

Victor Record of "Habanera" sung by Farrar

Farrar in the title role of Carmen

Both are Farrar

The Victor Record of Farrar's voice is just as truly Farrar as Farrar herself.

The same singularly beautiful voice, with all the personal charm and individuality of the artist.

To hear the new Carmen records by Farrar is to be stirred with enthusiasm, just as were the vast audiences—the largest ever assembled in the Metropolitan Opera House—which greeted her performance of Carmen, and acclaimed it the supreme triumph of this great artist's career.

The proof is in the hearing. Come in and we will gladly play for you any of the sixty-two Farrar records, or Victor Records by any other of the world's greatest artists.

There are Victors and Victorolas in great variety of styles from \$10 to \$250, and we will arrange terms to suit your convenience.

Constipated - Bilious ?

Mr. Cressman Howell reports his own case from Home City, Kan., saying: "I suffered awfully with liver trouble. I was always constipated, which was followed by severe bilious attacks. Since taking Theodor's Black-Draught I am relieved of those sufferings. I do not say I am completely cured, for I never take the medicine long at a time; just until I feel better. Lots of medicines I have used would get me but they would not have any effect on me, but it is not this way with Black-Draught. I cannot praise it too highly." Try Black-Draught for biliousness, indigestion, constipation, etc. Insist on Theodor's—take no substitute. Price 25c a package—one cent a dose. Your druggist sells it.

CITY NEWS.

A conference was held this afternoon at the city hall between the doctors of the city, the city commissioners, the school board and the supervisors on the question of who would pay for the vaccination of children in cases where parents could not afford to pay for the work. No agreement

was reached at the conference, although several plans were advanced by the various parties interested. The doctors do not feel that they should be called on to vaccinate in cases where there is little or no chance of getting their money back, without some guarantee from county or city. Have your automobile springs made or repaired at Westrow Carriage Works.

Suffrage Meeting Tuesday.

Miss Katherine Scott of Burlington, chairman of the first district Iowa Equal Suffrage association, spoke informally yesterday afternoon at 3 o'clock in the Y. W. C. A. building to a number of local women, urging intensive organization. It is the purpose of the Iowa Equal Suffrage association, through its legislative committee, of which Miss Elizabeth Perkins of Des Moines is chairman, to have a bill introduced in the Iowa legislature at the coming session to give Iowa women the measure of suffrage which the provisions of the state constitution permit a legislature to grant. The legislative committee would like to have back of them every woman in Iowa, hence the intensive organization. A meeting of all Keokuk women interested in suffrage is called for Tuesday afternoon at 4 o'clock in the Y. W. C. A. club room, to re-organize the Equal Suffrage association and for the election of officers. The southern Lee county association, which was under the supervision of the Keokuk women, had the honor to have the only "white precincts" on the Mississippi river on June 5th, when the suffrage amendment carried in Keokuk and in southern Lee county. Having made this record, the local women wish to do their share to aid in the work for the bill to be introduced in the legislature. It is hoped that there will be a large attendance at 4 o'clock on Tuesday. The hour is set for late in the afternoon in order that the teachers may attend the meeting.

THANKSGIVING certainly is as important to the outer as to the inner man—A good suit or overcoat is as essential to the comfort and well-being of the first as a good dinner is to the latter. And while we are content to leave the turkey and mince pie to mother or the good wife, when it comes to the clothes—that's us.

You may depend, absolutely, upon the quality of our clothes. Regardless of the fact that the market and labor conditions are entirely undependable and have forced the average man to think that everything is excessively priced, our tailoring is as fair in price and as high in quality as the most critical man could demand.
