DON'T RISK NEGLECT

Don't neglect a constant backache, sharp, darting pains or urinary disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney Pills as have your friends and neighbors. A Keokuk case.

D. C. Crowley, 825 Bank street, Keokuk, says: "My trouble was caused by riding in the train while railroading. My kidneys were inactive and I had dull pains across my back and loins. I used Doan's Kidney Pills, procured from McGrath Bros. Drug Co. and they relieved the trouble and put my kidneys in good order."

PETE HERMAN TO DEFEND TITLE

Holder of Doubtful Bantam Weight Championship to Face Dutch Brandt in New York Tonight.

TO VINDICATE HIMSELF

Wants to Prove His Rights to Crown Won in Recent Bout With Kid Williams, Former Champion.

[BY H. C. HAMILTON.]
[United Press Staff Correspondent.]
NEW YORK, March 13.—Pete Herman, who defeated Kid Williams and came into a doubtful bantamweight championship a short time ago, will make his first appearance in New York tonight when he faces Dutch Brandt, a local miniature.
Pete is here to vindicate himself. He wants to prove to New York where they have come to be Missourians when fights are considered that John Ertle isn't a champion at all, foul in Wisconsin or no foul.
Herman has Referee Rocap's decision to back up his claim to the crown, while the official who stopped a bout between Williams and Ertle never did make a decision.
Herman is a tiny fighting machine, but like a heavyweight champion. His hands are big and his shoulders are round and smooth. He is pleasant in conversation. Just like all champions, he is a youth who trains every minute he is in a gymnasium.
If he should lose his recently acquired crown tonight he will at least leave behind him the memory of a champion who didn't ask that a section of the moon be fenced off for his benefit before he fought and he would leave the impression of a fighter who can fight a fighter who is willing to fight.

SCRAPS

[United Press Leased Wire Service.]
PITTSFIELD, Mass.—Johnny Norman, of New York, beat Kid Black of Chicago, in ten rounds.

ROCHESTER, N. Y.—Corona Kid of New York was badly beaten by Freddy Haefling, the Wilkesbarre wizard here.

NEW YORK.—Paddy Murphy outpointed "New Al" McCoy in ten rounds.

PHILADELPHIA.—Benny Leonard, New York lightweight, defeated Johnny Tillman, of Minneapolis in six rounds.

YOUNGSTOWN, Ohio.—George Chip, the New Castle miner, is again hot on the trail of "Les Darcy." His performance here in knocking out "Caveman" Bob Moha in the fourth stanza of their twelve round bout. It was the first time Moha had ever been knocked out.

DENVER, Colo.—Otto Wallace, Milwaukee lightweight, won the decision over Kid Mex, of Pueblo, after fifteen rounds of hard battling.

Won by Strength.
[United Press Leased Wire Service.]
CHICAGO, March 13.—Displaying wonderful strength but showing little in the line of scientific wrestling, John Olin, Worcester, Mass., Finnish grappler, pinned Dr. B. F. Roller, of Seattle, to the mat in straight falls here last night. The first fall came in 47.51 with a reverse body lock and the second in 4:50 with a body scissors.

Mt. Sterling Race Horses.
MT. STERLING, Ill., March 12.—G. M. Hatch, a Mt. Sterling race horse man, has taken a string of seven speed horses to Galesburg where he will run a racing stable until the circuit opens. In his string were included: E. D. Harris, Charlie Rex, 2:08½, and Tom Montgomery, 2:11¼; Baby Helen, 2:12¼, and four green ones that are expected to make the mile in remarkable time. Mr. Hatch is expecting to repeat his successes of the last two years. One green colt, bred the same as Russell Boy is giving great promise. A number of other horses from distant points are to be added to the Hatch stable at Galesburg.

William Thebus, Denver druggist and member of the state board of pharmacy, says the first year of prohibition in Colorado boosted the candy industry beyond the dreams of dealers. Many take to sweets as a substitute for drink. "That's fine," comments a Denver dentist. "A fellow can drink if he has 100 holes in his teeth, but say when he gets to eating candy he will have to have those holes plugged up, believe me."

The chemical section of the government of Utah, anticipating more or less drought after August 1, is stocking up with implements to try out percentage of alcohol in various concoctions which may be offered as substitutes for straight goods. The state chemist believes in being prepared for the worst.

UNABLE TO MAKE ANY HIGH SCORES

New Haven Journal-Courier Rolls the Lowest Total in Years at the Grand Rapids Tournament.

LEADERS NOT MENACED

Few Scores Given High Score Men, But Records Were Not Touched in Any Instance.

[United Press Leased Wire Service.]
GRAND RAPIDS, Mich., March 13.—The New Haven Journal-Courier are holding postmortems today over their inability to perform up to their usual standard in the five men event of the American bowling congress here last night. A lowly 2715 was their total, it being the smallest this team has rolled in the international event in years. No leaders in any event were touched, though H. H. Ware and C. J. Dech of Fargo, N. D., gave the doubles leaders, Edwards and West of Buffalo, threw a scare when they shot a 1,287, just 12 pins below the present high mark.
E. M. Matak of St. Paul, featured the singles by spilling the wood for a 680 count. His work was exceptionally good because of its consistency, scores of 223, 224 and 233 being registered.

Teams representing Huntington, W. Va., Erie, Oshkosh, Batavia, N. Y.; Massillon, Ohio; Kalamazoo, Toledo, Chicago, Milwaukee, Elgin and Ashtabula, Ohio, take the alleys tonight.

The five leaders in each division follow:
Five man teams—Hotel Navarres, Toledo, 2,932; Smiths Arcades, Cleveland, 2,908; Schmitt Brothers, Kenosha, Wis., 2,873; Overland Trim Shop, Toledo, 2,863; Pow Ha Tans, Cleveland, 2,854.

Two man teams—Edwards and West, Buffalo, 1,299; Smorowski and Lundgren, Chicago, 1,290; Ware and Dech, Fargo, 1,287; Denny and Hansen, Chicago, 1,295; Gast and Orr, Louisville, 1,203.

Individuals—B. Bradshaw, Cleveland, 690; E. Matak, St. Paul, 680; T. Emery, Port Huron, 663; L. Mackin, Dubuque, 649; P. Brunnett, Cleveland, 644.

BOXERS READY FOR SERVICE

Fighters and Mat Men of Chicago Await Call to Arms, Says Barney Lichtenstein.

RAP IS TAKEN AT DARGY

Americans Will Never Desert Their Country in the Hour of Need, Says Promoter of Affair.

CHICAGO, Ill., March 9.—Boxers and wrestlers of Chicago and its environs are rounding up for military service in case this country finally comes out of its corner and mixes in the European free for all. Practical patriotism has seized the general run of glovesters and maters, who declare that if a call to arms and fists is sounded by the referee at Washington they will be among the first of the civilian horde to scramble through the ropes.

Patriot Barney Lichtenstein, a familiar figure in local sporting circles, has taken upon his own shoulders the preliminary work of recruiting the fistknuffers and scissor experts. Recently he assured Captain Franklin Kennedy and Lieutenant L. M. Stevens, in charge of the army and navy recruiting in this city, respectively, that a whole battalion of boxers and wrestlers could be lined up in this city. None of the athletes, said Patriot Barney, is going to give any one a chance to intimate that he is a "slacker."

Ready for Military Service.

"There is no disposition on the part of the boxers and wrestlers to dodge military service," said Lichtenstein. "There will not be a 'slacker' in the whole bunch of them. What happened to Les Darcy at the hands of Governor Whitman in New York will never occur to the scrappers in this neck of the woods."

"If there is a declaration of war the gladiators hereabouts will be the first to grab up the rifles or stretchers or whatever they may be fitted to handle. The enthusiasm among the boys is sky high and don't forget that the ring artists would be first class fighting men, too. Most of them are in fine physical condition and they wouldn't mind the hardships of the service."

Patriot Lichtenstein told the military officials that Charlie Metrie, George Adams, Jimmy Walsh, "Rabbit" Hedlin and "Spike" Kelly of his stable stood ready to put on the harness of war and gallop into action whenever the word was given.

"Kid" Howard, manager and trainer of boxers, says that all the men doing workout stunts at the Arcade have displayed eagerness to be in line for military service if the country needs them.

Boxers Awaiting a Call.
"There can be no doubt as to how the heart of the boxers beat," said Howard today. "Every one of the men—bantam, feather, lightweight, welter or heavy—stands ready to be among the first in the lineup when the government issues a call for volunteers. The fine condition of the men would make them available for hard work right at the start and I believe every one of them would make the country proud of him."

The boxers argue that since they are fighting men they should be expected to be among the first to offer services to the government promoters.

"We'd be a fine bunch of skates," said a young west side bantamweight. "If we didn't line up for the graft at the front. My old man used to carry a hod, so I see no reason why I shouldn't be qualified to carry a gun. Last summer at Riverview I plinked the target nine out of ten times in the shooting gallery, which doesn't speak well for the future plans of our enemies. I can 'right' a fellow as well as I can 'right' an opponent, and if it ever comes to the goose step I can show 'em the nicest little duck waddle y' ever seen."

"Doc" Krone, who will be 400 pounds heavy if he doesn't give up the marshmallow habit, says he will do the patriotic thing, even if he has to serve as breastworks.
