SUFFERED AWFUL PAINS

For Sixteen Years. Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Moretown, Vermont.—"I was troubled with pains and irregularities for sixteen years, and was thin, weak and nervous. When I would lie down it would seem as if I was going right down out of sight into some dark hole, and the window curtains had faces that would peek out at me, and when I was out of doors it would seem as if something was going to happen. My blood was poor, my circulation was so bad I would be like a dead person at times. I had female weakness badly, my abdomen was sore and I had awful pains.

"I took Lydia E. Pinkham's Vegetable Compound and used the Sanative Wash and they certainly did wonders for me. My troubles disappeared and I am able to work hard every day."—Mrs. W. F. SAWYER, River View Farm, Moretown, Vermont.

Another Case.
Gifford, Iowa.—"I was troubled with female weakness, also with displacement. I had very severe and steady headache, also pain in back and was very thin and tired all the time. I commenced taking Lydia E. Pinkham's Vegetable Compound and I am cured of these troubles. I cannot praise your medicine too highly."—Mrs. INA MILL-SLADLE, Gifford, Iowa.

ORIGINAL NOTICE.

In the District Court of Howard County, Iowa.

Mrs. Augusta Jones, Plaintiff,
John M. Hoffman, W. H. Young & Co., Wm. H. Young, Thos. Hooper, and their unknown grantees, mortgagees, and assignees, and if deceased, their unknown heirs, devisees, and legatees, and the unknown claimants of the north east quarter (N. E. 1/4) of the south east quarter (S. E. 1/4) of section eight (8) in township one hundred (100), north range twelve (12), west of the 5th P. M.

To the above named defendants: You and each of you are hereby notified that there is now on file in the office of the clerk of the District court of Howard county, Iowa, the petition of the plaintiff in the above entitled action claiming that she is the absolute and unqualified owner in fee simple of the north east quarter (N. E. 1/4) of the south east quarter (S. E. 1/4) of section eight (8), in township one hundred (100), north of range twelve (12), west of the 5th P. M., and said petition alleges that plaintiff is credibly informed that the defendants claim some interest adverse to her title in said real estate as in said petition described.

The said petition further alleges that the apparent interests of the said unknown heirs, assignees, grantees and legatees of said defendants and the interests of the unknown claimants and the mode of devolution thereof is as follows, to-wit: On March 16, 1870, John M. Hoffman the then owner of said premises executed to Wm. H. Young, Wm. Hooper and Thos. Hooper, a mortgage on said real estate with other real estate which mortgage was recorded in book P. on pages 176-177 of the records of mortgages in Howard county, Iowa. That said mortgage was foreclosed in the District court of Howard county, Iowa, in an action in which W. H. Young & Co. was plaintiff, that W. H. Young & Co. was a partnership composed of Wm. H. Young, Wm. Hooper and Thos. Hooper, and owned the interest that said Wm. H. Young, Wm. Hooper and Thos. Hooper had ever acquired in said mortgage, and under said foreclosure proceeding said real estate was sold to W. H. Young & Co., and a sheriff's deed executed to W. H. Young & Co., of the real estate involved in this action together with the real estate covered by said mortgage but the recorder failed to or neglected to copy the description of the real estate involved in this action into the record of the sheriff's deed when he recorded said sheriff's deed. That Thos. Hooper transferred his interest in said real estate to Wm. H. Young, but the deed showing said conveyance was never recorded and is now lost.

That the persons designated as unknown defendants or unknown claimants of said described real estate derived their title, or interest in or lien upon it if they have ever had, by, through, or under John M. Hoffman, Thos. Hooper, W. H. Young & Co., or Wm. H. Young, or their heirs or as wife or husband, or as grantee, assignee, devisee or mortgagee of some of them.

That this plaintiff purchased said real estate from Fred Parchman on March 3, 1913, that she and her grantors through whom she claims and derived her title have been in actual, exclusive, peaceable, undisturbed and notorious possession of said real estate for a period of more than thirty years last past under color of title and claim of right during all of which time she and her grantors through whom she derived her title, have openly and notoriously and publicly to be the owners in fee simple of said described real estate.

Plaintiff asks judgment and decree of said court quieting in her the title to said premises and forever barring and estopping the defendants and all persons claiming, by, through or under them or either of them from having or claiming any interest in said premises adverse to her title and that unless you appear thereto and defend before noon of the second day of the next term of the District court of Howard county, Iowa, which will be begun and held at Cresco, Iowa, on the sixth day of October, 1913, your default will be entered against you and judgment and decree rendered thereon as provided for by law.

JOSEPH GRIFFIN,
Attorney for Plaintiff.

The foregoing original notice is approved and ordered published four consecutive weeks in the Cresco Plain Dealer, a weekly newspaper, published at Cresco, Howard county, Iowa, the last publication to be not less than ten days before the first day of the next term of the District court of Howard county, Iowa.

Witness my hand this 27th day of August, 1913.
W. J. SPRINGER,
Judge of the Thirteenth Judicial District of Iowa.
