First Lord of Admiralty Guides Biplane in Air.

London, Dec. 2.—Winston Spencer Churchill, first lord of the admiralty, has become an aviator. He has taken lessons at the naval flying depots and ascended at Eastchurch in a dual control biplane with Captain Lushington.

Reaching an altitude of 500 feet Mr. Churchill took charge of the machine, flying to and fro in a strong wind for nearly forty-five minutes.

RETIRE BEFORE REBEL ADVANCE

Mexican Federa's Evacuate Chihuahua City.

Juarez, Dec. 2.—Rather than endure starvation the federal troops have evacuated Chihuahua City, which has been under siege for weeks, according to advices received by General Francisco Villa, the rebel leader. The evacuation leaves the city open to possession by the rebels.

Reports received by Villa say that Salvador Mercedo, military governor of the state, with 2,000 federal troops, has left on foot for Ojinaga, on the United States border near Marfa, Tex. Besides being the capital of the state Chihuahua, with a population of 35,000, is the metropolis of Northern Mexico.

Strength For Old People.

Old people, to overcome the weakening, debilitating effects of increasing old age, often make a very sad mistake in using so-called "remedies" that contain alcohol and dangerous or habit forming drugs. Often this stuff, because it liven and brightens them up a little just after taking a dose, leads them to imagine that it is doing them good, when it isn't. Remedies that rely for their sale on such deceit, do harm, because the false excitement of the nerves and heart leaves them worse than they were before.

Rexall Olive Oil Emulsion is a real medicine—a splendid body and strength-builder, especially good for old people, because it furnishes to the system ingredients necessary to rebuild wasted tissues, strengthen the nerves, give new energy and a younger and livelier feeling to the body. It doesn't contain a drop of alcohol nor any dangerous drug. It may not make you feel better after the first dose, nor perhaps for several days. But if you don't feel much better and stronger before you have taken a quarter as much as you have of other medicines that didn't help you, we will gladly give you back your money. That's certainly a square deal.

The four Hypophosphites it contains are used by leading physicians everywhere in debility, weakness and liability to disease, to tone and strengthen the nerves. Purest Olive Oil, one of the most nutritious, most easily-digested foods known, being taken with the hypophosphites, gives rich tissue nourishment to the entire system.

You who are weak and run down, and you who are apparently well now, but are liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For the tired-out, run-down, nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible, pleasant-tasting aid to renewed strength, better spirits, glowing health. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of more than 7,000 leading drug stores in the United States, Canada and Great Britain.—Edward T. Lomas, Cresco, Iowa.

Croup and Cough Remedy.

Croup is a terrible disease, it attacks children so suddenly they are very apt to choke unless given the proper remedy at once. There is nothing better in the world than Dr. King's New Discovery. Lewis Chamberlain of Manchester, Ohio, writes about his children: "Sometimes in severe attacks we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup, coughs and colds." So can you. 50c and \$1.00. A bottle should be in every home. At all Druggists. H. E. Bucklen & Co., Phila., St. Louis.
