Electric Bitters,
Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt.

A prompt use of this medicine has often averted long and perhaps bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness, yield to Electric Bitters. Fifty cents and \$1.00 per bottle at C. W. Housion's Drug Store.

NEW GOODS....NEW GOODS.

...Remember...

At the right time and right prices. We want your trade and will give you good treatment. Have always extended you accommodations, and now that prosperity looms up and the new Tariff Laws are in effect, you will see wonderful improvements. Our good judgment told us months ago to buy our heavy goods and we own them lower than any house in Exira. Our Fall and Winter Goods are arriving daily and our prices will be as they have been heretofore--the lowest Exira ever witnessed.

...One word in regard to this strictly cash business. We have extended you credit when you needed it. Not that we were rich and could afford to, but we done it to accommodate you. Our business will be continued as heretofore.

...We didn't sit around when corn was bringing 6c a bushel with no reasonable goods to supply your wants. We bought the goods you needed and sold them to you right and will give you close figures on our and winter bills.

...All the Shoes that the little Tots, the boys and girls, old ladies and gentlemen, will need for honest wear, for school, for comfort, for style, will be found in our store. Don't buy any school shoes until we show you ours.

...The Best Men's...
