

EDWARD F. TREFZ, BUSINESS ORATOR

One of the Big Treats of Whole
Chautauqua Program.

IS A BUSINESS BOOSTER.

An Up-to-Date Citizen Who is Associated With Big Things, He Makes You See Your Own Prospects—A Man of Experience Who Knows How to Entertain Others.

Hon. Nelson S. Darling did it last year. Edward F. Trefz will do it this year.

It is worth while to shut up shop and go to hear Mr. Trefz. He is coming to Chautauqua to talk on matters of supreme value in a business way to every man and boy in the county. He is one of the big men of the times, and what he says has the weight of authority.

There is nothing of more vital interest to the people generally or that is more in need of intelligent discussion than those questions that have to do with the business welfare of the citizenship of the community. All the serious problems of life relate back to economic conditions; hence the value of intelligent discussion along these lines.

Mr. Trefz is a most pleasing speaker. He has a kindly countenance and a sympathetic heart. His associations with big movements and his wide acquaintance among men of prominence have given him a poise that is at once dignified and generous. He comes with a man's message, and it will require the closest attention on the part of the audience to gather the fruits of his address. Trefz day at Chautauqua will be a really big day, full of profit and enjoyment.

Be a Booster.

It is as easy to boost for the Chautauqua as it is to boost for your own business. The Chautauqua is closely linked with the welfare of the community. Better get in the band wagon and help make this the greatest of our Chautauqua assemblies to date.

MIRTH AND MUSIC BY WEEKS COMPANY

Edwin R. Weeks Himself With
His Clever Company.

THERE IS BUT ONE WEEKS.

Music, Mirth and Lots of It—Weeks Great Impersonator and Actor. Sketches of Humor and Good Cheer. Many Hearty Laughs—Instrumental and Vocal Music.

Chautauqua patrons will be glad to learn that the Edwin R. Weeks Company is coming this season. This is the same clever company that has appeared with such signal success throughout the east. Of course Edwin R. Weeks himself remains the star, and around him the whole entertainment has been built.

Among the many things Weeks does that have brought him fame he has no

EDWIN R. WEEKS

more clever offering than his unique impersonations of great public characters. In full view of the audience he makes the lightning changes from Taft to Bryan, Wilson, Teddy, Deacon Maybe and a great many more.

Mr. and Mrs. Weeks will continue to employ those catchy and gloriously humorous sketches that have made for themselves so secure a place in the entertainment world. "Squire Blakslie's Clarinet" and "School Days" will play their important parts in the entertainment. Miss Lula Sinclair will be with the company with her violin and interpret in her masterful style the great violin selections.

Operettas, impersonations, medleys, songs, comedy acts, monologues, parodies, violin solos, sketches, follow in rapid succession and comprise one of the cleverest and most interesting of entertainments. The Weeks Company will more than please.

HEARD A MAN SAY

"What some women want is a man with a past; what other women want is a man with a future; what every woman wants is a man with a present."

In other words, an "izzer." Only an astral affinity who communes with chaps like Mahomet and Zoroaster could prefer a man with a past, but a business man must have "a past," and it must be a good one. His present standing depends a good deal upon his past record. My boss says: "Ben, you must sell me more goods—our reputation demaads it." So I say to you—all come in and put it over us or he'll say I'm a "wuzzer."
