## LENTEN PERIOD ENDS TOMORROW

Fine Weather for Easter Observances is Promised by Weather Man in Today's Forecast.

### CHURCHES CELEBRATE

Festival Will be One of Special Significance in the Churches Throughout the City.

### EASTER DAY FORECAST.

For Keokuk and vicinity: Fair and warmer.

The Lenten season comes to an end tonight at midnight with the dawn of Easter day, which will be celebrated in Keokuk in the usual fashion. All of the churches will observe the anniversary of the resurrection with appropriate services and there will be special music in all of the churches. Six weeks of denial and sacrifice will be ended at midnight and the Easter festival is one of special religious significance.

This is frequently dwarfed by the fact that Easter is the signal for the donning of new finery and new dresses and hats will make their appearance tomorrow especially as the weather man is promising fair and warmer weather for the occasion. The annual Easter parade promises to have ideal settings, so far as the weather is concerned, at least.

Easter has become more or less of a children's holiday, too, by virtue of the Easter rabbit idea, and the Easter egg myth is by no means especially colored and designed eggs in hidden nests with a note from the Easter bunny.

The Easter season is a season of flowers and the local florists have been busy with orders. Plants and cut flowers are in demand, and even the early spring garden flowers are coming out in time for Easter bouquets.

### ATTENTION MOOSE.

### Suffrage Association Meets.

### EAGLES NOTICE.

All members of Keokuk Aerio No. 683 P. O. E. are requested to meet at Eagle's hall Sunday afternoon at 2 o'clock to attend the funeral of our late brother, John M. Winkler.

H. R. CRAWFORD, W. Pres. CHAS. A. NOAKIES, Secy.

### Daily Stock Letter.

[United Press Leased Wire Service.] NEW YORK, March 30.—The New York Evening Sun financial review today said:

Trading in today's short session of the stock market was negligible in volume and was wholly professional in character. There was a firm undertone to the few industrial shares in which there was transactions.

Traders were agitated by the announcement of Secretary Ely of the stock exchange that the U. S. attorney general has that the stamp tax imposed by the war revenue act of October last on stock transferred applies to the lending and borrowing of certificates of stock. This apparently is a further step in the attempt to put a curb on short selling and undoubtedly will result in daily settlements. The effect on business was not perceptible at first, but toward the closing it was apparent that covering operations were active under way.

# The WARSAW GATE CITY

WARSAW, Ill., March 30.—Mrs. Mary E. Kelly, many years a resident here, but for years residing in Brooklyn, N. Y., passed away in a hospital in Brooklyn Thursday, March 21, her death being due to heart disease. The day previous, she was in her usual good health. On rising Thursday morning she complained of feeling ill and while at the breakfast table was suddenly stricken. Immediately being taken to the hospital, she passed away two hours later without regaining consciousness. The news of her death was a great shock.

Mrs. Kelly was born in Pennsylvania and came to Warsaw with her parents, Mr. and Mrs. Joseph Huston, Sr., prior to the civil war. She was a teacher in the public schools here for several years. She had fine musical talent and for years taught music here, being widely known for her ability in that direction.

She left Warsaw nine years ago for Brooklyn, N. Y., making her home with her sister, Miss Martha Huston. At the time of her death she had a large class of music pupils by whom she was held in high esteem.

The improvements being made on the government levee in the Hunt drainage district are progressing finely, and some substantial work is being done. The assessment of \$30,000 has been ordered by the court which will thus secure the \$50,000 offered by the government. Commissioners Fry, Wehner and Herman have been indefatigable in their efforts for this improvement and are entitled to great praise.

Mrs. George Schaefer is spending the Easter holidays with her daughter, Mrs. John Kearsey, Hannibal, Mo. Warsaw's 10th regiment, N. G. band accompanied by Warsaw's company of reserve militia, hopes to attend the Illinois centennial anniversary at Springfield in October.

D. G. Barker has given up the barber trade and has bought a small farm near town.

The new furnace has been installed in the Methodist church and services will be resumed in the main auditorium next Sunday.

John Huston has returned to his home in Chicago; he was called here by the death of his aunt, Mrs. Mary Kelly of Brooklyn, N. Y.

Mrs. Maria Berdolt, one of the best known and highly respected residents of Warsaw, passed away at her home in this city Thursday, March 21 at 4 p. m., aged 77 years, 3 months and 6 days. Maria Steeber was born in Russingen, Rhein Phalz, Byron, Germany, December 27, 1840. With her parents she came to this country in 1856 and for a short time they lived on a farm in Chill township, this county. In 1857 she came to Warsaw and was married in 1858 to Michael Berdolt. Twelve children were born to this union, three dying in childhood. The survivors are: Wm. P. of Seward, Neb.; Hubert, of Quincy, Mo.; Louis of Hamilton, Ill.; Frank of Lark, North Dakota; Walter of Douglas, Wyoming; Alfred, Julius, Mrs. Clara Mills and Miss Jennie Berdolt of Warsaw. She leaves two brothers, Valentine Steeber of Osceola, Okla., and Phillip Steeber of Byington, Okla.

Her husband died eleven years ago. She was a member of the German Evangelical church from an early age and was identified with all forces for its advancement.

Funeral services were conducted by Rev. J. M. Thompson of the Presbyterian church, assisted by Rev. Lansford of the Evangelical church at the residence Sunday afternoon at 2 o'clock.

Louis Berdolt of Hamilton; Frank Berdolt of Lark, North Dakota, and Wm. P. Berdolt of Seward, Neb., were called here by the death of their mother, Mrs. Maria Berdolt. Others present at the funeral were Mrs. Mary Yarnell of Bowen; Mrs. Emma Wolter of Montrose and Mrs. Chas. Graham of Chill.

Rev. J. M. Thompson recently visited Mrs. M. C. O'Connell at Benjamin Harrison, Ind. He reports him in fine health and of course in fine spirits as he had just received his second promotion, that of sergeant from corporal. He is attached to the medical corps.

The hour for Sunday school at the American Methodist church next Sunday morning will be devoted to an Easter program of music, recitations and an Easter address.

This accident cannot be attached to any particular person or persons, but observation has made known that both boys on bicycles and auto drivers all over Keokuk are very lax in observing traffic rules. This is the second lad within the week to escape death and there is some speculation as to whether the next one will be as lucky.

It is fine for quick relief from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds on the chest (it often prevents pneumonia).
