LAKE FOREST TENNIS MEET

Fine Weather for Opening Round of Western Tennis Championship Tournament.

LAKE FOREST, Ill., Aug. 5.—Perfect weather conditions prevailed here today for the opening round in the annual western tennis championship tournament on the Onwentsia courts.

Matches for out of town stars will not be held until Monday.

EAST DEFEATS WEST AT TENNIS

Atlantic Coast Champions Make a Clean-up in Matches Played Yesterday at Forrest Hills.

A SURPRISE IS SPRUNG

Worst Defeat the Westerners Have Had in Years—Many Thrilling Battles Were Staged.

FORREST HILLS, N. Y., Aug. 5.—Two doubles and a single were all left for westerners to pick from today in the east vs. west tennis matches, after the riotous rout of the invaders yesterday when eastern players took all four sets of singles in a row. The matches today will have no bearing on the result of the tournament as the easterners clinched their victory yesterday.

N. W. Niles meets Roland Roberts, a new star of the west, in the final singles match. In the doubles, Johnstons and Griffin play Behr and F. B. Alexander and Murray and Davis meet Williams and Church. The westerners generally were believed to have a good chance for today in the doubles. The Niles-Roberts match was a problem for the prophets.
Yesterday's results proved a great surprise to every one and one of the stiffest blows the west had had from the east in a long time. Most thrilling of the four rattling good matches was R. Norris Williams' defeat of National Champion Johnston. For the first time this season Williams had everything—including steadiness. He fought the champion off for two hours of grilling, driving effort.

Yesterday's hero: Eddie Plank. That poor old wreck came back once more and, holding the Red Sox to two hits, silver plattered St. Louis its fourteenth straight win.

Only A Few More Can Secure Delivery on a Cadillac Eight

IF you desire to drive a Cadillac Eight this year you should act now. The number of these cars we can still obtain is very few.

And when you get your Cadillac Eight you know there is no better. Over thirty-five thousand of these now in use proves them as no other high grade car is proved.

There have been no radical changes since the first Eight Cylinder Cadillac was brought out. Never was a design proved more correct at the start nor more copied than the Cadillac Eight.

You will not suffer undue depreciation on your Cadillac Eight. There is no possibility of a drop in price at this time when the cost of material is still causing many makes to advance. Such has not been the history of the Cadillac.

The Cadillac is backed by an exclusively Cadillac Service station. A complete stock of parts and equipment carried in stock for all models of the Cadillac we have ever sold. This insures you daily operation of your car at all times.

So why take chances of being disappointed in something else when you can see the evidence all around you of the satisfaction in owning a Cadillac.

Charles Herzog got of 'em. He stole three bases.
The Athletics lost again.
Mike Mowrey, the same Mike who once stole second with the bases full, started three double plays yesterday that called for a lightning brain and a lightning arm.
The Yanks lost their eighth straight game, and worse, lost the services of Hughey High, a game leg forcing him to join the arnica squad.
Four two baggers enlivened the defeat of Cincinnati.

WHITE SOX ARE STILL LEADING

Chicago Team Stays on Top in the American League by Thin Margin.

CHICAGO, August 5.—The White Sox were still hanging on to first place today in the American league pennant-race.
The Sox split a double bill with the Senators here yesterday before 22,000 wild-eyed fans, while the Browns gave them an added advantage over the Boston Red Sox by wallowing out a six to one win at St. Louis. The White Sox are now leading by half a game.

KILBANE STARTS HIS TRAINING

Road Work and Rope Skipping Preliminaries for Bout With George Chaney.

CLEVELAND, Ohio, Aug. 5.—Johnny Kilbane's training squad today started the grind which they honestly believe will result in the featherweight champion defeating George Chaney at Cedar Point, Labor day. Johnny, himself, however, won't do any boxing for ten days. Road work and rope skipping will be his program until his four lanky sparring partners are tuned up.

TRIS SPEAKER BACK IN GAME

Injured in Recent Game, Refuses to Stay Out of Indian Line-up—Plays This Afternoon.

CLEVELAND, Ohio, Aug. 5.—Tris Speaker who it was thought would be out of the game for several weeks, will be in the Indian line-up this afternoon in the battle with the Athletics. Tris got nervous while watching his team mates play yesterday

and demanded today that he take his regular position in center field. His injured ankle is not causing him any trouble.

AMUSEMENTS.

Marguerite Clark at the Grand Tonight.

Unfortunately the management of the Grand was unable to secure today's program for a two days showing and as Marguerite Clark is Keokuk's most favorite actress and always draw crowded houses, the Grand will no doubt be packed for all showings tonight. "Silks and Satins," the production in which Miss Clark will appear tonight, is a thrilling romantic drama of past and present and one especially suited to her charming personality. Four shows will be given tonight, starting at 6:30, 7:40, 8:50 and 10 o'clock. No advance in prices, 5 and 10 cents.
A fine Triangle program tomorrow and Monday.—Advertisement.

Tuesday, August 8.—Afternoon: Apollo Concert Co.
Apollo Concert Co.—We feel that it is hardly necessary for us to tell of the splendid work this company is doing, as their previous appearances in this city were demonstrations of their art which cannot be questioned. While every member of this great company is noted for the splendid individual work done, the ensemble features of the program are unsurpassed. This season the company has spent over a thousand

dollars for new instruments, and included in these is a new instrument made especially for the Apollos, which they have named the "Apollo phone." It embodies all the better qualities of the xylophone and marimbaphone, retaining the carrying power of the former and the harp-like qualities of the latter. It was built to order, is sixteen feet long, and has all the musical possibilities of the Steinway grand piano. The best music will be played upon it, and this will be a feature offered by no other Lyceum attraction.

This company of high class musicians will be with us Tuesday and Wednesday, giving full concerts Tuesday afternoon and Wednesday evening. All lovers of high class music should hear them.—Advertisement.

GUARDSMEN ARE ANXIOUS

Men Who Signed Petition Are Worried Since Clarke Was Arrested.

COLUMBUS, N. M., Aug. 5.—Decision in the disposition of the case against Private Hugh Clarke, Holyoke, Mass., militiaman, arrested under General Funston's order directed against inaccurate newspapermen, has been placed in the hands of General Pershing. His recommendations were awaited today. After the local investigation of Clarke's printed charges of bad food and mismanaged company funds, a courier was sent to General Pershing's field headquarters with a summary of the case against Clarke. It is still believed that he will be tried by court martial.
Twenty-eight militiamen, of Clarke's company, who signed a petition protesting against bad food, are on the anxious seat. At the investigation of their complaint the twenty-eight men admitted they had no specific complaint except that at times their favorite dishes were inadequate and they could not get second helpings.
Officers today stated that Captain Slate was exonerated of Clarke's intimations that the company's funds were mismanaged. Clarke is still held incommunicado in the stockade here today. But the twenty-eight militiamen have not been taken into custody. Military men believe the latter probably will be subjected only to a reprimand.
