

Dr. B. A. Stockdale
WILL BE AT
HOTEL STROTHER, CRESCO
Tuesday, May 6th
Office Hours 9 a. m. to 7 p. m.

DR. STOCKDALE wants every person who suffers from a chronic disease—it makes no difference how long the case, or how long they have suffered, to call and consult him. He will make a thorough examination of their case, tell exactly what can be done, whether they are curable or not, how long it will require and all about it. He treats only chronic diseases. He has devoted twenty years of his life to the study and treatment of diseases of the Stomach, Liver, Bowels and Kidneys; Indigestion, Dyspepsia, Constipation and Diarrhea; Heart and Nerve Troubles, Rheumatism, Chronic Catarrh in all its forms—in fact, all Chronic Diseases.

DR. STOCKDALE has a system of treatment which he believes is the best known for chronic diseases. He is able to cure many cases that have resisted other treatments—that are considered incurable.

HE HAS A SPECIAL TREATMENT FOR NERVOUS AND PHYSICAL WEAKNESS OF MEN, WHICH HE WOULD LIKE TO EXPLAIN IN PERSON. CALL AND GET HIS OPINION AND ADVICE FREE OF CHARGE.

If for any reason you cannot call or visit him personally, write him for an examination blank at his home office.

DR. B. A. STOCKDALE,
Utica Building, Des Moines, Iowa.
The Doctor can be seen in his office in Des Moines, on Mondays, Fridays and Saturdays or by special appointment.

MEN CONFIDE IN US!

We have been established in Des Moines for over 23 years, much longer than any other firm of specialists in Iowa. We have treated thousands of cases successfully where others have treated hundreds. We refer you to any bank in Des Moines as to our financial responsibility.

These are the things for you to consider when you decide to be treated for any special disease. Do you suppose we would have the largest practice of any specialists in the West if we were not successful? Not a bit of it—people come to us because we have been successful and they have confidence in us.

"606" Treatment For Blood Poison

If you have Blood Poison in any form you can be cured in a short time with Professor Ehrlich's famous remedy, "606" or Salvarsan. We administer the treatment at our offices without pain, danger or inconvenience to the patient. You can take the treatment and return home on the next train. Thousands of cases cured. Write for full information and booklet regarding this most successful remedy.

We also treat successfully Variocoele, Hydrocele, Sexual Weakness, Nervous Disorders, Kidney Troubles, Loss of Vitality, Bladder and Prostatic Trouble and Kindred Diseases.

If you are suffering with any of these, write us. All correspondence confidential. Plain envelopes used. Our 78 Book of "Things Men Ought to Know" sent free.

Consultation and Examination Free. Either by mail or at our office.

HIGH SCHOOL NOTES.

Last Inter-society program Friday night.
The material for the annual has been submitted to the printers and it is hoped that they will be ready for distribution in about a month.
The first base ball game of the season will occur this Friday afternoon on the South Side grounds when Cresco will cross bats with Harmony. A closely contested game always results when these two teams get together, so it is hoped that a large crowd will be out to cheer Cresco on to victory.
Work has already begun toward developing a track team this year, and if sufficient talent develops Cresco will send representatives to a Northeastern Iowa track meet at Manchester this spring.

An applicant for position as high school instructor arrived at the home of Superintendent-elect Tiss last Sunday and so pleased were Mr. and Mrs. Tiss with the young lady that they decided to engage her at once, and even allow her to make her home with them. Mr. Tiss had hoped to engage an assistant foot ball and base ball coach, but from demonstration of her lung power already given, he feels that she will easily qualify as yell leader at least. Mr. and Mrs. Tiss and the entire school are to be congratulated upon this latest addition to the corps.

Cresco Girl Gives Recital.
The Fargo, N. D., Forum of April 12th contains the following mention of Miss Winifred Ryan, whose success as a musician will be very gratifying to her many friends in Cresco:
"Not the least of the affairs of the week was the presentation of Miss Winifred Ryan by the Dakota Conservatory of Music in a graduate recital from the piano department. The player was greeted by an audience which about filled the room. The decorations were in perfect harmony with the occasion and they added greatly to the scene.
"Throughout the program Miss Ryan displayed a developed technique, her rapid passages being of a clear cut and precise character which was refreshing.
"The young lady was showered with flowers and gifts and was the recipient of the heartiest congratulations of her many friends."
The Forum states that Miss Ryan has been invited to repeat her performance of the Grieg concerto at a concert to be given in the Masonic temple.

Weather Crop Bulletin.
For the week ending April 20, 1913.
Des Moines, Iowa.
Nearly a full week of bright sunshine, with practically no rain has started the growth of all vegetation, put the ground in fairly good condition, and enabled farmers to do a great deal of field work. The average temperature was about 7 degrees above the normal, the daily maximum temperatures ranged from 60 to 80 degrees. Except on low and unsettled ground, where the soil is still too wet, rapid progress was made in seeding and plowing. The bulk of the oats is now in, and with favorable weather, all small grain will be sown before the close of the coming week. In many localities early potatoes have been planted, and a good start has been made in preparing ground for corn. Grass is starting nicely, and is earlier than usual although farm work is two weeks late. Winter grains are in fine condition. Peach and plum trees are in blossom in the extreme southeastern counties and all fruit trees show an abundance of healthy buds.

Coughs and Constipation.
Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown, of Muscatine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by P. A. Clemmer

OBITUARY.

Webster.
Cyrus H. Webster, son of Julius and Eliza J. Webster, was born in La Porte county, Indiana, February 1st, 1846, and came with his parents to Howard county, Iowa, in 1857, since which time Howard county has been his home.

He was married to Adeline Minchick at Cresco, October 14th, 1896. Three children were born to this union: Julius Ernest, born January 11th, 1898; Calvin Ross, born January 7th, 1902, and Henry Asaph, born November 22, 1906.

Mr. Webster died at his home near Cresco April 18th, 1913, leaving surviving him the widow and three children above named; his mother, now in her 90th year; Ruth, a daughter by a former marriage, now living in Minneapolis, and one sister, Mrs. H. T. Reed, of Cresco.

Funeral services were held Sunday at 2 p. m. at the home. Rev. John Gammops officiating. Burial was at New Oregon cemetery.

Schulz.
Louise Marens was born June 10, 1846, at Grimm, Pomerania, Germany, where she grew to womanhood. She was united in wedlock to her surviving husband, John Schulz, Nov. 12, 1871. Four children, one son and three daughters were born to them, the son dying in infancy. The daughters survive her.

In 1881 they immigrated to this country where the family took up farming in the vicinity of Cresco. In 1903, she with her husband, retired from active life and removed to Cresco, where she died Friday last, April 18th. The funeral was held Monday from Immanuel's Lutheran church, Rev. Pless officiating. Burial was in New Oregon cemetery.

HALWEG.
Luella Ruth, infant daughter of Mr. and Mrs. Otto Halweg, was born January 26, 1913, and was called to "The Great Beyond," Thursday morning, April 17th, at 8:15, after several hours of intense suffering. Funeral services were conducted by Rev. John Pless at Immanuel's Lutheran Church at Cresco, Iowa, Saturday afternoon, with interment at Oak Lawn Cemetery.

Precious darling, you have left us. Left our home forever more; But we hope to meet you darling, On that bright and shining shore. Lonely our home and sad the hours. Since our loved one from us has gone; But Oh! A brighter home than ours In Heaven is now her own.

CARD OF THANKS.
We hereby wish to express our most heartfelt thanks to those who so kindly assisted during the illness, death and burial of our loved one.
MR. AND MRS. OTTO HALWEG.

"FAGGED-OUT" WOMEN

Will Find a Helpful Suggestion In This Letter.

Overworked, run-down, "fagged out" women who feel as though they could hardly drag about, should profit by Miss Richter's experience. She says: "Last winter I was completely run down and felt fagged out all the time, was nervous and had indigestion.

"One of my friends advised me to take Vinol, and it has done me great good. The tired, worn-out feeling is all gone, and I am strong, vigorous and well. The stomach trouble soon disappeared and now I eat heartily and have perfect digestion. I wish every tired, weak, nervous woman could have Vinol, for I never spent any money in my life that did me so much good as that I spent for Vinol." Marie Richter, Detroit, Mich.

Thousands of women and men who were formerly weak and sickly owe their present rugged health to the wonderful strength-creating effects of Vinol. We guarantee Vinol to build you up and make you strong. If it does not, we give back your money. P. A. Clemmer, Druggist, Cresco, Ia

This Girl Recovered From Consumption

The makers of Eckman's Alternative, which is doing so much good for Consumptives, are continually in receipt of wonderful reports of recoveries brought about solely through the use of this medicine. These reports are always at the command of any one interested, and many of the writers in their gratitude have suggested that like sufferers write direct and learn what it did for them. Here is one specimen: 421 Second Ave., Aurora, Ill.

"Gentlemen: Pardon me for not writing sooner, but I wanted to see if I would stay cured. I can now truthfully say I am perfectly well. I wish to express my heartfelt thanks. I have no pain, no cough, no night sweats, no hay fever. Since a child of two years, I have been ailing with lung trouble, which grew worse as I grew older. At the age of fourteen, the doctor said if I could not be sent South I would surely die of Consumption. Every winter I would be sure to have either Bronchitis, Pleurisy or Pneumonia. I had Typhoid-Febricula one time. I had catarrh of the stomach and bowels and had Hay Fever for the last few years; but have not anything of the kind this year." ETTA PLATH. (Five years later reports still well.)

Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists

An Axle Built to Stand the Strain

The rear axle of an automobile carries most of the load and drives the car. Its work is most severe; and it is also subjected to the strains of traveling over rough roads. So it must be strong enough to carry the weight, drive the car and resist the shocks of rough going. In this particular the Hupmobile again stands head and shoulders above the average car. Its rear axle is of the full-floating type—a type you rarely find except on cars much higher in price. In this type, the casing or housing of the axle carries the load; the axle shafts drive the car. Each part has its own work to do. Neither is forced to carry the weight and drive the car as well. And the axle is so strong and sturdy that it needs no support of truss rods, and reach rods, as most axles do. Because of its exceptionally rugged axle construction, in conjunction with its other superiorities, the Hupmobile stands up notably well in country use. Its owners know that they have nothing to fear from rough and rutty roads, because the Hupmobile axle will carry them through.

Won't you afford us a chance to demonstrate the easy riding qualities of this car?

that both of yours seems to feel? Why that sore pain when relief is at hand? You know there is decay somewhere that
ought to be attended to at once. Don't put it off because you are afraid of pain or expense because neither will prove as great you think.
