NEW FACES IN C. A. NEXT YEAR

Sale and Draft Will Reduce Number of Stars Before Season Opens in Justice Circuit Next Spring.

SOME NEW MATERIAL IS IN GOOD CONDITION

Frank Boyle of Marshalltown, Only Manager Who Has Been Hired for the Coming Year.

Central association fans will see many new faces during the coming season. The list of players reserved for next season does not include the names of a number of players who have been in the organization for several years, while several of those included have since been drafted.

By the time the drafting season is closed it is expected that others will be taken, so that many of the stars of the past season will be in leagues of higher classification when the baseball season opens next spring.

Mason City has only seven players on its reserve list and it is certain that not all the players included will be returned next season, so that club will be composed almost wholly of new players next year.

No New Leaders.

No new leaders have been announced so far for next season, although a majority of the clubs are seeking new managers.

Marshalltown—Le Beau, Murphy, Lee, Prough, Ryan, Lunte, Eunick, Slattery, Richmond, Snow, Torkelson, Hammerschmidt, Uch and Cahill, suspended.

Cedar Rapids—Hofmann, Widener, Mellinger, Berger, Gossage, Reese, Giffen, Batchley, Shanley, O'Day, French, Harmon, Collins.

Waterloo—Zackert, Brannigan, Miller, Ens, Westerwick, Neusel, Donahue, Flaherty, Hofmann, Greisch, Hofer, Swick, Whaley and Tobin, suspended.

Mason City—Black, Brown, Brauser, Corey, Fitzpatrick, Weeks, Miller.

Muscatine—Hruska, Flanagan, Kinsey, Pinkerton, Runser, Sheldon, Martini, Reinhart, Durham, Kennedy, Masters, Suman.

Ottumwa—Sargent, Audler, Link, Wright, Kuhn, Gregory, Keller, Morgan, Marr, Theising, Meinert, Blunk and Parks.

Clinton—Menne, Schliebner, Brown, Wilkes, Nolt, Miller, Sears, Kluckholm, Byers, Carrigan, Jim Drohan and Watkins, Brown, Hawk and Henning, suspended.

Fort Dodge—Turgeon, Erliff, Merritt, Dasher, Lane, Huggins, Sutton, Happe, Coffin, Lizy, Hanson, Horan.

Houck is Blind. NEW YORK, Oct. 17.—Tommy Houck, once a noted middleweight boxer, is totally blind, it was learned here today. The physician who attended the pugilist made the statement that the blindness was due to contact with an unclear glove in the days when Houck was a preliminary boxer.

Dire Distress

It is Near at Hand to Hundreds of Keokuk Readers.

Don't neglect an aching back. Backache is often the kidneys' cry for help.

Neglect hurrying to the kidneys' aid. Means that urinary troubles may follow.

Or danger of worse kidney trouble. Here's Keokuk testimony.

Mrs. Ellen Greibach, 1512 Bank St., Keokuk, says: "My kidneys were out of order. I had severe headaches and the kidney secretions passed very irregularly. Inflammation of my bladder added to my suffering. Doan's Kidney Pills, procured from Scott & O'Reilly's Drug Store promptly relieved all these troubles and put my kidneys in good order."

HATCH TO RUN HUNDRED MILES

Will Start From Milwaukee Tonight for Marathon to Chicago—May Make New Record.

BAN JOHNSON IS IN IT

Baseball Leader Seems to Favor War on High Prices—Other Moguls Keeping Quiet.

[United Press Leased Wire Service.] MILWAUKEE, Wis., Oct. 17.—Slide Hatch, Chicago marathon runner, today is making final preparations to undergo the supreme test of physical endurance tonight when he begins his 100 mile run from here to Chicago.

Hatch will start at eight o'clock tonight and expect to reach Chicago at one p. m. Wednesday. Track experts look for him to lower the record set in 1907 by Albert Corey, who made the run in eighteen hours and thirty-three minutes.

Hatch is thirty-three years old and weighs 160 pounds.

He is in excellent training from running fifteen to twenty miles daily. He will be conveyed by an automobile carrying physicians for emergency needs.

As Hatch runs he will be handed raw eggs, hot tea and lemonade for nourishment. To light his path during the night run a searchlight mounted on an auto will be used.

ROWLAND GETS ALL THE KNOCKS

Manager of Chicago White Sox Who Went Up From Peoria Two Years Ago, in Unenviable Position.

FALLEN FROM GRACE

Winning of Pennant This Year Would Not Have Offset Knocks of Anvil Chorus of Chicago Fans.

Clarence Rowland, manager of the Chicago White Sox, is an unenvied man. He stands today the topic of derision from a bevy of Chicago fans.

And Rowland's position is a peculiar one. He could have done nothing to correct it even if he had won a pennant for the White Sox.

The credit would not have been his. The Chicago fans, much the same as any other species of fans, would have placed the crown on the brow of another—and would have refused to see it alight elsewhere.

Rowland started this season with a club acknowledged to be strong enough, on paper, to walk away with the American league championship. But he struggled in the depths of second, third, and even fourth place most of the season.

For a short time he had his team out in front, and then began to falter. When the crack appeared in the drive of his men, Charles Comiskey sent out a rush order for Kid Gleason to report.

The kid did report and the White Sox immediately began to come back. The result was that Gleason was given the credit. No matter if it was Rowland's efforts which had elevated the Sox into their final chance at the pennant, Rowland would not have been given the credit.

It would have gone to Gleason. Now the Chicago fans have placed Rowland and Joe Tinker in the same boat. Both of their heads are due to drop, they declare, and they are picking Kid Gleason as the most prominent bidder for the managerial post with the White Sox.

Their critics declare Rowland has had two chances with one of the greatest teams the American league ever saw, but they say he has failed to make good. They have entirely overlooked the fact that Eddie Collins slumped in his hitting and that Red Faber was taken ill at a point where his work would have deserved some commendation.

For the fight he has made with his team, even if he didn't send it hurtling down the season's path to a pennant. It is a good guess that the former minor leaguer will start the season at the helm of the Chicago entry. Joe Tinker's case is different. Tinker had a pretty fair team and he wrecked it to run in some Federal leagues and new talent from the minors. He has failed to build a team and his crown apparently is tottering. But it looks as if the knickers have begun to tear early on Rowland.

Schools for scandal are somewhat crowded.

WANTS CHANGES IN WORLD GAMES

Dave Fultz, President of Players' Fraternity, Thinks Too Much Money is Made From Games.

BAN JOHNSON IS IN IT

Baseball Leader Seems to Favor War on High Prices—Other Moguls Keeping Quiet.

[By H. C. Hamilton, United Press Staff Correspondent.] NEW YORK, Oct. 17.—Dave Fultz and all the rest of the baseball gang are tearing around New York today emitting howls, just like they had something to do with the decisions of the national commission.

Dave and the rest of them are satisfied there is something radically wrong with the way the world's series is conducted and they're flinging suggestions for its next stand with little regard for the bystander.

Fultz, president of the baseball players' fraternity, managed to have something to say about the players when he was asked how many games he thought should be included in a world's series and handed out the tip that he is getting ready to kick and kick hard when the national association holds its annual meeting November 10 in New Orleans.

Fultz said he is tired of the way the minor leagues have been run and he proposes to put a stop to it. He says he has four demands and a hunch. The demands are for the betterment of the game and the hunch is that they will be granted.

The rest of the baseball topplings can see a dismal future for baseball unless the world's series games are changed and the huge sums which go to players cut down. Also some of them seem to think too much is charged the public for the privilege of watching the big encounters.

Ban Johnson started it when he got the idea that he was going to stick his fingers in and change things all around. Considering that this is one of the best things Johnson does it must be admitted the world's series is facing a shaky future.

Ban says he doesn't like high prices and such stuff, but he doesn't say that he had worn his voice out trying to stave them off in the series just stowed away. He did intimate, however, that he is considering a protest before he allows any such a thing next year.

Johnson and Arthur Irwin, who is business manager of the Toronto International league club are about the only ones who have voiced any hearty opinions. The club owners are keeping their secrets. Fultz says he has some ideas, but he isn't going to pass them out right now.

AUTO DRIVERS TRY CARTHAGE TRACK

Lee Oldfield Getting Car in Trim for the Race Meet Next Wednesday and Thursday.

Early this morning drivers, and mechanics were out at the Carthage fair ground track and busily engaged in tuning up and overhauling the racing cars for the big race meet, which will be given under the auspices of the Carthage Fair association, at the Carthage fair grounds, this coming Wednesday and Thursday, October 18th and 19th.

Six of the racers who will take part in the professional auto race meet, are now on the grounds, and others are expected to reach town before another day is over.

Jerry Wanderlick, who holds several dirt track records, in the state of Minnesota, King Kelley, the Chicago millionaire driver and sportsman, Guy Doyle, Lee Oldfield, Captain Harvey Kennedy, and Adolf Corlitz were early arrivals and they are anxiously awaiting the Gasoline Fiesta.

Carthage motor fans are aroused over the coming race meet, this Wednesday and Thursday. Many proclaim that the event will be the best ever staged in this vicinity.

It is a fact that there will be more fast cars and well known drivers than ever seen on a half mile track before. This reason alone should make the coming two day meet a

between the two latter teams, Memphis.

[Special to The Gate City.] MEMPHIS, Mo., Oct. 17.—Memphis high school won from Milton, 7 to 0, Saturday afternoon, one of the best contests that has ever been fought on the Memphis field.

Milton had the reputation of having one of the best teams in the southern Iowa high school conference and the school has some claim to that distinction, having defeated Keokuk, high 17 to 0, and southern Iowa normal school 32 to 0, so to win from them also places Memphis among the contenders for a place among the high schools in northeast Missouri and southeast Iowa.

The game was won on its merits since Memphis has gained wonderful strength in the past two weeks under the strict supervision of Coach Moore. He has taken a squad of inexperienced boys and developed them into a well balanced team.

Milton kicked off to Memphis and Memphis was held for downs and Milton threatened to score during first quarter but by bad dog tenacity Memphis was able to hold on her own five yard line and at the same time stop the line plunging of Kays and Johnson of Milton, who have had such wonderful success against teams they have played so far this season.

Memphis held safe during the first half and gained possession of the ball in middle field during the third quarter when, by successive line plunges by Roy Moore, Gordon Moore, Knott and McDaniel, the team was able to place the ball on Milton's eight yard line and send Forrester around right end for a touchdown, which was the first against Milton this year.

Gordon Moore kicked a pretty goal and this ended scoring for either team. The ball was then kept in middle of the field without either side threatening to score.

The game was refereed by Morris, American School of Osteopathy, Kirksville, and he gave entire satisfaction; Gwinn of Memphis, umpire, and Mason was head linesman.

Clino is Winner. PHILADELPHIA, Pa., Oct. 17.—Patsy Clino outpointed Buck Fleming.

Billy Jordan Dead. [United Press Leased Wire Service.] SAN FRANCISCO, Oct. 17.—Billy Jordan's cry of "let 'er go" with which for forty years he had started prize fights on the Pacific coast is silenced for ever.

For the veteran announcer, known to every sporting man in the country, was buried today at the Soldiers home in Yountville. As a veteran of both the army and navy during the civil war, Jordan was accorded full military honors.

Several hundred sporting men and boxing enthusiasts attended the funeral and paid a final tribute to the old man.

RAISE PRICE OF FOOTWEAR

Shoes go up Fifty Cents Higher, Because There is Shortage in Leather.

PITTSBURGH, Pa., Oct. 17.—Wholesale prices on men's and women's footwear have been advanced 50 to 75 cents a pair within the last seventy-two hours, and certain lines have been withdrawn entirely from the market owing to a shortage in leather, according to announcement here today by officers of the Pennsylvania Shoe Travelers' association.

The organization, composed of salesmen assigned to this territory, was formed last night. Many letters were read from firms announcing an advance of 37 to 60 cents a pair on upper stock, and 8 to 10 cents a pound on sole leather.

San Francisco's board of education has requested the mayor and supervisors to submit to the voters a proposition to issue \$6,000,000 in bonds, the proceeds to be used for new school buildings. There, as elsewhere, the demand for education outruns the facilities.

SCRAPS

Crown is Secure. PHILADELPHIA, Pa., Oct. 17.—Kid Williams' crown is just as secure today as it ever was. The bantam champion fought Al Shubert, New Bedford, six sizzling rounds at the Olympia Athletic club here last night. Shubert landed quite a few clean blows and had there been any steam behind them, they might have done some damage.

To Fight Tonight. BOSTON, Oct. 17.—Jack Britton of Chicago and Kid Lewis will battle tonight at the Army Athletic association and the winner is certain to claim the world's welterweight championship.

Got Severe Beating. BALTIMORE, Md., Oct. 17.—Dick Loadman, the mauling Irishman of Philadelphia, gave Eddie O'Keefe of Pittsburgh a most severe fifteen round beating last night at Albaugh's. Loadman could have stopped the bout any time after the fifth round.

Scores Knock Out. ROCHESTER, N. Y., Oct. 17.—Harry Donahue knocked out Joe Goldberg in the sixth round.

Second Victory. COLUMBUS, Ohio, Oct. 17.—For the second time in a year Johnny Griffiths of Akron outpointed Bryan Downey here last night.

Won in Four Rounds. CINCINNATI, Ohio, Oct. 17.—Joe Haley, local bantam, disposed of Eddie

Andre as Pavley in "Prince Igor," w/ the Pavley & Oukrainsky, Russian Ballet, Gra nd, Oct. 21.

Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ash, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomaine-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick head ache, colds, biliousness, constipation, others who wake up with bad taste foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.
