

LAST CHANCE TO SEE TENT SHOW

Final Appearance of Liberati's Band and Big Vaudeville Acts This Evening at 8:00 O'clock.

ADMISSION 25 CENTS

Band Will Have Exceptionally Good Program and the Tent Should be Taxed to the Limit.

Tonight will be the last chance to hear Liberati and his famous band and the eight opera singers, and to see the Toki troupe of Japs, the dainty Weber girls and the whirlwind Moroccan Arabs, in the big show at the tent.

Two capacity audiences filled the big tent yesterday afternoon and last night. Additional seats had to be put in to accommodate the crowd. Another crowd attended the performance this afternoon. It is hoped that the capacity of the tent will be taxed to the limit tonight. The show commences at 8 o'clock. Come early.

Liberati's famous band will give an hour's concert. The final performance of the Toki troupe doing some marvelous feats of balancing will follow the band. The Japs have a wonderfully good act, and every feature of it appeals to an audience. Iko Toki of too slide fame, does a barrel balancing feat that is unusual. His two partners do hand springs, equilibrium stunts and chair balancing that is very much out of the ordinary.

Following the Japs will come the three Weber girls. These dainty misses can not fail but win applause with their wonderful act. The headstand chucks of one of the girls is a feature alone, and the hand stand work and walking on her hands that another of the sisters does, is great. Their "flash" is unusual and quite spectacular.

The Moroccan Arabs in a whirlwind act of chucks, hand springs, equilibrium acts and pyramids give the closing number of the program. They spin around the stage in a perfect dangle of color, and the cartwheels and chucks indulged in by every member of the troupe makes a great ending to a perfect act.

The admission for all of these acts is only 25 cents. It is the greatest show for the money ever put on in Keokuk or any place else. Tonight is the last chance to see the big show. The money all goes to the celebration committee.

Giant's Despair Hill Climb. [By United Press.] WILKESBAIRE, Pa., Oct. 7.—Thousands of spectators and many entrants were on hand today for the renewal of the "Giant's Despair" automobile hill climbing contest up Wilkesbarre mountain. Ten entries sanctioned by the A. A. A., are on the card, embracing stock and non-stock and piston displacement from 160 to 600 cubic inches.

Rheumatism Goes If Hood's Is Used

The genuine old reliable Hood's Sarsaparilla corrects the acid condition of the blood and builds up the whole system. It drives out rheumatism because it cleanses the blood.

It has been successfully used for forty years in many thousands of cases the world over. There is no better remedy for skin and blood diseases, for loss of appetite, rheumatism, stomach and kidney troubles, general debility and all ills arising from impure, impoverished, dehydrated blood.

It is unnecessary to suffer. Start treatment at once. Get a bottle of Hood's Sarsaparilla from your nearest druggist. You will be pleased with the results.

Moving Pictures of the BIG WEDDING at the GRAND TONIGHT

OPEN HOUSE ON MONDAY NIGHT

Public Has Been Invited to Attend Social Gathering at Young Woman's Christian Association.

INTERESTING PROGRAM

First Vesper Service to be Held on Sunday Afternoon, With Miss Martha Hornish, the Speaker.

The Young Women's Christian association will entertain its friends and patrons at an open house on Monday evening starting at 8:00 o'clock. The public has been invited to be present and enjoy the program that has been prepared for the occasion.

The program will be as follows: Reading, Miriam Wescott; solo, Ethel Osburn; reading, Mildred Rayburn; solo, Mrs. D. A. Glascoff; solo, Mrs. Henry Schouten; and instrumental numbers by Lela Kummer and Dorothy Norton.

There will be a gymnasium demonstration following the program and refreshments will be served. The open house is for the purpose of opening the fall and winter work of the association.

Vesper Service. The first Y. W. C. A. vesper service will be held on Sunday afternoon at 4:30 o'clock. The topic will be "By wireless," and the speaker will be Miss Martha Hornish. Mrs. Clyde Inman will sing.

HAD LIVE ROBIN; MAN PROSECUTED

Centerville Resident is Defendant in Rather Unusual Suit Brought Under Iowa Bird Law.

IT WILL TEACH LESSON

Law Specifically States That No One Can Have in Possession Any Bird But Game Bird.

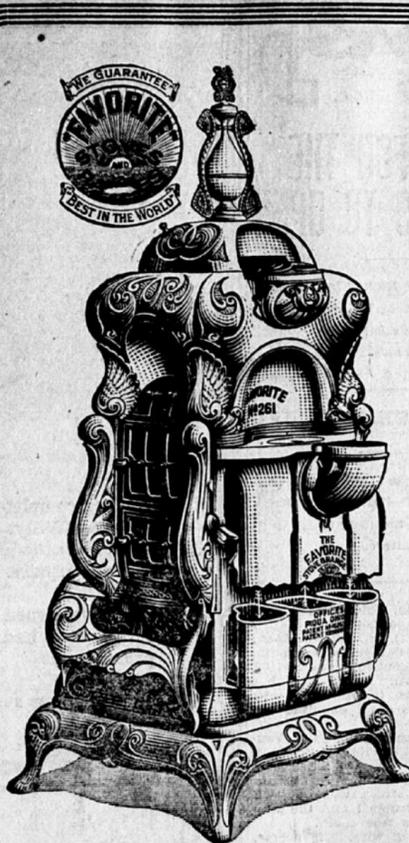

An unusual prosecution is reported in the Centerville lowland which tells of the fining of an Italian there for having a live robin in his possession. The case is reported in the following:

Otto Vinco, an Italian from Jerome, was up before Justice Lane Thursday evening charged with having captured a robin and keeping it in captivity contrary to the game laws of the state. His guilt was evident and he was fined \$5.00 and costs.

Deputy game Warden George Payton made the arrest, having found the bird in a cage at the home of the defendant in Jerome. Vinco's defense was that he didn't know that he was violating the law, and that he had had the bird in a cage for a pet and had it for some little time. Of course, his ignorance of the law did not excuse him and he was fined \$5.00 and costs, which he paid. The bird was freed and Vinco took the empty cage back to his home with him.

The law specifically states that no one in the state of Iowa shall catch or have in his or her possession any bird, other than a game bird for any purpose. This law is necessary in order to protect our bird friends and most people know of it and respect it. There are a few, however, who seem to take delight in capturing the birds. In regard to the penalty for the offense, section 2563 of the supplement to the code of Iowa says that the fine is \$5.00 for each offense and an additional fine of \$5.00 for each bird, alive or dead, or part of bird or nest or set of eggs, or any part thereof, possessed in violation of this law. The Vinco case is the first of this kind to come up in the county for some time.

This Peanut Campaign. Grand Junction Globe: We have seen some pennywise campaigners in Iowa, but the one now in progress takes the cake. Personalities dominate. Scarcely a true issue is raised. The Register tries to make liquor the issue, but the candidates persist in agreeing on that subject in the speeches they are making. The records of both men are assailed and neither is found to be perfect. Slurs are continually cast that have no clean cut accusations, and presumably no truth, back of them. Of all the mean, petty, insignificant, pennywise, pusillanimous mudslinging political campaigns this Meredith-Harding cat fight is about the worst.

It's the tripple exposed flues of the FAVORITE BASE BURNER

that enables it to give a clean even heat at the least possible cost.

Imagine every nook, hallway and room of of your home filled with clean, even, comfortable warmth this winter at *one half the cost you paid for fuel* last year. These are the kind of homes that owners of

Favorite Base Burner for Winter Comfort Burns least fuel

Enjoy every winter. A Favorite Baseburner requires less attention than any other form of heating apparatus. It reduces house cleaning one-half, saves wear and tear on carpets, draperies and furnishings. The pure, warm air protects the family health. Let us show you this superior Baseburner. It costs no more than the common kind.

The WARSAW vs GATE CITY

WARSAW, Ill., Oct. 7.—Through the efforts of our progressive fellow citizen, Joseph Fry, \$30,000 will be expended on the government levee in the Hunt district. This comes out of the appropriation made for the levees between Keokuk and Quincy. There are 13,000 acres in this district, which means a gift of \$2.00 per acre.

G. C. Menely, superintendent of field work for the Menely chautauqua system of Pesotum, Ill., is here and met a number of the guarantors of Warsaw's first chautauqua at 5 p. m. Thursday in Dr. Hartley's office.

There is a general desire for another chautauqua and enthusiasm shown among those who have not previously had the chautauqua "habit." The same grounds have been secured as for 1916, but dates cannot now be decided, but will be soon. Will try to arrange them so as not to conflict with other chautauqs or the farmers as the latter are the standbys everywhere for this class of public entertainment.

Warsaw's "500" club met with Dr. and Mrs. T. A. Hartley Tuesday evening. Hon. Wm. J. Graham of Aledo, Ill., candidate for congress, fourteenth district; Clarence F. Buck, Monmouth, Ill., candidate for senator; Hon. J. M. Pace, Macomb, Ill., and Rolo Robbins, Augusta, Ill., candidates for legislature will address the republicans of Warsaw on Monday, Oct. 9, at 7:30 p. m. The speakers will be accompanied by several candidates for county offices and also a band and the party will make the trip in automobiles. An effort will be made to secure the White Palace theatre for the meeting, as much outdoor speaking has produced hoarseness in the speaker's voices.

Mrs. Mary Jane Clemens passed away at her home in Warsaw after a comparatively short illness, at 5:30 a. m., Friday, Oct. 6, exactly twenty-two years after the demise of her husband. The cause of her death was pleuro-pneumonia, resulting from a cold caught on a recent windy day. Mary Jane Munday was born in Kentucky in December, 1824, and is nearly 92 years of age. She came to Warsaw in 1836 and in 1846 was united in marriage to Robert Engleheart Clemens who died twenty-two years ago as above stated. To this union four children were born, three preceding her in death years ago. She is survived by one daughter, Mrs. Clara Crane of this city, and three grandchildren, Robert Crane of Hillcrest Junction, Wis., and Mrs. Katherine Schildman and Mrs. Mabella Buckert of Warsaw. Mrs. Clemens

day afternoon, addressed the Household Science department, strongly urging the organization of boys and girls gardening and canning contests. Warsaw high school will play the real Keokuk high seconds in Keokuk, on Saturday, October 21. The game last Saturday, 12 to 7, for Keokuk, was forfeited to Warsaw because there were many ineligible in the Keokuk high team; football, not baseball.

Mrs. Frank J. Hill and son of Goldfield, Nevada, arrived Tuesday for an extended visit at the home of Mrs. C. B. Hill.

Gottlieb Henry Wollbrink died at his home near Sutter, Wednesday morning after an illness of several months, with cancer of stomach and bowels. He was a prominent farmer of Walker township and had lived in that community all his life. Mr. Wollbrink was aged thirty-six years and seven months; was born in Walker township, March 4, 1880, and was married March 27, 1907, to Miss Mary Athole. Besides his wife, three daughters survive, Malinda, Norma and Mabel. The aged mother, Mrs. Henry Wollbrink, and six brothers and four sisters also survive. The brothers are William, George, Fred and Charles, of Sutter; Edward of Rocky Run, John of Lima; the sisters Mrs. Anna Miller and Mrs. Louisa Wenhoner of Sutter; Mrs. Lena Meyerstick, living near Warsaw, and Mrs. Hilda Trautvetter. Mr. Wollbrink was one of the most prosperous farmers in the community and was widely known and highly esteemed for his many good qualities.

Funeral services will be held at the residence Friday, 1 p. m., October 6, Rev. John Smith, pastor of the Evangelical church, at Tioga, officiating; interment in the German Evangelical cemetery at Tioga. The nephews, Edward and Henry Miller, Oscar Wenhoner and Arthur Walter and Elmer Wollbrink acted as pallbearers.

Rev. John Forbes Mitchell, formerly assistant pastor of St. Paul's Protestant Episcopal church, Hyde Park, Chicago, will become assistant pastor of the Church of the Transfiguration, New York City, known for many years as the Little Church Around the Corner. He has been lecturing on his war experience in France.

A large crowd is out every night at the Ft. Edwards monument to see the flight of Miss Ruth Luff, where a most beautiful unobstructed view may be had from first to last.

The Quincy Journal of a week ago has many good words of endorsement of Rev. E. G. Maple, the new pastor of the Methodist church here, who recently was transferred here from Lima.

The babies winning prizes through their pictures flashed on the screen last week at Dreamland theatre, are as follows and are all of Warsaw: Lucille McGrew, daughter of Mr. and Mrs. Wm. McGrew, silver cup; first prize. Dorothy Rupp, daughter of Mr. and Mrs. Frank Rupp, second prize, a necklace; Mary Jane Goetz, daughter of Mr. and Mrs. George Goetz, third prize, gold ring; Harley Todd, son of Mr. and Mrs. Harley Todd, Sr., fourth prize, a dozen photos; Ralph Richardson, son of Mr. and Mrs. John Richardson, fifth prize, one week's tickets to the theatre.

An effort is being made by Mayor Hill and Mr. Matthews of the public utilities commission, to get the trolley up the hill again; there is a mild prospect of success so far. The district convention of the Women's Relief Corps will be held in Odd Fellows hall, October 26. Dinner and supper will be served to all guests, and a campfire will be held in the evening. Miss Mira Robinson left this week

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says "glass of hot water with phosphate before breakfast washes out poisons."

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if you eat sour and forms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of Hestane phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel; like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of Hestane phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.

for Winnebago, Minn., to visit her brother, Chandler and family. Mr. and Mrs. D. P. Summers are enjoying a visit from Mrs. M. E. Tewell of Waco, Nebraska.

Hon. Truman Plantz is in Rock Island attending to M. W. A. legal matters.

On October 3, Adam Luft passed away at 10:45 p. m. at the home of his son, John D. Luft, near Sutter, where he had been residing for some time; the cause of his death was dropsy and heart trouble. He was born in Germany eighty-five years ago May 9, and came to America with his parents when a boy nine years old, and had lived on a farm near Sutter, being one of the pioneer settlers of Hancock county; he was a very successful farmer and was highly regarded by his many friends for his many excellent qualities of mind and heart. He was married to Miss Mary Sack, who passed away October 3, 1903, just thirteen years previous. Ten children also preceded him in death, dying in infancy. Two sons, Jno. D. and Chas. A. survive, also thirteen grandchildren, one great grandchild, and a brother and sister, John, of Quincy, and Mrs. Charles Thomas, of Minneapolis. One sister, Mrs. Mary Schmitt, died in Kansas City, several years ago. Funeral services were held at the residence, Wednesday afternoon, October 4, at 1 o'clock, at the Tioga Christian church at 2 o'clock, Rev. Kessler officiating. Interment was in Buckeye cemetery. The pallbearers were Philip Sparey, Wm. Ewing, Wm.
