A Strong Indorsement.

W. H. Holmes of the Decorah, Iowa, Journal says: "I have been a sufferer from Piles and Hemorrhoids for years. I got no relief until my druggist recommended Meritol Pile Remedy. Before I had taken half the package the distress was gone and I have had no trouble since. I would not take a thousand dollars and be back in former condition.—Fred Lowry Sole Agent."

When You're Sick Your Wages Stop.

You know what that means—misery—worry—big bills—debt! You know you can't afford to get sick. Keeping in good health means food and clothing for you and your family. It is up to you to take care of yourself. It is up to you, whenever you don't feel right, to take something to make you right, to strengthen you, build you up, ward off worse sickness—protect you and your family. That thing we have in Rexall Olive Oil Emulsion. In offering it to you, we protect you against money-risk, by personally promising you that if it does not restore your health, we will give back your money without word or question. We believe it is the best builder of health, energy and strength you can get. It is helping many of your neighbors. If it don't help you, we will give back your money. Rexall Olive Oil Emulsion is composed principally of pure Olive Oil and the Hypophosphites. Each has long been endorsed by successful physicians. Here they are for the first time combined. The result is a remarkable nerve, blood and strength-building remedy that is both food and medicine. For all who are nervous, run-down and debilitated—no matter what the cause; for old people; for convalescents; for puny children, we know of nothing that will give health and strength as quickly as Rexall Olive Oil Emulsion. It is a real builder of good blood, strong muscles, good digestion. Pleasant to take, it contains no alcohol or habit-forming drugs. If you don't feel well, economize both money and strength by beginning today to take Rexall Olive Oil Emulsion. Sold only at the Rexall Stores, and in this town only by us. \$1.00.—Edward T. Lomas.

A Winter Cough.

A stubborn, annoying, depressing cough hangs on, racks the body, weakens the lungs, and often leads to serious results. The first dose of Dr. King's New Discovery gives relief. Henry D. Sanders, of Gaviendish, Vt., was threatened with consumption, after having pneumonia. He writes: "Dr. King's New Discovery ought to be in every family; it is certainly the best of all medicines for coughs, colds or lung trouble." Good for children's coughs. Money back if not satisfied. Price 50c and \$1.00. At all Druggists. H. E. Bucklen & Co., Philadelphia or St. Louis.

HIGH SCHOOL NOTES.

Florence McCook, Editor-in-Chief

The Inter-Society program given in the high school assembly room last Friday evening was very good considering that it so closely followed the mid-year examinations. The debate was won by the Roberts society, represented by John Kakac, George Robertson and Anna Melas. Perhaps one of the most pleasing features of the program was a play-lette, given by Katherine Patterson and Charlotte Melvoid. Everyone was also interested in the first appearance made by the Boys' Glee club. The boys surely did splendid work and we are more than glad to have such an organization in high school as it will add a pleasing number to many of our programs.

Mrs. Johnson has been making thorough examinations of all the pupils this last week and it is hoped that by the co-operation of the teachers, pupils and parents disease may be kept from spreading through the school.

Work for the second semester has now started in earnest.

The Normal Training students will take their examinations Wednesday, Thursday and Friday of this week.

Monday morning the high school listened to a short talk by Mr. Tashima from Japan, formerly a student at the University of Japan. His talk was chiefly on the subject of languages, as he told and illustrated before us some very interesting points particularly in regard to the Chinese language.

How Is Your Boiler?

It has been stated that a man's stomach is his boiler his body is his engine and mouth the fire box. Is your boiler (stomach) in good working order or is it so weak that it will not stand a full load and not be able to supply the needed energy to your engine (body)? If you have any trouble with your stomach Chamberlain's Tablets will do you good. They strengthen and invigorate the stomach and enable it to do its work naturally. Many very remarkable cures of stomach trouble have been effected by them. For sale by Fred Lowry.

Don't You Believe It.

Some say that chronic constipation cannot be cured. Don't you believe it. Chamberlain's Tablets have cured others—why not you? Give them a trial. They cost only a quarter. For sale by Fred Lowry.

The Skin and Not the Blood.

Until lately it has been a generally accepted theory that eczema was a disease of the blood. Scientific investigations have taught us that eczema is positively a skin disease and curable through the skin alone. Meritol Eczema Remedy is applied directly to the diseased skin. Do not delay trying Meritol Eczema Remedy.—Fred Lowry, Local agent.

The King of All Laxatives.

For constipation use Dr. King's New Life Pills. Paul Mathulk of Buffalo, N. Y., says they are the "king of all laxatives." They are a blessing to all my family and I always keep a box at home." Get a box and get well again. Price 25c. At all Druggists or by mail. H. E. Bucklen & Co., Philadelphia or St. Louis.
