## WHERE DOCTORS FAILED TO HELP

Lydia E. Pinkham's Vegetable Compound Restored Mrs. Green's Health—Her Own Statement.

Covington, Mo.—"Your medicine has done me more good than all the doctor's medicines. At every monthly period I had to stay in bed four days because of hemorrhages, and my back was so weak I could hardly walk. I have been taking Lydia E. Pinkham's Vegetable Compound and now I can stay up and do my work. I think it is the best medicine on earth for women."

—Mrs. JENNIE GREEN, Covington, Mo.

How Mrs. Cline Avoided Operation.

Brownsville, Ind.—"I can say that Lydia E. Pinkham's Vegetable Compound has done me more good than anything else. One doctor said I must be operated upon for a serious female trouble and that nothing could help me but an operation."

"I had hemorrhages and at times could not get any medicine to stop them. I got in such a weak condition that I would have died if I had not got relief soon."

"Several women who had taken your Compound, told me to try it and I did and found it to be the right medicine to build up the system and overcome female troubles."

"I am now in great deal better health than I ever expected to be, so I think I ought to thank you for it."—Mrs. O. M. CLINE, S. Main St., Brownsville, Ind.
