

DANGER AFTER GRIPPE

Lies in Poor Blood, Cough and Worn-Out Condition.

Grippe, pleurisy, pneumonia are greatly to be feared at this season. To prevent grippe from being followed by either pleurisy or pneumonia, it is important to drive the last traces of it out of the system.

Our advice is to take Vinol, our delicious cod liver and iron preparation without oil, and get your strength and vitality back quickly.

W. W. Lake of Aberdeen, Miss., says: Grippe left me weak, run-down and with a severe cough from which I suffered for a long time. I tried different remedies, but nothing seemed to do me any good until I took Vinol from which I received great benefit. My cough is almost entirely gone and I am strong and well again.

Try Vinol with the certainty that if it does not benefit you we will give back your money.

RESIDENTS AGAIN FLEE IN TERROR

Japanese Volcano Resumes Violent Eruption.

Kagoshima, Japan, Jan. 18.—Two further violent eruptions of the volcano Sakura-Jima, accompanied by a severe earthquake, have occurred, causing the collapse of many more buildings.

Numbers of the inhabitants of Kagoshima, who had returned, fled again in terror from the city. Ashes are falling thickly.

The sun looked like a ball of blood over Kagoshima, but it gave no light, and signals had to be employed by the railroads. Flying dust was thick on the streets.

Lava is flowing steadily down the sides of the volcano to the sea, increasing the area of the island, as it solidified on reaching the water.

It is still impossible to give anything like an approximate estimate of the number of victims from the recent eruptions, earthquake and tidal wave, but the loss of life is not believed to be as large as early reports indicated.

FORMER FRIEND SLAYS SHERIFF

Firing Begins When Official Tries to Serve Warrant.

WOMAN IS ALSO WOUNDED

Tragedy Occurs at Rosebud, Mont., and is Precipitated by Wife of Alleged Slayer Appearing on Porch of House With Rifle When Sheriff Calls to Deliver Papers.

Forsyth, Mont., Jan. 20.—William Moses, sheriff of Rosebud county, was shot and killed at Rosebud and John H. Burgess, at one time a bosom friend of the sheriff and former deputy, is a prisoner in the county jail, charged with the shooting.

Moses went to Rosebud to attend an auction sale and while there was given a warrant to serve, charging Burgess with disturbing the peace.

Moses went to the Burgess home and while standing on the porch Mrs. Burgess came to the door with a Winchester rifle and the gun was discharged accidentally, it is said. Burgess was standing on the porch also and the firing began immediately. One shot struck the sheriff in the neck just below the chin, while another entered his breast. Mrs. Burgess received a bullet wound in the left shoulder.

Burgess made no attempt to resist arrest when deputies arrived from Forsyth.

Sheriff Moses and Burgess were the best of friends until recently when their friendship ceased after Moses and his wife had separated. Mrs. Moses had been staying at the Burgess home.

Moses was sheriff for a number of terms in Wyoming and came to Rosebud county about three years ago. Burgess was a candidate for the Democratic nomination for sheriff in 1912 and withdrew in favor of Moses.

RANCHERS IN DEADLY DUEL

Two Battle to the Death With Guns on Street.

Billings, Mont., Jan. 20.—A dispute over fence posts culminated in a rifle and revolver duel that cost the lives of Edward Wilhelm and E. F. Gateley, ranchers of Pompey's Pillar, thirty miles east of Billings.

The shooting occurred in front of the general store at Pompey's Pillar. It was preceded by an altercation in the store, during which Gateley slashed Wilhelm with a knife.

Gateley, a wealthy stockman, is said to have been indebted to Wilhelm on a contract for posts. Wilhelm had taken the knife from Gateley and Gateley threatened to shoot him.

When they got outside Gateley secured a Winchester from his wagon near by and leveled it at Wilhelm, who turned and started back into the store, drawing an automatic revolver as he did so and firing over his shoulder. The shots were simultaneous. Gateley dropped, and, reloading his rifle as he lay, fired again at Wilhelm, who had mortally wounded him with a second shot. All four shots took effect. Wilhelm was killed instantly and Gateley lived but a few minutes.

ADMITS PLOTTING MOTHER'S MURDER

Young Girl Induced Stepfather to Commit Crime.

Galesburg, Ill., Jan. 20.—Robert Higgins confessed that he murdered his wife at New Henderson, Ill., Jan. 5 so he would be free to marry his stepdaughter, Julia Flake, fifteen years old.

He was arrested after the girl told State's Attorney John M. Wilson of Mercer county of her infatuation for Higgins and that she importuned him to dispose of her mother, which, she said, was the only obstacle between her and happiness.

The prosecutor hesitated to believe the girl's story of the extraordinary pact she had entered into with her stepfather, but she told how they had schemed for hours devising a plan which would make Mrs. Higgins' death appear accidental.

She said she was in the next room when Higgins fired the shotgun which brought instant death to her mother.

She told how Higgins raved and struggled with neighbors for possession of the gun, saying he would take his own life. Then when the excitement subsided somewhat she said they explained that Higgins had been cleaning the gun and it had been discharged accidentally.

Their story was so convincing the coroner's jury returned a verdict of accidental death.

SIX IMPLICATED IN PLOT

Accused of Aiding Bank Robber to Escape From Jail.

Winnipeg, Jan. 20.—After an examination lasting five hours John H. Buxton, former secretary of the Northwest Builders' Exchange company, confessed, according to the police, that Percy E. Hagel, Constable John Reid, John Westlake, Frank Holt and himself were implicated in assisting John Krafchenko, the alleged Plum Coulee bank robber, to make his escape from the jail here recently.

All were arrested and were refused bond. Hagel was chief counsel for Krafchenko. He offered \$20,000 bond, but it was not accepted.

Buxton told the royal commission, before which the hearing was held, that all were impressed by the reward offered by Krafchenko if they assisted him in escaping. He told them he had been a member of the famous Bill Miner gang and that he had hidden thousands of dollars' worth of jewels and money.
