OLD OCTOBER. Old October's part nigh gone, And the frost is comin' on Little heavier every day—

I love old October so, I can't bear to see her go. Seems to me like losin' some old home relative, or chum,

D. A. R. Meets Tomorrow. The Keokuk chapter D. A. R. will be entertained tomorrow afternoon by the vice regent, Mrs. W. G. Blood.

IMPORTANT NOTICE TO KEOKUK TRADE

Garments above \$45.00—We guarantee both model and color exclusive. Garments from \$25 to \$35—We guarantee model and one color only and furthermore reserve the right to change style of original model.

This is indeed favoring the trade and best that can be done and no successful growing Ready-to-Wear business can control matters differently.

Quincy and Burlington buy FOR STOCK 1/2 dozen to a dozen of finer models all alike. I stand ready to prove this. We do not. Do you realize that the best factories in New York will take no interest in our orders.

You've either got to give your Keokuk merchants a chance to grow on a city basis or be contented with small stores. You town can not and will not grow otherwise.

Some of you have gone to other cities and returned with practically the identical models we sold your friends. This occurs every season.
