# PRIZES GO TO LODGE FLOATS

Royal Neighbors of America, B. P. O. Elka and Ladies of Maccabees Are Winners of the Pageant.

## COMMITTEE THANKFUL

U. C. T.'s in Charge of This Pageant, Express Their Appreciation of the Help Given Them.

The Royal Neighbors of America with their automobile decorated in purple and white chrysanthemums, won the first prize in the industrial and fraternal parade which was yesterday's feature of the fall celebration. The second prize went to Keokuk lodge No. 106 B. P. O. E. This float was also in purple and white and carried the "mystic hour" symbol of the order. The third prize went to the Ladies of Maccabees with their float of red and black and the throne with queen and attendants.

The awards were all made for the fraternal division of the parade. It was decided that the industrial division would not compete for the prize money. There were some excellent floats in this division and they made a fine showing.

The judges of the parade were out of town men and their decision was based on the merits of the display as they saw it. The judges were August C. Shultz, Moulton, Iowa, Elmer G. Sharp, Centerville, Iowa, and A. H. Bowles, Cedar Rapids, Iowa.

The committee from the U. C. T. in charge of the parade is receiving many compliments on the excellence of the showing made. It was one of the best parades of its kind ever given in Keokuk and surpassed even the best of the many fine flower parades, which were features of the former fairs here.

Thanks From Committee. The committee composed of W. A. Balbach, chairman, J. G. Buss, William Reinbold, Jr., H. D. Paustian and Fred G. Dennis wish to thank the merchants, jobbers, manufacturers and the citizens of Keokuk for the interest and co-operation shown in making the parade a big success. The committee feels that it is indebted to all of the people of the city who helped with the parade arrangements, and asked that The Gate City express their appreciation of the assistance they were given.

Dr. W. B. Sisson has returned from a few days' stay in St. Louis, where he attended clinics at the Washington University.

## RALLY DAY AT BAPTIST CHURCH

North and South Side Contest Tomorrow at Sunday School—Special Program.

On Sunday the Baptist church Sunday school will hold its annual rally day exercises at the usual Sunday school hour. Dr. J. E. Forney, the superintendent, has secured an able speaker to address the Sunday school. The orchestra will have special music for the occasion. Last Sunday a great deal of enthusiasm was shown over the fact that there would be a contest in attendance between the north and south sides of town. During the week members of both sides have been busy working up an unusual attendance for their side. The number will be counted and announced at the close of the service. When the scholars enter the room they will be asked from which side they come, and then there will be planned on them some mark that will indicate the side.

Merely Following Precedent. Chicago Evening Post: There seems to be a vast deal of surprise that a Chicago-New York express train was "held up" near Detroit. Why should there be? On Monday, September 4, four men held up all the railroads in the United States and the president and congress as well. Holdups now have received "the sanction of the judgment" of our government.

A woman never looks better than her Hair

Thousands of woman owe their youthful appearance to NEWBRO'S HERPICIDE. No matter what may be her age, a woman with a nice head of hair, hair that is soft, glossy and fluffy, always looks younger than she is.

HERPICIDE makes the hair beautiful with that sheen and shimmer which is so attractive and always indicates a healthy, natural growth. It keeps the scalp free from dandruff and the hair from falling out. There are remedies said to be "just as good," but HERPICIDE is "the genuine original dandruff germ destroyer."

Newbro's Herpicide in 50c and \$1.00 sizes is sold at all drug stores and toilet goods counters. Guaranteed by The Herpicide Co. Recommended and applications made by the best barbers and hairdressers.

Joseph Wycoff, former Keokuk young man, who has been making quite a reputation in this section of the country as a cabaret singer, is visiting in Keokuk now. Mr. Wycoff came down from Chicago where he has been singing this summer in cabarets. Last summer he was on the road and is well known in many middle western cities where he has appeared.

It was cast from metal from the old bell.

Judge Lamm appears to have aroused ire in the bosom of the editor of Clark county's only democratic newspaper. It is a noticeable fact that the aforesaid editor did not attempt to answer any of the facts presented by the judge.

Charles E. Huston and Miss Loretta S. McMarlin, both of near Alexandria, were married in Kahoka, Saturday, September 30, by Rev. C. E. Newton.

William M. Ackland, for many years a resident of near Kahoka, died at the home of his son, Victor Ackland, of Siloam Springs, Arkansas, Saturday, September 30. The remains were brought to Luray by the son, arriving Monday. Interment at Luray Tuesday.

The many Clark county friends of the Holderfer family regret to learn of their recent loss by fire at Donnellson. The savings of a life time went up in smoke when their flour mill was destroyed. It was a regrettable fact that they carried no insurance.

John Chappell of Union township, was in Kahoka the first of the week. Mr. Chappell advises The Gate City man that he and his estimable family will soon take their departure for California to make their home. Clark countyans regret to see them leave Clark county.

## THE NAUVOO Gate City

NAUVOO, ILL., OCT. 7.

Elmer Bruegger of Nauvoov has gone to Chicago for a visit of a few weeks, after which he will go to the western country where he expects to remain if he likes that section.

Our old soldier boys received their pension money last Tuesday from Uncle Samuel. There will be a number of republican meetings held in Hancock county the first three days of next week and a number of candidates will speak at the different towns to be visited. The politicians will make the tour in automobiles and will be accompanied with a band that will furnish music to attract the people to the meeting place. The party will arrive in Nauvoov at 11:10 a. m., and leave at 1 o'clock p. m. The committeeman in each township is requested to look after and attend meetings in his township.

Health in Nauvoov for this time of year is exceptionally good. Everybody active, bright and chipper.

Any stranger who comes to Nauvoov protests a citizen can organize a secret society, sell life, cyclone, lightning, plate glass and suffragette insurance, or pick up the best jobs to be had in this town and sell anything he has to peddle to the households, yet somebody who was born and raised among us can't sell half a dozen clothes pins to one of us without an investigation as to where they came from and all about it. He wouldn't be able to sell them then if there was a stranger in Nauvoov selling the same thing. It takes the stranger to knock off the persimmons. Why not give the home talent the first chance?

Miss Hazel Hudson visited the Keokuk festival last Friday and Carthage Saturday and Sunday, the guest of Miss Gertrude Fulton.

Mrs. Lou Argast and daughter Miss Grace, went to Keokuk last Friday and remained until Monday, and while there are the guests of Mrs. John H. Wolf.

There isn't anybody that's poor but what would do just like the rich are doing the poor were rich. Sociology has never claimed it could correct the kinks in human nature.

Raymond Herbert of Nauvoov, while coming home from the Keokuk festival last Wednesday night, was held up on the dyke at the Keokuk and Hamilton bridge and relieved of about \$9. He claims the highwaymen were an auto and there were two of them.

Have you ever noticed that there are more sobs over the heroes than the heroines?

Well, Nauvoov people are glad it is over with, or will be before this issue of the greatest family journal on earth reaches this town. It is believed that over five hundred Nauvoovites attended the Keokuk festival and all returned well pleased with the big doings. Some Nauvoov people were not satisfied with one visit, but went down several times.

Mr. H. Payne of the Nauvoov-Ft. Madison interurban line was a Nauvoov visitor last Friday.

Mrs. Ruth Orr of Lincoln, Neb., is visiting her mother, Mrs. H. Teedals in Colusa, Ill.

The Ladies' Industrial society of Nauvoov met in the Presbyterian church basement last Thursday afternoon.

Apple picking and shipping in Nauvoov came to a sudden stop during the week just passed on account of nearly all of the employees wanting to attend the fall festival in Keokuk.

This weather can't be beat for ripening corn. If Nauvoov's vicinity don't have a corn crop this fall it will not be the weather's fault.

A man in an Illinois town advertises that he has a fine Ole Bull violin to trade for a fat pig. Wonder if he offers any boot?

Nauvoov now has a business college. We are getting more and more metropolitan in appearance every year. This institution is called S. S. Peter and Paul's business college and Rev. Father Tholen of the Nauvoov Catholic church is the instructor. Its place of residence is in the Masberg build-

Arbor Day in China. World Outlook: China needs trees. Because of the lack of them she has floods and famines and cholera and other plagues. She doesn't even appreciate the value of a tree. Every year at the beginning of the fourth month comes the Ching-ming festival when the Chinaman goes back home to worship at the tombs of his ancestors. He has been in the habit of breaking off branches of a few precious trees which remain to use as decorations. Joseph Baile, the missionary agriculturist of Nanking university, seized on the idea of converting the Ching-ming festival into a national arbor day for the planting rather than the destruction of trees. The proposition was passed on up to the president of the republic and so ordered.

Breathe Deeply. The Brooklyn Citizen: Recall all of the best singers you know and you will find that the majority of them are usually well developed in the throat and chest. Singing is a splendid exercise when considered in connection with the vital necessity of deep breathing. It is recognized as absolutely necessary for perfect health, and even if one cannot sing, at least the effort, if rewarded with good health, is not to be despised for its beneficial effects.

# FOR NERVOUSNESS

Mrs. Kate Magill, of Hendrickson, Mo., says: "Camur did me more good than any medicine I have ever taken or expect to take for nervousness. . . I had a . . . which completely wrecked my health. . . I thought I was going into consumption, my friends thought so. When those spells would come on I would feel like I was going to die, my hands and feet would get cold. . . This condition lasted for four months. Then I began to take CARDUI. Before I had taken one bottle I felt as if I would never have another one of those spells; but I kept on until I had taken two bottles, because I wanted to be completely cured. . . I am only too glad that I can write these few words. . . that some lady may be benefited by this great medicine the same as I have." Try—
