LETTER FROM MRS. DeELL.

Erik, Nebraska,
10-10-16

Dear Ma:--

While I am waiting for Arthur to come to breakfast I will write to you. You addressed your letter to Rik instead of Erik so I did not get it for a long time. We will finish our hay today if the Lord Will. It is getting some cold here have to begin to think of winter again. I have seven quarts of tomatoes canned and I have two boxes of ripe ones now to cook up and we have been eating them right along. And a lot of them froze. My I must of had 10 bushel on the vines. My cabbage did not head only a few. I guess it was too dry. We had a wagon load of citron with the top box on and

then piled up and a load of squash and we have nice potatoes and will have some beans if we get them taken care of. I was the only one around here that had a garden everyone tells me, and they ask how I did it if I watered it. I tell them all I did was to hoe. We have watermelons yet The boys come to steal them but Mr. DeEll was on the lookout.

Mr. and Mrs. Charles Foss and family, who reside in Audubon township, were entertained Saturday and Sunday at the James Channon home.

Mr. and Mrs. James Carlsen and daughter Marjorie, autoed up to Audubon, Sunday, and spent a few hours with the Holgar Andersen family.

It is with regret that we learned of the serious illness of little Clara Malstrom, daughter of Mr. and Mrs. Charles Malstrom, who formerly lived in Exira but who are now residents of Audubon. For several days last week the little one's life was despaired of, but she is now on the road to recovery. The child is a cripple but is loved by all who know her on account of her cheerfulness despite her misfortune.

Mrs. Baumgartner returned Sunday from Dedham, where she enjoyed a short visit with her daughter, who is residing there.
