She Had Consumption, Was Dying; Now Well
Eckman's Alternative is being used with success in the treatment of tuberculosis in all parts of the country. Persons who have taken it, improved, gained weight, exhausted night sweats stopped, and diminished, and many recovered. If you are interested to know more about it, we will put you in touch with some who are now well. You can investigate. No physician to yourself. Read of Mrs. Govett's recovery. Griffith, Ind.
"Gentlemen: Thinking that perhaps a short history of the remarkable recovery of my mother-in-law (Mrs. Anna Govett) might benefit some other sufferers, I give the following testimony: About September 10, 1908, she was taken sick with Catarrhal Pneumonia, and continually grew worse, requiring a trained nurse. Night sweats were so bad that it was necessary to change her clothing once or twice every night; her cough increased and got so bad that everybody expected that she would not live much longer. In January, when Rev. Wm. Berg, of St. Michael's Church, at Shreveville, Ind., prepared for her death, he recommended that I get Eckman's Alternative, and see if it would not give her some relief. I then requested the attending physician to give his diagnosis and he informed me that she had Consumption and was beyond all medical aid. When I asked if he thought that it was useless to try the Alternative, he replied that no physician could help her any and I could suit myself about it. So I immediately had Rev. Wm. Berg to send for a bottle. Practically without hope for recovery, I insisted that she try the Alternative, which she did. I am glad to say that she soon began to improve. Now she weighs as hard as ever, weighs twenty pounds heavier than she ever did before she took sick, and is in good health. She frankly says she owes her life and health to Eckman's Alternative."
(Sweet Advertiser) J. OS. GRIMMER.
Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Trouble, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists
P. A. Clemmer, Cresco

RARE AND STIMULATING STYLES That You Must See Are Going Fast.

THESE are styles that look better on your back than they do in the show window, and that's "going some."

On your way home from the shop, the office, the factory or the school, take a glance into our show window, then come in and let us prove this to you. Try them on, try them on again, and be convinced that

The L System

Clothes For Young Men adds to their appearance like a hard day's work adds to your appetite.

Every Style is a real one—right out of the oven. Every stitch is well done. The Coats fit beautifully at the neck and drape gracefully. The Trousers fit at the waist, stay up and hang without a hitch. The Fabrics will wear. The Prices are right—\$22.50 to \$25.00. Can you ask more? THE NICHOLS, Cresco, Ia.
