Our Washington Letter.

With both houses of Congress having committees at work investigating revelations brought out by President Wilson's charges against legislative lobbies at Washington, and with important tariff and currency bills up for consideration, the extra session of congress has developed into one of the most important sessions in years.

The fruits of the lobby investigation Democratic leaders believe, will be as beneficial to the people as the enactment of the legislative measures, for as the truth is being brought out an explanation is afforded of the repeated failures attending efforts to procure the passage of remedial legislation demanded by the people.

Now it is charged by Col. Mulhall, by his own confession one of the most notorious lobbyists at the capital, that congressional committees had been "packed" to stifle legislation objected to by the National Association of Manufacturers, and that other committees were "packed" to procure favorable action on bills supported by the manufacturers. Col. Mulhall declares that his activity as a lobbyist included participation in campaigns to elect congressmen who had shown themselves easily handled by the manufacturers, and in campaigns to defeat congressmen who insisted on representing the people who sent them to Congress and not the manufacturers who had millions behind them to help in their fight to control legislation and legislators.

Reports from Iowa of the campaign now underway to form a fighting Progressive party organization in every county and township for the announced purpose of putting a bull moose candidate in the field for every office in the state, were received with interest by Iowa politicians in Washington. The declarations made by David Hinshaw, the Progressive party organizer while in Des Moines recently that the state is to be solidly organized and that headquarters are to be opened in Des Moines in the fall, corroborates information received at Progressive headquarters here.

The certainty that this means a candidate in the field for the Progressive nomination for United States Senator is not relished by friends of Senator Cummins here, because it is believed he will have the hardest fight of his life in attempting to obtain renomination on the Republican ticket. It is argued that most of the voters who will participate in the Progressive party primary next summer, are men who have formerly voted for Senator Cummins. They will not be able to vote the Progressive primary ticket without announcing a change of party affiliation. If they do this they cannot vote for Senator Cummins in the Republican primary.

News has reached Washington that the Standpatters are preparing to take advantage of this situation in Iowa by placing a strong candidate in the field to contest the primary nomination with Senator Cummins. The anti-Cummins forces believe that such a part of the vote which would ordinarily be cast for Cummins will go to the Progressive candidate, while the standpat strength will be kept intact and that there will be a good opportunity to defeat Cummins for the nomination.

The Democrats are finding comfort in this situation because they believe that a triangular senatorial fight would be waged with such bitterness on the part of the Republican and Progressive parties that the Democrats, united on a candidate and casting a full party vote, would have plain sailing.

Rid Your Children of Worms.

You can change fretful, ill-tempered children into healthy, happy youngsters, by ridding them of worms. Tossing, rolling, grinding of teeth, crying out while asleep, accompanied with intense thirst, pains in the stomach and bowels, feverishness and bad breath, are symptoms that indicate worms. Kickapoo Worm Killer, a pleasant candy lozenger expels the worms, regulates the bowels, restores your children to health and happiness. Mrs. J. A. Brisbin, of Elgin, Ill., says: "I have used Kickapoo Worm Killer for years, and entirely rid my children of worms. I would not be without it." Guaranteed. All druggists, or by mail, Price 25c. Kickapoo Indian Medicine Co., Philadelphia and St. Louis.—P. A. Clemmer.

In every home there should be a box of Bucklen's Arnica Salve, ready to apply in every case of burns, cuts, wounds or sores. J. H. Franco, Delvalle, Tex., R. 2, writes: "Bucklen's Arnica Salve saved my little girl's cut foot. No one believed it could be cured." The world's best salve. Only 25c. Recommended by P. A. Clemmer.

Weather Crop Bulletin.

For the week ending July 6, 1913
Des Moines, Iowa.

Another week of hot weather, with local showers over the larger part of the state, has brought corn fully up to the average for the season of the year. The average temperature was about 5 degrees above the normal but the rainfall was deficient except in a few localities in the northern counties where heavy local showers, accompanied by high winds and some hail, occurred. Oats and barley have improved during the last ten days and all filling well. Potatoes and gardens continue in good condition. Hog cholera is appearing in some of the western counties.

A summary of the July 1st crop reports show the average condition of crops to be as follows: Corn, 93 per cent; oats, 91; spring wheat, 92; winter wheat, 97; barley, 91; rye, 97; flax, 92; potatoes, 94; hay 97; pastures, 101; apples, 76; plums, 63; grapes, 92. The acreage of corn is practically the same as last year, there being only a slight increase. On June 1st, corn was rated at 80 per cent, and on July 1, 1912, at 89 per cent.

A Good Investment.

W. D. Magli, a well known merchant of Whitewater, Wis., bought a stock of Chamberlain's medicine so as to be able to supply them to his customers. After receiving them he was himself taken sick and says that one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy was worth more to him than the cost of the entire stock of these medicines. For sale by Fred Lowry.

HAIL INSURANCE.

Protect your crops against hail in a reliable company. The Mutual Hailstorm Insurance Co. has been tried out in Howard county for five years and not one word of kick. It has settled 28 losses and every man speaks good word for it.

Why write with a stranger and get stuck in some company that has a bad record when you can get the best in the state? I write your application for one year or five. You don't pay for it till your policy has come back and you have read it over and if it is not what I promised you, I will have it cancelled at my expense.

There are scaplers in the county (one is Tom Bohon of Riceville) claiming to be connected with the Howard County Mutual and have the same company I have but they are frauds. I am the only agent in this county writing for the Mutual Hailstorm, C. V. Stanley, Secretary. JAS. N. SMITH.

Phone or write to me and I will call on you.

Surprising Cure of Stomach Trouble

When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stengel, Plainfield, N. J., writes: "For over a month past I have been troubled with my stomach. Everything I ate upset it terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by Fred Lowry.

POSITIVE PROOF.

Should Convince the Greatest Skeptic in Cresco.

Because it is evidence of a Cresco citizen.

Testimony easily investigated. The strongest endorsement of merit. The best proof. Read it. R. Wentworth, Market St., Cresco, Iowa, says: "I was troubled by kidney complaint and rheumatic pains through my shoulders. At night I suffered more intensely and was unable to rest well. I found no relief from the remedies I used and was feeling miserable when I began taking Doan's Kidney Pills, procured from the Milz Pharmacy. I was greatly pleased in few days to see that they were helping me. Before long I was free from trouble. I am still well and have had no return of kidney trouble."

For Sale by all Dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

Remember the name—Doan's—and take no other.

Fred Sausbury was born Aug. 20, 1860, in Dyer, Dubuque county, Iowa. He was united in marriage to Miss Mary Siddall Nov. 28, 1883, in New Oregon, this county. He moved to Lime Springs in March, 1909. He spent most of his life in Howard county.

A few weeks ago it was discovered that he was suffering with an incurable disease and in the last few weeks he was a great sufferer.

He departed this life Sunday evening, June 27, at the age of 52 years and 10 months. He leaves to mourn his departure: one brother, H. C. of Cresco, two sisters, Mrs. Long of Dyersville and Mrs. Lovejoy of Cresco; three daughters Mrs. Olive Daman, Mrs. Gladys Schocht and Miss Louise; one granddaughter, Miss Fay Hewes.

The funeral took place Tuesday afternoon in the Methodist church, Rev. Maxwell preaching the sermon, assisted by Rev. Williams and Rev. Burgess. Dr. Robertson of Cresco offered prayer at the home. At the close of the service the service was turned over to the Masons as he was a member of that order in Cresco. He was buried in the cemetery east of town.

There's warmth, health and comfort with a Green COLONIAL Furnace

Every part of your house is made warm and livable, even in the coldest weather. Comfort and enjoyment are added to each room, supplying them with pure, fresh, warm, ever changing air—free from dust, gas or smoke. A COLONIAL requires very little care—nothing to get out of order—everything plain, simple, easily and quickly understood. In the COLONIAL, every part is perfected—not one weakness—not one experiment—all "risks" and "chances" and "uncertainties" are eliminated.

Some of the good things about a Colonial—

- Few parts—making it simple and easy to operate.
- Castings tough and elastic—insuring durability and service.
- Fire pot slotted and one piece—burning the gases and smoke.
- Four separate grate bars—preventing the loss of fuel.
- Double feed doors—giving greater convenience.
- Ash pit high and roomy—so the grates will not burn out.
- The base in one piece—to prevent furnace settling.

Learn all you can about a Green Colonial before buying any furnace. We can prove its value to you in many ways.
