Fit His Case Exactly.

"When father was sick about six years ago he read an advertisement of Chamberlain's Tablets in the papers that fit his case exactly," writes Miss Margaret Campbell of Ft. Smith, Ark. "He purchased a box of them and he has not been sick since. My sister had stomach trouble and was also benefited by them." For sale by Fred Lowry.

HIGH SCHOOL NOTES.

The Hawkeye society gave a very good program Friday afternoon.

Book reviews were given in all the English classes last week.

Anna Orvold was absent last week on account of sickness.

The declamatory contest was held in the assembly room Friday evening. There were ten contestants in all: four in the Humorous class, four in the Oratorical class and two in the Dramatic. The judges' decision was as follows:

1st place in Oratorical, Fabian Sorben; 1st place in Dramatic, Anna Brown; first place in Humorous, Paul Brown. Paul Brown was also chosen as best over all to represent Cresco in the State Declamatory contest.

The Reading class now meets twice a week with Miss Evans for primary methods in teaching.

Last Wednesday night the high school foot ball team, coaches and officials were the guests at a banquet prepared by the Domestic Science classes under the supervision of Miss Mellor. At half past six they marched in a body to the basement of the high school where a five course spread awaited them.

The table was daintily arranged and an ample supply of provisions was at hand. The dinner was served by the high school teachers. After the sumptuous feast the boys were entertained by speeches by Dr. Robertson, Supt. Tiss and John Kakac. Mr. Wells as toastmaster did justice to his office.

Following the speeches election of officers for the following year ensued. Will Rathert was chosen captain and John Champlin student manager.

At parting lusty yells were given for Miss Mellor, the Domestic Science girls and the high school teachers, while all expressed a great desire to be able to attend another event of its kind.

The Senior boys were forced to use a limited amount of physical force on a few members of the Junior and Sophomore classes last Friday as punishment for a misapplication on their part as regards the rights of the former's jurisdiction. However, things are quieted down, and with the Senior's flag flying proudly over the school we have convinced them that after all "What's the use?"

Death of Mrs. Walsh.

Mrs. W. F. Walsh of this city passed away Tuesday at the home of her parents, Mr. and Mrs. J. W. Curley at Cedar Rapids.

Mr. and Mrs. Walsh and little son came to Cresco to live last January and during their residence here made many friends, who sympathize deeply with the bereaved husband and little son, not yet old enough to realize the extent of his loss.

Mrs. Walsh was born at Cascade, Iowa, Dec. 4, 1885. With her parents, Mr. and Mrs. J. W. Curley, she moved to Cedar Rapids eight years ago. She was married on April 22, 1909, at Cedar Rapids to W. F. Walsh.

With her husband and little son she came to Cresco last January. In the summer she was taken sick and later went to her parents' home at Cedar Rapids, where she slowly grew weaker, although everything possible was done for her.

She died Tuesday, Dec. 9, and burial was at Cedar Rapids. She leaves to mourn her death: her husband and little son 2 1/2 years old; three sisters and four brothers in Cedar Rapids, and one sister in Sioux City.

Check the Symptoms of Lung Trouble

One of the many reasons why Lung Trouble is so difficult to fight is because the disease is often of a very insidious nature. The patient may look well, but in reality is fast losing strength by continued night sweats, fever and cough. These symptoms should be checked as quickly as possible. Eckman's Alternative is beneficial in checking fever and night sweats and it has brought about many complete recoveries. Read this case:

305 W. 30th St., New York.

"Gentlemen: I am writing you this testimonial that others may know what your Alternative has done for me. Since I was a very young woman I was a sufferer from Bronchitis. I tried doctor after doctor, getting little or no benefit. Finally I had night sweats, weak spells and lost rapidly in weight and my doctor told me if they were not checked I would have Lung Trouble. Miss Mary Korhamer, who is a friend of mine, recovered after taking your Alternative and insisted that I try it. I am now, after two years, perfectly well, strong and healthy."

(Abbreviated; more on request.) Eckman's Alternative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stomach Colds and in upbuilding the system. Contains no narcotic poisons or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists.
