RACE RIOT RESULTS

IN TWO DEATHS

men. They are said to have been seriously wounded.

In response to an appeal, 150 former doughboys members of the American Legion post here, volunteered to patrol the city.

Glennan, an onlooker, was deliberately shot down by the negro, Harper. Instantly a dozen guns barked and Harper dropped to the ground, his body riddled.

The sound of shots was the signal for reinforcements for both sides, but after the first volleys the shooting developed into casual fire.

Green's arrest was accomplished by the posse of 1,000 armed men, who surrounded his home and found him, fully clothed, in bed.

The casualties included:

Dead: LAWRENCE GLENNAN, high school boy, white.

ARTHUR HARPER, negro.

Wounded: F. S. McHenry, baker, white.

A. W. Mibeck, jeweler, white.

Fred Kelly, barber, white.

Norman Dickens, negro.

The rioting started at 7 p. m. and continued for two hours, when ex-soldiers and police finally succeeded in clearing the streets.

When the rioting started, police ordered all theaters closed and banned public gatherings.

Following the initial clash, both sides gathered reinforcements and continued the battle. During lulls, combatants would enliven the situation by shooting from doorways.

Lynching is Expected.

INDEPENDENCE, Kans., Dec. 17.—Despite a heavy patrol of service men, belief grew here today that only a leader is necessary to carry out the evident determination to lynch Noble Green.

With the jail surrounded by several hundred whites, indications were that the black prisoner might yet pay with his life for the alleged murder of suburban grocer, R. R. Wharton.

Ralph Mitchell, baker, who last night partially identified Green as the negro who robbed the Wharton store, today made positive his identification. This was being withheld from the public. Further trouble is feared when it becomes generally known.

PHYSICIANS FOR SCHOOL

Doctors Formally Endorse the Building of New High School, the Proposed Site and Bond Issue.

The proposed new high school building has received the endorsement of the doctors of Keokuk, who have formally recognized the need for the new building and have declared the present one inadequate from the standpoint of health and hygiene.

At a recent meeting of the Physicians' club its members went on record as endorsing the new building.

The resolution read: That the Physicians' club favors the new high school, endorses the site and favors the bond issue prepared for the reason that from the standpoint of health and hygiene the present building is inadequate.

The vote favoring the new building was unanimous when taken at the Physicians' club meeting this week, practically all of the doctors present expressing themselves on the subject.

Fight Over Pointdexter Bill. [United Press Leased Wire Service.] WASHINGTON, Dec. 17.—A fight over the Pointdexter bill prohibiting strikes in interstate commerce, impended in the senate today.

The senate with about a dozen of its members present, passed the measure yesterday in the course of routine business without debate. Any of the opponents of the measure could have stopped it with a simple objection to

its consideration but none was present and so the bill slipped by.

Later Senator LaFollette, Wisconsin, made a motion for reconsideration. LaFollette's discussion of his motion is expected to precipitate the fight on the measure in which neither side appears certain of its ground.
