VISITING NURSE BOARD MEETING

Directors Learn of the Increased Activity of the Nurses in Factory Cases During the Last Month.

REPORTS ARE MADE

Mothers' Meetings are Scheduled by Association with Nurses to Give the Lectures and Instruction.

The board of directors of the Visiting Nurse association met this morning and the following members were present: Miss Collier, Miss Trimble, Miss Irwin, Miss Alton, Miss Buck, Miss McGrath and Mrs. Hobbs. The reports of the nursing service were given by Miss Brown. Two hundred and eighty-four calls were made in the district nursing service, 217 in the Metropolitan nursing service, eighteen visits for tuberculosis work, and thirty in the infant welfare work. In many towns, a great feature is made of industrial nursing. During the past two months the Keokuk visiting nurses cared for twenty-four factory cases, which necessitated making 192 visits; and twelve factory cases which were also Metropolitan cases, to which 122 visits were made during January and February.

The secretary's report made by Miss Irwin and the treasurer's report made by Miss Buck were accepted. Miss Trimble reported that the social service committee supplied four families with food, ten with clothing, four children with shoes, hospital care for a patient, and coal to families. Expenditures: Shoes, \$11.75; groceries, \$12.79; meat, 50c; stockings, \$1.00; coal, \$3.00; hospital bill, \$35.75; milk, \$9.92. During the past month Mrs. Gregory made for the loan closet many pairs of mittens from yarn donated by the Red Cross, and Mrs. Wiggins knitted for the loan closet, a dozen pairs of children's stockings.

The public health nurses of Keokuk all contributed to the memorial to the nurses who died in service during the late war.

Mothers' Meeting Schedule.

A week from Wednesday there will be a mother's meeting at Rock Hall. Miss Brown and Miss Zichy will arrange the program, and Mrs. Hobbs and Miss Irwin will furnish the refreshments. There will also be a mother's meeting at the People's Institute this month, the date to be announced later; Miss Trimble and Miss Alton will furnish refreshments for this meeting. On account of the epidemic and the prevalence of illness this winter, the mothers' meetings were discontinued, but now it is hoped that every month three such meetings will be held, one at the Y. W. C. A., another at Rock Hall, and a third at the People's Institute, so that these constructive infant welfare work will be carried out.

Miss Younker asked for permission to try to get Miss Imlay and Miss Roberts of Ames, here for a food demonstration during the health week which the association is planning to sponsor in May.

The Visiting Nurse association formally made application for affiliation with the Red Cross. In doing so it in no way loses its identity, but merely accepts Red Cross standards of work and co-operates with the southern Lee county Red Cross nursing service.

Miss Isabel Kellman of Des Moines, talked to the board. She said that when you were close to work you were doing, you might not see the full effect; but from the perspective which she has, she knows the Visiting Nurse association has done and is doing a big piece of work. She is especially interested in tuberculosis work, and called attention to the stimulus a nurse could give tuberculosis patients by explaining themselves as well as others and thus limit their chance of recovery. Self interest is strong in every one and when a patient really sees that he is injuring himself, he usually listens. She illustrated her point by cases she had visited in Keokuk.

He Prefers Jail.

[United Press Leased Wire Service.] CHICAGO, March 2.—Jacob S. Cook, 33 years old, was in jail today because he refused to be married. Cook was driven at the point of a revolver, by his prospective father-in-law, to the license bureau. Charles Bleistein, head of the International Lumber Dealers' association, demanded that Cook marry his daughter, Minnie, 22. "I want to be arrested," yelled Cook. Detectives rushed up, took away Bleistein's revolver and placed Cook in a cell.

The HAMILTON GATE CITY
HAMILTON, ILL. MARCH 2

The death of Mrs. Kate Hanson Cochran, wife of Charles Cochran, occurred this morning at St. Joseph's hospital following an operation. The news of the passing of Mrs. Cochran is received with profound sorrow throughout this community. She was a friend in the truest sense of the word, the kindest to neighbors and her loss is greater than mere words can express. The early years of her life were lived at Fairfield, Iowa, where she received her early education, later graduating at Parsons college at that place. The greater part of her married life has been spent in and near Hamilton. Beside her husband two young daughters, Charlotte, age ten, and Miriam, age three, are left bereaved. She is also survived by an aged mother, one sister, Mrs. N. M. Cochran, of Wythe township, and a brother who lives at Burlington, Iowa. In religious faith she was a Presbyterian, exemplifying in her daily life true Christian grace. She was a member of Chapter U. P. E. O., and in her death the sisterhood loses one of its most faithful members. At this time the funeral arrangements have not been made.

Mr. and Mrs. Lawrence Miesey are moving today into the Sam McOce property from Carthage. Mr. Miesey will be local manager of the telephone company.

Misses Eva and Viola Crouch returned Monday from the south where they have spent the past winter months.

Mr. Henry Dadant entertained a number of his men friends at a supper at his home Friday evening. The Hamilton Dramatic club will give a play at the Photoplay house Friday evening for the benefit of the local fire company. This is a most worthy object and it is to be hoped that the citizens will remember the faithfulness of our firemen and even in this small way show their appreciation of their loyalty to duty.

The sad news was received by F. W. Garretson of the death of his niece, Mrs. Clara Collier Garretson, from influenza, which occurred at Chattanooga, Okla., Sunday. The death is an especially sad one as she

leaves beside her husband five children. The body will be brought to Keokuk for burial. Mrs. Garretson visited in Hamilton a number of times and her loss will feel the greatest sorrow in her death.

Miss Vera Dumbauld is ill with scarlet fever at the home of her grandparents, Mr. and Mrs. Peterson.

Mr. and Mrs. Lloyd Turner of Dallas, Ill., spent the week end with Hamilton relatives.

Mrs. Roy Wilson of Ft. Madison, is visiting her parents, Mr. and Mrs. Roth.

Miss Delcie Crowder visited over Sunday with Mr. and Mrs. Wm. Murphy at Macomb, Ill.

Rev. Dr. Hoover, president of Carthage college, gave a most excellent sermon at Bethel Presbyterian church Sunday morning.

The army tank which is in Keokuk was brought over to Hamilton Friday morning by Sergeant Harry Squires and Corporal Frank Powers. In the morning it attracted a large crowd down town. After dinner a demonstration was given back of the public school showing its wonderful power in climbing the hills and going over deep ruts. The school children were most kindly treated by the officers in charge and shown the construction in and out of the tank. But like the "pied piper of Hamelin," when the tank left for Oakwood for further demonstration, the charmed children followed, nor did they make their reappearance at school until the tank returned to Keokuk. On Saturday, owing to a change of their plans in Keokuk, another demonstration was given and many of the farmers brought their families in town. In the evening Manager Ritz in connection with the regular moving pictures, had a film showing the tanks in action in France which was enjoyed by a crowded house.

Mr. Wm. Cochran has sold his beautiful residence property to a gentleman from Dallas, Ill.

Mrs. R. L. Bond and little son, Frederick, will return this week from near Gary where she has been visiting her parents.

Seattle Casting Heavy Vote for Mayor Today With Fine Weather and Intense Interest.

[United Press Leased Wire Service.] SEATTLE, Wash., Mar. 2.—Seattle registered a heavy vote today in its election of a mayor.

This is the first election since the general strike of a year ago when Mayor Ole Hanson gained fame as a strike buster with an iron hand. Voters today were deciding whether to have as mayor a man who helped direct the general strike, or a man who at that time was in the American army.

The candidates are Major Hugh Caldwell, so-called "Americanism" candidate, and Jas. A. Duncan, secretary of the labor council.

The polls opened at eight a. m. The weather was fine. Predictions of an 80 per cent vote were made. This would bring out more than 75,000 voters before eight p. m. when the polls closed. Major Caldwell, odds of 3 to 1 on him were posted in pool rooms, but were not taken. Even money was posted Caldwell would not beat Duncan by more than 3,500 majority.

Half a Pineapple
Crushed to Flavor One Jiffy-Jell Dessert

Here is one example of the wealth of fruit in Jiffy-Jell desserts. We crush pineapples in Hawaii—fruit too ripe to ship. The juice of half a fruit is condensed and sealed in a vial to flavor one pint dessert. Yet the whole dessert costs but a few cents, ready at your call. So with eight rich fruits which come in Jiffy-Jell. All are made from crushed fruit, all are abundant. All come in liquid form, condensed and sealed in glass—a bottle in each package.

People need fruit daily. Now, when fruit is costly, this is an ideal way to serve it. Complete desserts. Jiffy-Jell comes ready-sweetened. It is acidulated with evaporated fruit acid. A rare-grade gelatine is in it, and the fruit-juice essence in a vial. You simply add hot water as directed on package, and let cool. Then a package of Jiffy-Jell serves six people in mold form, or twelve if you whip the jelly. Yet this fruit-made dainty, rich in fruit, costs a trifle. It costs less than serving apples.

Real-fruit flavors in bottles
Mark this Jiffy-Jell distinction. Note how it differs from old-style quick gelatine desserts. Jiffy-Jell alone has these bottled fruit-juice essences. Jiffy-Jell desserts are fruit-made dainties, rich in fruit. The fruit taste is not mere flavor and not artificial.

'Twill delight you
Try Jiffy-Jell in various fruit flavors. Try lime-fruit flavor for a tart green salad jelly. Try mint for a mint jelly to serve with meats. Learn what these dainties mean to you. Compare them with old-style desserts of this type. We offer you choice of several 50-cent molds if you will do this, and at once. Cut out our offer so you won't forget.

tee call for an expenditure of \$10,000,000 in 1921. Improvements are also needed at the San Diego and Puget Sound naval bases, Badger said.

The board's plans also call for enlargement of the naval yard at Mare Island and the establishment of torpedo and submarine bases at other points along the coast.
