HIGH SCHOOL NOTES.

"Memory for yesterday; work for today; hope for tomorrow." —Anon.

This will be the last installment of school notes for the year of 1912-1913. Another successful year has been brought to a close, and teachers and pupils will seek a little recreation after the nine-months' grind in the school room. The commencement address delivered by Dr. Raymond V. Phelan of the University of Minnesota was full of good thought and sound advice. He took as his subject, "Patriotism Looking Forward." He brought out the fact that while the patriotism of the nineteenth century was of the brass band variety, with lots of shouting and noise, a patriot of the twentieth century is he who quietly does his duty at the polls and enters politics not for self aggrandizement but for the welfare of the nation.

In addition to twenty-three Seniors there were four post-graduates this year, for the first time in the history of the high school. Several members of the present class of 1913 have already signified their intention of returning another year, which speaks well of the work being done in the C. H. S.

Word was received too late for mention at the graduation exercises that the pupils, Mary Eaton, Bess Gibbons and Clara Grinde had successfully passed the Normal training examinations and were entitled to the special certificate offered by the state department. Only four had completed enough subjects to make them eligible to this certificate, so we have reason to feel proud of the showing of C. H. S. in this first year that the course has been established. Besides having thirty-two credits for graduation the candidate must pass an examination in sixteen different subjects, maintaining an average of 85 per cent, and not falling below 75 per cent. After this year it will be easier to get this diploma as there are already several girls in C. H. S. who have successfully passed the tests in half or more of the subjects, but those who finished this year had to complete all of the work, in some instances carrying as high as seven subjects in order to do so. The Normal certificate is well worth the effort, however, as it ranks even better than a first grade certificate, and the three girls who are first to finish the course are to be congratulated.

The Decorah high school ball team journeyed to Cresco Thursday, May 29, and again demonstrated their inability to play marbles, let alone base ball. At no time during the game was Cresco in danger, the final score being 11 to 5 in our favor. Following is the score by innings:
Decorah . 1 0 0 2 0 0 2 0 0—5
Cresco . . 3 3 0 0 1 0 1 3—11
Cresco closed another successful base ball season Saturday when Lime Springs was snowed under by the score of 15 to 2. Cresco could easily have shut them out, but after securing an eight run lead began to take it easy. Davis went into the box in the seventh and celebrated his advent as a pitcher by fanning the first three men that faced him. Cresco has lost only one game this year, the return game with Harmony, which the latter won in the eleventh inning by a 5 to 4 score. Again we have reason to claim the championship of northeastern Iowa. Following is the score by innings of the Lime Springs game:
L. Spgs. . . 0 0 0 1 0 0 0 1 0—2
Cresco . . 3 0 2 3 4 1 0 2—15
Commencement week was brought to a fitting close Thursday evening, May 29, when the Juniors entertained the Seniors, the faculty and the board of education at a banquet held in Modern Woodman hall. The room was tastefully decorated in purple and white, the Senior colors, and the following menu was served:

Fruit Cocktail Mashed Potatoes
Gravy Fried Chicken
Rolls Olives Almonds
Jelly
Creamed Asparagus on Toast
Marshmallow Salad Wafers
Strawberry Ice Cream
Cake Coffee Mints

After the banquet the company was entertained by two violin solos by Miss Helen Kakac, accompanied by Miss Ione Kakac, and vocal solos by Miss Mary Eaton and Miss Ma-

bel Kratz. Mr. Tins acted as toastmaster. The following toasts were given, the first letters of each forming the word "Ability," the watchword of the Seniors:
"Almost There"—Will Darrow, '13.
"Better Late Than Never"—Paul Brown, '14.
"I, We Us & Co."—Jessie Smart, '13.
"Loyalty"—Bess Davis, '14.
"Imaginations"—Harley Gill, '13.
"Tomorrows"—Mr. E. D. Wells, '13.
"Yesterdays"—Supt. H. L. Nearpass.

The 1913 Annuals have arrived and are on sale at Lomas, Clemmer's and Lowry's drug stores at 5 cents each. The Annuals this year consists of a 162 page book with double reinforced cover in old rose and black. It is full of illustrations, containing sixty-two half tone engravings and thirty-three zinc etchings. The reading matter covers the various activities of the school in a clever way, and altogether it makes a splendid souvenir of Cresco and C. H. S. We challenge Decorah or any other high school in the state to show up an Annual than can come within gun-shot of the 1913 "Old Rose and Black."

Stubborn Colds May Lead to Consumption

Did you ever have a cold that would not let go; a cough that persisted, that prevented sleep and made waking hours miserable? Eckman's Alternative is the proper remedy in such cases. Perhaps some simple medicine may be effective where it is only a tickling in the throat, but when your chest is sore and simple remedies don't answer—then take Eckman's Alternative. Neglect often leads to more serious trouble; a case in point follows:
"Gentlemen: In July, 1905, I first noticed the conditions that showed I had Consumption. I lost weight rapidly; had a hollow cough, hemorrhages and very severe night sweats. My brother recommended Eckman's Alternative. In the fall of 1905, I began to take it. At this time I am perfectly well and robust. My appetite is good and my weight has increased from 110 to 140 pounds. Not a trace of my old trouble remains. I will gladly express the merits of this medicine to anyone."
(Signed) M. L. GERIARD.
Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in rebuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists.

THE PUBLIC LIBRARY.

List of New Books Has Been Recently Added.

Patrons of the public library sometimes ask for a catalog of the books. We use the card catalog system, in the use of which the librarian is always glad to assist any one. A printed catalog would have to be revised very often to be complete. We will, however, attempt to publish from time to time, notice of books added.

Before leaving Ridgeway last year Mr. G. R. Baker shipped several boxes of magazines and books to us. Some of the magazines were bound. The books included a set of "Messages and Papers of the Presidents." Later Dr. Kessel gave a set of Encyclopedia Britannica. A published request for magazines was responded to generously. Some of these magazines are bound, some made use of for a shelf of clippings, while others are used in exchange with the Iowa Library Commission.

Below is a partial list of the adult fiction added to the library since January:

- The Unknown Quantity, (Van Dyke).
- The Net, (Beach).
- Miller of Old Church, (Glasgow).
- The Heathen Moon (Williamson).
- My Lady's Garter, (Futrelle).
- Marriage, (Wells).
- The Valentines of Virginia, (Rives).
- The Melting of Molly, (Davies).
- A Romance of Billy Goat Hill, (Rice).
- The Pretender Person, (Cameron).
- The Strong Hand, (Deeping).
- Doctor Luke of the Labrador, (Duncan).
- The Upas Tree, (Barclay).
- Cease Firing, (Johnson).
- The Rolling Stone, (Henry).
- The Beloved Vagabond, (Locke).
- The Man in Lonely Land, (Bosher).
- The Lady and Sada San, (Little).
- The Osbornes, (Benson).
- Fate Knocks at the Door, (Comfort).
- Corporal Cameron, (Connor).
- The Witching Hour, (Thomas).

Some of the new juvenile books will be mentioned in another issue.

OBITUARY.

Mullen.

Miss Nellie Mullen passed away at St. Vincent's hospital, after an illness covering but a few weeks, of anemia. Her death is a great shock to an unusually large circle of friends in Crookston and surrounding towns. While the end was not entirely unexpected, friends and relatives hoped against hope and the shock was not tempered by preparedness. Miss Mullen had been very patient and cheerful during her illness in accord with a sunny disposition through life, which served to brighten the path of many others. Miss Mullen had made her home with her sister Mrs. J. F. Creamer for 26 years, ever since coming to Crookston from the old home at Cresco, Iowa. For many years she was connected with the firm of Fontaine & Anglim of this city, but of late years she had conducted a very successful millinery business. Deceased was 42 years of age and the greater part of her life was spent in Crookston, where she was a consistent member of the Cathedral parish.

She leaves, besides Mrs. Creamer, a mother and one sister at Cresco, Iowa, another sister Mrs. Hughes of Portland, Ore., who has been here the past two weeks, and a brother at Los Angeles. The re-

mains will be taken to Cresco for burial beside her father.—Crookston Daily Times.
Funeral services were held at the Church of the Assumption Saturday, May 31, at 9 a. m., with burial at St. Joseph's cemetery.

HOW THIS WOMAN FOUND HEALTH

Would not give Lydia E. Pinkham's Vegetable Compound for All Rest of Medicine in the World.

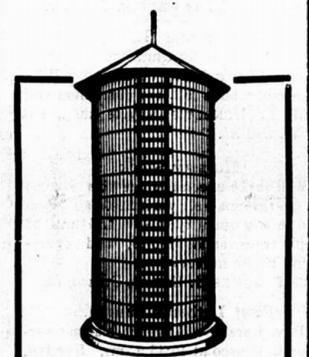

Utica, Ohio.—"I suffered everything from a female weakness after baby came. I had numb spells and was dizzy, had black spots before my eyes, my back ached and I was so weak I could hardly stand up. My face was yellow, even my fingernails were colorless and I had displacement. I took Lydia E. Pinkham's Vegetable Compound and now I am stout, well and healthy. I can do all my own work and can walk to town and back and not get tired. I would not give your Vegetable Compound for all the rest of the medicines in the world. I tried doctor's medicines and they did me no good."—Mrs. MARY EARLEWINE, R. F. D. No. 3, Utica, Ohio.

Another Case.

Nebo, Ill.—"I was bothered for ten years with female troubles and the doctors did not help me. I was so weak and nervous that I could not do my work and every month I had to spend a few days in bed. I read so many letters about Lydia E. Pinkham's Vegetable Compound curing female troubles that I got a bottle of it. It did me more good than anything else I ever took and now it has cured me. I feel better than I have for years and tell everybody what the Compound has done for me. I believe I would not be living to-day but for that."—Mrs. HETTIE GREENSTREET, Nebo, Illinois.
