

BAPTIST HOLD MEETING TODAY

Officers Selected at Session of the Keokuk Association This Morning—Committee Appointed.

GROWTH DURING YEAR

Local Church Has Added 328 New Members While Other District Churches Report Increase.

At this morning's meeting of the Keokuk Baptist association, the following officers were selected: Rev. J. B. Cash, Fort Madison, moderator.

The session this morning opened with devotional led by Rev. Cash of Fort Madison, following which officers were elected and the church letters read.

According to these letters, the churches of the district have had a substantial increase in membership in the last year. The Keokuk church letter showed that a total of 328 new members had been added to the church here since the last convention.

Dinner was served to the visiting delegates this noon at the Y. W. C. A. During the convention they will take both dinner and supper at that place. The visitors will be the guests of local church members at night.

This afternoon the meeting opened with devotions at 2:00 o'clock. The papers included "The Five Year Program" delivered by Dr. S. E. Wilcox and "The Religious Newspaper, My Part and Yours," by Editor R. H. Sadler.

This evening there will be two addresses, by Rev. H. H. Peterson and Dr. J. W. Bailey. The former will talk on "Why Do Not Baptists Sprinkle Their Children?" The song service will be led by the Keokuk choir.

The convention opened last night and will extend through Thursday evening. The service last night was opened by Rev. F. B. McAllister. The annual sermon was delivered by Rev. Cash of Fort Madison. Its title was "Go Forward" and it was taken from Exodus, 14:15. "Why criest thou unto me? Speak unto my people that they go forward." Rev. Cash said in part: "The demand of the age is 'go forward.' We must advance. Let this be the keynote of this entire sermon. "Get a picture of the setting of this lesson. A company of Israelites, untold that very day, had been slaves. They are encamped by the Red sea with a strong army of trained Egyptian soldiers in the rear. Advance and retreat, from a human standpoint is impossible. "The Israelites begin to murmur. Then as now we like to place the blame for anything that goes wrong, on some one else. "But Moses' faith was firm. He believed in God's promise. He said 'Stand still and see the salvation of the Lord.' This was his mistake for the Lord said, 'Speak unto my people that they go forward.' "This seemed impossible, but the command was to go forward to the sea-side, and they did it, trusting God for the rest. "The application from this illustration is this: Meet difficulties, overcome obstacles, trust His promise and do not fear to attempt even what seems impossible. "The falling churches in our association, the cause in Iowa, the great five year program of which we will hear more, the new college, the local problems in each community and church, are apt illustrations of the forbidding outlook and direct command of our lesson. "In His name, by His help, and with all the strength He gives us, we must 'go forward.'"

Visiting Delegates. The following delegates from out of town had registered this morning: Mrs. J. A. Lapham, Des Moines; W.

Safe Home Remedy for Skin-Troubles

Eczema, ringworm, and other itching, burning skin eruptions are so easily made worse by improper treatment that one has to be very careful. There is one method, however, that you need never hesitate to use, even on a baby's tender skin—that is the resinol treatment. Resinol is the prescription of a Baltimore doctor, put up in the form of resinol ointment and resinol soap. This proved so remarkably successful, that thousands of other physicians have prescribed it constantly for over twenty years. Generally resinol stops itching at once, and heals the eruption quickly and at little cost. Resinol ointment and resinol soap can be bought at any druggist's. Resinol Soap is not only unusually cleansing and softening, but its regular use gives to the skin and hair that natural beauty of perfect health which cosmetics can only imitate.

LABOR VOTE FOR WILSON Railroad Brotherhoods Will Back President and Congress for Adamson Bill. [United Press Leased Wire Service.] CLEVELAND, Ohio, Sept. 20.—The first broadside of a campaign to throw the labor vote of the country to the support of President Wilson and the democratic party for passing the Adamson eight hour law, was fired today by officials of the four railway brotherhoods. A bulletin sent out by W. G. Lee, president of the brotherhood of railroad trainmen, reads: "Surely it is the duty of not only our own members but all persons who work for a living to support our friends, and, if possible, defeat our enemies at the coming election. Therefore, it is urgently requested that the position taken by President Wilson and both branches of congress be not forgotten and that all members use every honorable means to retain in office regardless of partisan beliefs, those who have proven their loyalty to the cause of labor."

CONSISTORY IN NOVEMBER

Pope Benedict Has Issued Call for Important Meeting to be Held.

[By John H. Hearley, United Press Staff Correspondent.] ROME, Sept. 20.—Pope Benedict will hold another consistory in November when he will make an important declaration regarding the war and the prospects for peace, the United Press was informed by reliable sources today. His holiness will create several foreign cardinals at this consistory. Archbishop Hanna, of San Francisco, is the only American whose name is being considered at present. Papal couriers already are enroute to Vienna and Berlin to notify Austrian and German cardinals of the coming conclave. The Italian government has advised the vatican that it does not object to the holding of a consistory and will interfere in no way with the entrance of the Austro-German cardinals into Italy.

Harry Peterson, fifteen years old, was seriously injured this morning when a team of horses which he was driving, became frightened at an automobile truck. Young Peterson was thrown out of the wagon and was injured internally. He was driving near Fifteenth and Blondeau streets when the accident happened. The truck belonged to W. B. Daniel. The accident occurred about 10 o'clock. Medical aid for the victim was summoned and Dr. Dorsey responded. BLACKMAILING SYNDICATE

Dozens More Suspects May be Uncovered as Result of Federal Investigation.

[United Press Leased Wire Service.] CHICAGO, Sept. 20.—Hinton G. Clabaugh, federal investigator in the national blackmailing syndicate, is on his way to Washington today for a conference that may uncover dozens more suspected of extortion. At the conference in Washington, heads of secret service bureaus of New York, Philadelphia and Washington will lay plans for additional arrests. W. C. Woodward, for whom the police have been searching since Saturday, gave himself up, on advice of C. E. Erbstein, his lawyer. "I have done nothing," he said to the district attorney; but if the government wants me, here I am." He was released on \$3,000 bail. James Finan, a New York detective, said today evidence that the syndicate had attempted to blackmail a United States senator in the east out of \$20,000 had been collected, but the prosecution was given up when the senator refused to become

PROBING THE PLOT

WASHINGTON, Sept. 20.—Drastic plans tending toward learning from victims of the nation-wide blackmailers syndicate all they know, regardless of how much testimony might publicly soil reputations of scores of wealthy men and women, was one of the chief objects of the conference here today of heads of department of justice bureaus in Chicago, New York and Philadelphia. Department officials admitted today that the very nature of the sordid system by which wealthy persons were forced to submit themselves to blackmail, made it obvious that obtaining consent of witnesses to testify publicly regarding incidents which they paid heavily to keep secret, would be the most difficult feature of their fight to send blackmailing ring leaders and their confederates to jail. It was explained the conference called today would therefore, spend most of its time considering how results may be obtained with the smallest degree of notoriety for the witnesses to be called. That the cases against the blackmailing syndicate will be pushed, however, without consideration of reputations if another way cannot be found, was positively stated at the department. As evidence of the determination of the department to "see the thing through," Attorney General Gregory with A. Bruce Bielski, his chief of investigation, as his lieutenant took personal charge of the case. Besides the matter of witnesses, to day's conference was to devise plans for combining as much as possible all prosecutions pending at Chicago, Philadelphia and New York.

Mrs. Nellie B. Vanarsdell, of Mackville, Ky., reports an interesting case of how she had suffered from bowel trouble since childhood. She says: "I have had four operations for my trouble and there was nothing would do me any good or give me any relief but Theodor's Black-Draught. I suffered 17 years straight until I got to using your medicine. This long standing trouble was relieved, after other treatments failed, by the use of Theodor's Black-Draught, a purely vegetable preparation, made of ground roots and herbs. For over 70 years Black-Draught has helped people who have suffered from constipation, indigestion, biliousness, sick headache, etc. It may be just the medicine you need. Try it. Only one cent a dose—25 cents a package. Your druggist sells it.
