H. B. Severson, a young man residing at Okabena, Minn., created considerable excitement at Lime Springs and Cresco on Tuesday. He arrived at Lime Springs on Monday evening, and by his actions then and in the morning, was considered to be insane and in the afternoon was put aboard the train for Cresco. On his arrival here he created some excitement by an attempt to escape from Sheriff Ferrie, who placed him in a cell to await the action of the insane commission, but later events proved that his hallucinations were the result of a prolonged spree, and on Wednesday morning he was released and left town on the afternoon train. His wife's relatives reside west of Granger, and on account of his drinking his wife had left home and went to her relatives and he was endeavoring to get to their place while at Lime Springs.
Look to Your Plumbing. You know what happens in a house in which the plumbing is in poor condition—everybody in the house is liable to contract typhoid or some other fever. The digestive organs perform the same functions in the human body as the plumbing does for the house, and they should be kept in first class condition all the time. If you have any trouble with your digestion take Chamberlain's Tablets and you are certain to get quick relief. For sale by Fred Lowry.
