I would have had coughing spells and my lungs were so sore and inflamed I began to be seriously alarmed. A friend recommended Chamberlain's Cough Remedy, saying she had used it for years. I bought a bottle and it relieved my cough the first night, and in a week I was rid of the cold and soreness of my lungs," writes Miss Marie Gerber, Sawtelle, Cal. For sale by Fred Lowry.

Cresco Circuit News. BONAIR.

The Evangelistic meetings are still in progress and a good interest is being manifested. No one who hears Rev. Mankofsky is disappointed in his sermons. He is one of the best speakers that we have had for some time in this community. He is not afraid to present unbiased the Word of God. We are hearing sound Gospel messages. His sermon on the "Judgment" was an unusually strong one and appealed to the people. Sunday evening he took for his text: "If any man love not the Lord Jesus Christ, let him be Anathema Maran-atha."—I Cor. 16:22. He explained that Anathema meant "cursed" and that Maran-atha meant "Jesus is coming." His conclusion was the interpretation of the text: "If any man love not the Lord Jesus Christ let him be cursed. Jesus is coming again." There was an impressive after service Sunday evening resulting in a conversion. Everyone come and hear this good man. Services every evening this week. Song service at 7:30 and sermon at 8 o'clock.

The Literary Society met Saturday evening with a very large attendance—the church being filled. A fine program had been arranged which was enjoyed by all. The debate was decided in favor of the affirmative. The program for Dec. 27th has not been fully completed, but a good program can be expected, as the program secretary has been supplied with two assistants, namely, Vesta Fifield and Willard Todd.

Arrangements have been completed for a mass meeting in the church on the evening of Friday, Dec. 19th, this week, at which time Superintendent of Schools H. E. Miller, of Winneshiek County, will deliver an address on the subject of "Township Schools." The good people of Freemont Township are interested in the matter of schooling and want the best there is. INDIGESTION OVERCOME

Overcome by Simple Remedy.

Hurried and careless habits of eating, irregular meals and foods that do not harmonize, tend to weaken the digestive organs and result in different forms of stomach trouble.

If you are one of the unfortunates who have drifted into this condition, eat simple foods only, slowly, regularly and take Vinol, our delicious cod liver and iron tonic.

Mrs. H. J. Smith, Thomasville, Ga., says: "I suffered from a stomach trouble, was tired, worn out and nervous. A friend advised me to take Vinol. My stomach trouble soon disappeared and now I eat heartily and have a perfect digestion and I wish every tired, weak woman could have Vinol, for I never spent any money in my life that did me so much good."

The recovery of Mrs. Smith was due to the combined action of the medicinal elements of the cod's liver—aided by the blood making and strength creating properties of tonic iron, which are contained in Vinol. We will return the purchase money every time Vinol fails to benefit.

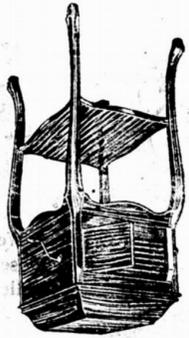

P. A. Clemmer, Druggist, Cresco, Ia.

Croup and Cough Remedy.

Croup is a terrible disease, it attacks children so suddenly they are very apt to choke unless given the proper remedy at once. There is nothing better in the world than Dr. King's New Discovery. Lewis Chamberlain of Manchester, Ohio, writes about his children: "Sometimes in severe attacks we were afraid they would die, but since we proved that a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup, coughs and colds." So can you. 50c and \$1.00. A bottle should be in every home. At all Druggists. H. E. Buckten & Co., Phila., St. Louis.
