**Beauty Secrets for Women**

A woman's fondest hope is to stay young. She often resorts to paints, powders and cosmetics to hide her years. Some women pay large sums to so-called "Beauty Doctors" in the belief that money will buy youth. Others wear girlish dresses, thinking they can fool the world about their age. But no one is deceived. The more you try to hide your age, the more it shows.

There is but one thing that holds old age back, and that is health. Sickness and weakness bring old age early in life. Dr. Pierce's Favorite Prescription is a building-up medicine for women. It makes them healthy and strong when they suffer from women's troubles. It keeps them looking young by keeping them well. It is a woman's tonic for the frail, the delicate and those who are nervous, dizzy and who have headache and dragging pains. Favorite Prescription is altogether vegetable and without a particle of alcohol. It is safe to take. Try it now. In tablet or liquid form at all druggists, or send 10c for trial package of the tablets to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y.

**Just taste the rich cream of this Picardy sauce**

JUST plain boiled vegetables—onions, peas, carrots—how tiresome they are. But add a sauce with all the rich flavors of butter and cream and with just a piquant dash of something sour—an inviting balance of flavors—then you have a dish fit for a king.

Libby's Evaporated Milk makes the rich cream quality of this sauce. It is pure rich dairy farm milk with more than half the water taken out of it—nothing at all put in—which gives twice the butter fat of ordinary milk. It cooks like cream. Order a supply from your grocer today.

**Pure—Economical—Convenient**

**Onions in Picardy Sauce**

1-3 cup Libby's Evaporated Milk 2 tablespoons melted butter  
2-3 cup water 1-4 teaspoon salt  
2 tablespoons flour 1 tablespoon vinegar

Boil eight medium sized onions until tender. Mix milk with water; heat to boiling and thicken with flour rubbed smooth with melted butter. Cook two minutes, stirring to avoid lumps. Add salt and vinegar. Pour sauce over onions and serve.
