

J. FRUSSELL

NOW FOR NOVEMBER.

In order to greet this, the opening winter month in a manner befitting its importance, we have made some prices on warm stuffs which are irresistible trade bringers. Not on poor shoddy goods, bought for the purpose of advertising cheap prices, but good honest depend-
 -handse, selected at random from our stocks. Not an offering of 4c hose or socks--goods you do not want--but an offering of goods you do want, and need. The kind that will give you satisfaction and comfort and pleasure.

At 29c a yard We offer all wool Dress Goods. 38 inches wide. Novelty Mixtures. Seven styles. Per yard 29c.

Wool Cotton Blankets.

This is good Blanket weather, isn't it? Need some, do you want you to see our stock. We struck a "win" on wool blankets this year. We have those little thin cotton blankets too, which many stores will show as evidence that they sell cheap. The only difference is that ours are just a trifle heavier and a trifle larger than any we know of. Perhaps we are losing just a trifle more on ours than other stores on theirs. Anyway we are not blowing about it. We wouldn't be any smarter, nor our other goods any cheaper if we sold them for even less than we do now. We are blowing about the goods you want.

Cotton Blankets Weight 5 pounds. Size 70x83 inches. Price..... \$1.48

Wool Blankets Weight 4 1/2 pounds. Size 60x82. Gray color. Soft and fine. Worth \$5.00. November price..... \$3.45

We offer Children's Fleece Hose at 15c and..... 20c

We offer Children's Wool Hose at..... 25c

We offer Men's Wool Socks worth 18c for..... 12 1/2c

We offer--if you want them--Ladies' Fleece Hose at 10c, and Children's Wool Hose at 8c a pair. We mention these because some of these stores selling cheap stuff, will likely be advertising them, or if they don't advertise them, they will put them in their windows, or hang them outside, or if you go in they will probably show them with a great gusto as evidence that their money is different than ours, and that other stores can't possibly sell goods so cheap. It's pretty near so, tho--for we do have hard work to sell them at all--But that's not what they will want you to believe.

CHENILLE TABLE COVERS.

A little purchase, just arrived, at prices much below regular values.
