OBITUARY.
Last week it was a painful duty to record the death of Mrs. Sarah Green. Today we are called upon to write the obituary of the aged partner of her joys and sorrows for over 69 years—a period seldom surpassed in the annals of marriage.
Andrew N. Green was born in Onedia county, New York, May 29, 1822, was married to Sarah Kingsley Oct. 17, 1842, came west to Minnesota in 1856 and removed to Iowa in 1866.
His death came four days after Mrs. Green passed away, hastened by the shock of her death and his own feeble condition. His daughter and husband, Mr. and Mrs. Wm. Rivers, remained after the burial of their mother to assist his daughter Ada in his care, doing all in their power to ease his grief and loneliness, but when it ended in death, they could not mourn for he was at peace. Mr. Green has lived among us for nearly fifty years, a quiet citizen, kind in his family relations and respected by his neighbors and friends. He was very devoted to his wife, generally agreeing with her views on all subjects which were nearly always correct. "Peace to his ashes."
CARD OF THANKS
We desire to extend our thanks to the many neighbors and friends for their kindness to us in our late bereavement.
Mrs. Ada Young,
E. D. Green,
Mr. and Mrs. Wm. Rivers

NOTICE.
I was present when Mr. Insley told Mr. Setchell that he would be well satisfied if his things brought enough to pay Miller and him. I looked at the things and did not think they would bring \$2,500.
D. S. MILLER.
Cresco, Iowa, Feby. 22, 1913.
I would state that I drew the lease from P. W. Setchell to L. E. Insley on November 22, 1910, to run for six years from March 1st, 1911, that I also drew three chattel mortgages from Insley to Setchell at different times, the last being in December, 1912, that at none of these times did Insley complain or find fault with anything Setchell had done in their dealings. That on the back of the lease between them is endorsed "We each hereby release all rights and claims under this lease, dated December 21, 1912," and signed by both parties, and that when L. E. Insley signed this statement he said everything was settled between them and had no fault to find with Mr. Setchell.
