

"DREADNAUGHT" Moline M. 40 Touring Car, 6-in. Stroke Motor, 124-inch Wheel Base

THE "DREADNAUGHT" Moline,

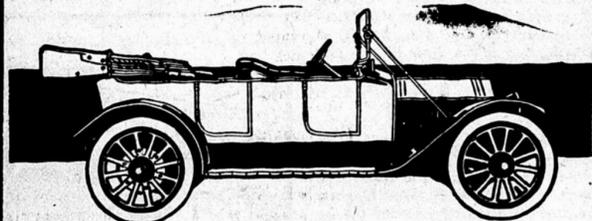

The Car shown above and below, won its "first name" through winning Glidden Tours, Endurance Runs, Reliability and Economy Tests from cars of the same price and from cars costing up to \$5,000.00. Three times has the "DREADNAUGHT" Moline won in the Reliability Run from Chicago around Lake Michigan and back to Chicago—1172 miles.

You see these tests are only such as are designed to prove the power, efficiency and reliability of the Dreadnaught Moline Long Stroke Motor—the first of its type to be built in America. Here are some of the most important victories:

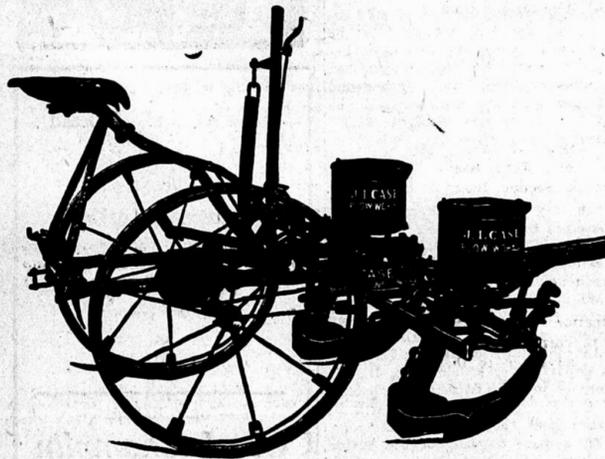

- Perfect Road Score, Glidden Tour, 1909.
- Perfect Road Score, St. Louis Star Telegram Run, 1910.
- Perfect Road Score, Washington Post Run, 1910.
- Won Chicago Trophy, Glidden Tour, 1910.
- Won Team Trophy, Chicago Reliability, 1910.
- Won Fort Worth Six-day Endurance Run, 1910.
- Won Touring Trophy, Annual Economy Run, 1911.
- Won Team, Tied for Touring Trophy, Chicago Reliability, 1911.
- Won Roadster Trophy, Chicago Reliability, 1911.
- Won Roadster Trophy, Chicago Reliability, 1912.
- Won Team Trophy, Chicago Reliability, 1912.

If the above record is not convincing proof of the merits of the Moline Automobile, come to our Garage, right by the new passenger depot, and see the car and call for a demonstration. If this car don't please you, we have others to show you that are equally as good. You don't have to go to the city to select a good car. We have brought them to you. We solicit a share of your patronage. With the kindest regards.
