next Sunday to play the boys at that place. They were on their way to that place several weeks ago to play, when the boys met with an automobile accident and crippled some of the players and the game had to be abandoned.

Nauvoos' second chautauqua closed last Sunday evening with a delightful program of music, leaving an impression in the hearts and minds of many in this city and vicinity, and a desire for more and the ladies Civic league, who have the management, are striving hard to gratify their wish. Cards to be signed as a pledge to purchase tickets, were distributed at intervals during the sessions last week, but only half enough were returned with signatures and the ladies will make a canvas among our people and business men soon to determine whether or not Nauvoos shall have a chautauqua in 1917 and a better array of talent as it is possible, will be procured. The attendance last Saturday was largely the program being the Howard quintet and Dr. D. Vaughn, lecturer. There was a fine attendance Sunday afternoon, but in the evening, the smallest crowd of the week was present owing to the intense heat and the threatening storm. Our country cousins came to Nauvoos in large numbers during the week and were pleased with the entertainment. They are very liberal patrons and supporters of chautauqua and would like to have another one next year. It would be too bad to discontinue them now since they have a good start and we can ill afford to do without them. There is hardly a town in this section but what has a chautauqua week and Nauvoos people should keep pace with the times. Take it all in all, this year's chautauqua was a grand success and almost all who attended were pleased. The Howard quintet closed the chautauqua with a splendid musical program and they all proved themselves artists and won the hearts of their hearers by their wonderful and natural renditions and cheerily and smilingly responding to the numerous encores. Should they ever return to Nauvoos, they will receive a warm welcome. Theirs was the best program of the entire chautauqua.

The management of the opera house will give another movie show next Sunday evening and promises a fine lot of pictures and it is hoped our people will attend liberally.

The Howard quintet that gave such a delightful musical entertainment at our chautauqua, are enjoying a forced vacation in Nauvoos this week. The company consists of three gentlemen and two ladies and their home is in Falls River, Wis. They announced from the platform that they liked our people so well and were so delighted with this historic and grand and beautiful old town, that while they were compelled to enjoy a week's vacation, they would remain among the most hospitable people on earth until their departure for Kansas, their next engagement, and Nauvoos people are glad to have them among us for every member is a perfect lady and gentleman. Their stay here is a pleasant and enjoyable one.

You can kill squirrel now in Nauvoos and Illinois. The season opened Tuesday. Nauvoos hunters are getting their fowling pieces ready.

Another chautauqua next year, with a better array of talent, will bring a lot of people to this city. It will also inspire the city as a whole with the pride of achievement. It is good to have people come here and it is good to have occasions of civic pride. But more important than either of these is another effect which this chautauqua will accomplish—that of bringing all parts of the city and our country brothers and sisters together and interesting all in one event. Now, Nauvoos, if it were advanced and kept pace with the times, is an obligation quite as much as it is an opportunity. The city should truly be an advancing city today and every citizen, every now and then, should take a minute off from his own affairs and seriously ask himself, "What can I do for Nauvoos?" He may or may not be able to answer his

# COOLER WEATHER CAUSES SMILES

Kookuk Folks Revel in Slight Respite From Torrid Atmosphere Which Was Afforded Them Last Night.

## REAL CHANCE TO SLEEP

Wasn't Necessary to Bring Pillows and Mattresses and Spend Night Hunting Coolest Spot in House.

The weather man made good on his predictions of a cooler night for Kookuk, and for the first time in several nights local people were able to grab a few much needed extra winks in their perfectly good beds without having to drag mattresses and pillows around all night in search of any part of the house that was the coolest.

Following on the heels of a day in which the highest temperature was 95, came a cooling breeze which brought relief from the torrid weather of several weeks. Everyone was luxuriating in the cooler weather and wondering if perhaps the heat wave's backbone hadn't been cracked. Houses cooled off to such an extent that it was comfortable in almost any of the rooms and many front doors were closed for the first time in several nights.

The official government thermometer registered 67 degrees as the lowest temperature last night. A mark of 75 had been reached as the lowest for the day and 95 as the highest for the day. At 7 o'clock last evening the temperature was 79 and this morning at seven the thermometer registered a full 10 degrees lower.

People lost the haggard, tired, wilted look under the stimulating effect of the cooler breezes and there was more pep noticeable everywhere. The weather man doesn't hold out any alluring promises of continued cool weather, however, as today's forecast is for warmer weather tomorrow. It probably will be cloudy, so perhaps a much needed rain may happen to fall out of the water wagon and land in this vicinity. Anyway it has been demonstrated that it can rain because it has rained all around Kookuk and the weather reports show a rather lively thunderstorm at Omaha this morning.

## MORNING STAR TO GO AGAIN

Big Mississippi Side-wheeler Will Make Another Cruise to New Orleans From Davenport.

Davenport Times: The Northern Steamboat Co. has announced that the big side-wheel cruising steamer Morning Star would again make a full cruise to New Orleans, La., and return from Davenport. Captain W. A. Blair will be in charge and Captain Wm. Keith will be purser.

The Star will leave Davenport for the fall cruise this year Thursday,

October 5, and will return October 26. The boat will lay over a day in St. Louis, short stops will be made at Memphis, Vicksburg, Natchez and Baton Rouge, and then two days will be given in New Orleans for sight-seeing.

At this time of the year the lower river is at its best, as the rice and sugar crops will then begin to move. In October everything will be busy at practically every landing and at plantations along the stream.

## THE CHICAGO SHAN-KIVE ROUND UP

Will be Held at the Old Cubs' Ball Park in Chicago August 10-27 Inclusive.

A chapter taken from western America's history in the making will be staged at the old Cubs' ball park in Chicago August 10-27. It will be known as the Chicago Shan-Kive Round Up. It will be the call of the wild to the center of the United States. It will be a kind of entertainment novel, thrilling and portray early western scenes that will well be worth the price of a long journey.

In all history there is no spot more fascinating, no place more pre-erred, no people more determined, than in "the vast middle and far west." History fails to record a people who endured the hardships en-

countered by the pioneer, a place so rich in its natural resources, or a time so short, in which the endless prairies and rugged mountains so quickly responded to the swiftly influences of man.

In picturing and reproducing this amazing country and its wonderful people, the various committees composed of the leading citizens of Chicago, have spared no effort, expense or enthusiasm.

Called from every nook and corner of the vast west, people will assemble to compete for prizes (to be paid in gold) at each of the eighteen tournaments. Participants will contest for world honors in every legitimate western sport and pastime of past and present days.

There will be Indians fully bedecked in blankets, buckskins and beads... Escapade in the feathered head dress and vivid war paint of their tribes, faithfully portraying the barbaric ances, fantastic religious and social ceremonies, and living in wigwags, as have their ancestors for many centuries past.

Cotton Report.  
WASHINGTON, Aug. 1.—The bureau of crop estimates, department of agriculture today estimated the condition of the cotton crop July 25 was 72.3 per cent normal, compared with 81.1 June 5, 1916; 75.4 July 25, 1915, and 78.5 average on July 25, for the last ten years.

Mason City	34	55	.382
Fort Dodge	30	60	.333

Mason City, 8; Fort Dodge 4.  
MARSHALLOTOWN, Ia., Aug. 1.—The locals hit Dashner hard and won Monday, 8 to 4.  
Score—R. H. E.  
Mason City..... 8 10 4  
Fort Dodge..... 4 9 6  
Batteries: Fitzpatrick and Weeks; Dashner and Herlot.

Marshalltown, 5; Waterloo, 0.  
MARSHALLOTOWN, Iowa, Aug. 1.—Marshalltown got to Poston in the early innings and won handily, 5 to 0. In the second inning Poston's wildness combined with base hits gave the locals three runs.  
Score—R. H. E.  
Marshalltown...230,000 00x—5 12 2  
Waterloo.....000 000 000—0 7 1  
Batteries: Torkelson and Snow; Poston and Brennan, Besnar.

Clinton, 6; Cedar Rapids, 4.  
CLINTON, Iowa, Aug. 1.—After the Rabbits had amassed four runs in the second, the locals came back with a pair in the same round and then fell on Berger for four in the fourth.  
Score—R. H. E.  
Clinton.....020 400 00x—6 12 2  
Cedar Rapids...040 000 000—4 8 1  
Batteries: J. Drchan and Brown; Berger and Byers.

Yankee Slip Down.  
NEW YORK, Aug. 1.—Nemesis, disguised as the once lowly St. Louis Browns, has apparently overtaken the Yankees at last, for as Fielder Jones' crew rushes on to its long record of straight victories the Yankees slip deeper into the mire of third place.

The Dodgers, however, with a double victory while the Braves fell back, are still farther ahead of the field today. Playing with the same infield which won pennants in 1911, '12 and '13, the Giants have won six straight on their home grounds, more games than they won throughout the first two months of the campaign there.

An American inventor has patented a life-saving suit for aeronauts involving a cushioned cap and back and front pads for the body, communicating so that they can be blown up by a tube extending to the mouth of the aviator, communicating pads being provided on opposite sides of the legs and yielding, spring-supported shoes being carried on the feet below the waist, so that in falling the person will fall feet foremost.

## TENNIS TOURNAMENT ON PROGRAM

Sixth Annual Meeting Tri-State Association Will be Held in Burlington.

BURLINGTON, Iowa, Aug. 1.—The week beginning August 7, will be tennis week in Burlington, for at this time the Illinois-Missouri-Iowa Tennis association, tournament will be held on the local courts under the auspices of the Burlington Golf club. Entries for the big tourney are being received rapidly by J. L. Temple of Burlington, and he predicts that at least 100 will participate in the various events of the meet. Elaborate plans have been made to make the tourney an even greater success than has been the case in previous years, which certainly is setting a hard pace. The week has been systematized and it is expected that the various events will be run off in perfect order. Play will be held on the courts of the Tennis club, the Golf club and on private courts belonging to A. T. Churchill, as well as the courts belonging to Mrs. C. E. Perkins. This means that nine courts, in perfect condition, will be available for the great net meeting, and events will no doubt be pulled off on scheduled time.

Some of the best talent in this part of the country will participate in the tournament, many who have been seen here as well as many additional stars.

In 1915, the third tourney was held here under the auspices of the Tennis club, T. E. Musselman of Quincy capturing the singles title. The doubles were protested after Musselman and Hamilton and Vernon and Stuart had reached the finals. An exhibition match was played and won by the former pair. In the women's singles, Miss Newby of Burlington captured the honors and Dr. Smith and Miss Hedge won the mixed doubles.

The officers of the association are: President, T. E. Musselman, Quincy; vice president, Dr. M. N. Smith of Fayette, Mo.; secretary, Dr. G. J. Kinney, Burlington.

The tournament committee is composed of the following men: George Stuart of Neponset; James Prosser, Warsaw; J. Vernon, Prairie Du Chien; F. Inskeep, Ottumwa; Ralph R. Joy, Kookuk; Dr. Neil Vedder, Carrollton; Ray Smith, Monmouth; F. Green, Galesburg; J. H. Catlow, Burlington; J. H. Hunsager, Warsaw; George B. Higbee, Burlington; J. L. Temple, Burlington.

Championship events—Men's singles, men's doubles, women's singles, mixed doubles.

Trophies—For the second time the men's singles event will be played for a challenge cup known as the Musselman cup, which was won by T. E. Musselman of Quincy in 1915. It is of beautiful design and is to become the property of any player winning the championship any three times.

Entries should be in the hands of the committee by 6 o'clock August 5. Entry fee \$1 for each player for each event.

## CALL ATTENTION TO WEED LAWS

People of Lee Warned Again to Keep Down Fringe Along State Highways.

The attention of the people of Lee county is again being called to the weed law. The growth of weeds along the county highways during the recent dry spell has been very rapid and the roads need attention in many places. The state law makes it compulsory upon the tenants of property adjoining roads to keep the roads clear of all weeds and growth. If the tenants do not care for the highways in front of their premises the road authorities have to order the roads cleared and assess the cost of the work to the property.

The time has now arrived when the roads must be inspected by the authorities, so residents and land owners would do well to clear the highways as soon as possible. It is also asked that weeds and refuse be not thrown in the center of the road, as this is considerable of a detriment to the condition of the road as well as an act forbidden by law under the penalty of a fine.

## Spare Us!

Omaha World-Herald: The president says he'll stay in Washington as long as congress does, but it is hoped they will not make an endurance contest out of it.

A French inventor is making gas pipes from paper, compressed, dried and varnished.

## "OLD KENTUCKY" CHEW THAT SATISFIES

Full of Flavor That Lasts As Long As the Chew Lasts

SWEET AND WHOLESOME

You have noticed, of course, that every kind of loose tobacco dries up, and loses its flavor and fragrance.

It is only the hard-pressed Plug, like Old Kentucky, that retains the juice, and preserves the flavor, for a long period.

A chew of Old Kentucky carries straight to your tongue, where you get the full good of it, the sweet, wholesome, appetizing digestion-aiding juice of the leaf.

Old Kentucky makes a specially healthful and satisfying chew because it is made of ripe, selected, hand-stemmed Burley leaf, pressed into plug in a bright, clean factory, under the most rigid sanitary conditions.

If you haven't tried Old Kentucky you should do so right away. You'll say you never supposed a tobacco could be so fruity-sweet, delicious and refreshing. In 10c plugs.

## A 4-in-1 Vacation

You can visit three great National Parks and Colorado—all different—on a Burlington low-fare Summer excursion vacation ticket, or you can go direct to either one of them.

YELLOWSTONE—the land of geysers and waterfalls, is weird and mysterious.

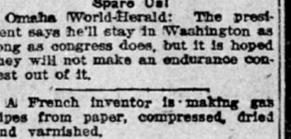

GLACIER—is different—nothing else in the world like it.

ROCKY MOUNTAIN ESTES—the charm of which is not to be catalogued—is an ideal vacation spot for people of all ages.

COLORADO—the state which gave the word "vacation" a new meaning, always holds out alluring inducements to visitors.

They are all the work of the Architect of ALL Things in His rarest mood—ALL in your own dear America and ALL reached by Burlington service.

You owe it to yourself to see your own country. Come in and let me tell you more about this wonderful circle tour—costs less than you imagine.

C. F. Conradt, City Ticket Agent Burlington Route. Fifth and Johnson St. Phone 976.

An Historical Fact

PURELY S.S.S. FOR THE BLOOD

USED FOR 50 YEARS SUCCESSFULLY

Even before the days of our forefathers, extracts from the same kind of roots, herbs and barks, now used in composing the ingredients for S.S.S., were well known and extensively used among the Indians.

Science and modern methods have only changed the Indians way of handling the materials, the essential features are still in evidence in S.S.S.—Nature's Greatest Blood Purifier—and a natural sequence of the Indians favorite medicine.

GET THE GENUINE S.S.S. AT YOUR DRUGGIST.

S.S.S. Co. Atlanta, Georgia
