When You Take Cold

With the average man a cold is a serious matter and should not be trifled with, as some of the most dangerous diseases start with a common cold. Take Chamberlain's Cough Remedy and get rid of your cold as quickly as possible. You are not experimenting when you use this remedy, as it has been in use for many years and has an established reputation. It contains no opium or other narcotic. For sale by J T Kearney.

BAD COLDS FROM LITTLE SNEEZES GROW

Many colds that hang on all winter start with a sneeze, a sniffle, a sore throat, a tight chest. You know the symptoms of colds, and you know prompt treatment will break them up. Dr King's New Discovery, with its soothing antiseptic balsams, has been breaking up colds and healing coughs of young and old for 47 years. Dr King's New Discovery loosens the phlegm, clears the head, soothes the irritated membrane and makes breathing easier. At your Drugget, 50c.

Doe-wah-jack presents the wonderful Round Oak Double Burner

The sound investment in a stove cannot always be determined the first year. It takes years to demonstrate the true worth, efficiency and superiority of a heating stove. However, there are certain facts which point out the stove that renders the greatest service.

Its seamless ash pit with door ground on, is proof positive of fire control; its double fire pot and grate construction, make possible

the saving in the consumption of all fuels; its boiler-iron body, extra-heavy; its boiler-iron body, extra-heavy, assures a generation of service; its doorframes riveted on, gas-tight, assure strong and air-tight fitting. There are three other features which we want you to know about.

If possible examine the stove itself--or, if you prefer, we will gladly mail you the large illustrated book describing this specialty.
