CRESCO STATE BANK

JOHN FARNSWORTH, President

OFFICIAL PUBLICATION.

Notice of Proposed Resolution of Necessity.

Notice is hereby given that at a regular meeting of the city council of the City of Cresco, Howard county, Iowa, held at the council room in said city April 23rd, 1914, there was introduced the resolution hereinafter set forth, and that by resolution of said city council, duly passed at such meeting, the said resolution hereinafter set forth will be considered by said city council for passage at a meeting of the council to be held in the council room in said city at eight o'clock P. M., on the 5th day of June, 1914, at which time the owners of the property subject to improvement contemplated by said resolution may appear before the said council and make objections to the contemplated improvement and to the passage of the said proposed resolution, if any they have, such resolution being as follows:

Be it resolved by the City Council of the City of Cresco, Howard county, Iowa, that it is deemed advisable and necessary to make improvements, by Portland cement concrete curbing, with steel reinforcements in the curved portions thereof, concrete to be prepared and curbing to be constructed in accordance with specifications to be prepared by the City Engineer, and approved by the City Council; the streets and parts of streets to be so improved being as follows, to-wit:

Second Avenue Southwest from the East line of Second street Southwest to the West line of Road Number 118; the expense of making

such improvement to be assessed against the property abutting thereon and adjacent thereto, to the extent that same is assessable by law; said assessment to be made in accordance with the laws governing the same.

Be it further resolved, that the City Council will meet at eight o'clock P. M., on the 5th day of June, 1914, in the Council Room in the City of Cresco, Howard County, Iowa, for the purpose of hearing and considering objections to the passage of the said proposed resolution, and to the construction of the said improvement, at which hearing the foregoing resolution may be amended and passed or passed as proposed.

Be it further resolved, that the City Clerk be and he is hereby instructed to cause notice of the pendency of the above resolution and the time at which the said proposed resolution will be considered by this council, and objections to the passage thereof heard, to be published as provided by law in the Howard County Times and Cresco Plain Dealer, newspapers of general circulation, published in said City of Cresco, Howard County, Iowa.

In witness whereof, I have affixed my hand April 23rd, 1914.

M. J. McARTHUR,
City Clerk of the City of Cresco,
4-17 Howard County, Iowa.

Drs. Fellows & Fellows
The Reputable Specialists

announce the removal of their offices and laboratories from Fourth & Walnut streets to more commodious quarters at rooms No. 330-1-2-3-4 Fleming Bldg., 6th & Walnut Sts.

Their laboratories, for blood and other examinations contain the best and most modern equipment known to science. They have had twenty-four years' experience in Des Moines, and their ability to treat all blood, nervous and chronic disorders can not be excelled. If you have failed to get results elsewhere they invite you to call. If you can not call, write for information.
Drs. Fellows & Fellows, Fleming Bldg., Des Moines, Iowa

IOWA NEWS BRIEFS

Mr. J. W. Coakley of Creston is running for the office of state representative on the democratic ticket.

W. B. Barney, state food and dairy commissioner, has been reappointed for a third term by Governor Clarke.

Yeggmen blew the safe in the Iowa Falls postoffice, procuring about \$200 in money and an equal amount in stamps.

The name of the Ames college paper has been changed from the I. S. C. Student to the Iowa State College Student.

Rufus Coleman, aged 48, a farmer, was dragged to death by a team near Fort Dodge. He leaves a wife and four children.

The state board of health is going after the cities in Iowa in an effort to clean up the cities without proper sewage systems.

Salem G. Pattison, president of Westminster university at Denver, has resigned to accept a professorship at Coe college, Cedar Rapids.

Editor Burton, of the Pilot Mound Monitor, lost all his household furniture in a fire which destroyed his plant. He lived above the newspaper office.

The resignations of Dean F. C. Ansel, of the fine arts college of the state university, and Dean Dunn, of the law school, are now impending, according to rumor.

A. C. Smith is a candidate for mayor of Correctionville on the people's ticket made up of voters dissatisfied with the persons nominated under the citizens' ticket.

The dining room table was blown through the roof and the home of Frank Richman of Brooklyn was completely demolished, when an acetylene lighting plant exploded.

Dr. F. T. Breene, dean of the Iowa dental college, was elected vice president of the Dental Faculty Association of American universities at the convention in Minneapolis.

The timely coughing of a baby saved the family of L. G. Frank, living on a farm four miles southwest of Cumberland, when the house caught fire at 1 o'clock in the morning.

Boone held a special election to decide whether a park commission should be established and also on a proposed bond issue of \$20,000 for the extension of the water mains.

Miss Arabelle Woods of Des Moines has been named to take charge of the Chariton public library to succeed Miss Katherine Terrill, who has accepted a library position in Burlington.

The Fort Dodge high school won the debating championship of northwestern Iowa by defeating Marshalltown and Mason City. Compulsory arbitration of labor disputes was the question.

On the allegation of undue influence, O. B. Courtright, of Waterloo, lawyer and former state senator, was deprived by a jury of a \$5,000 bequest left him by the will of Miss Bessie Graham.

Remarking that he was "suffering a living death" because of asthma, Samuel Hill, aged 72, of Jesup, ended his life by taking poison. Mr. Hill recently celebrated his 50th wedding anniversary.

A. R. Barnes, ex-editor and old soldier, of Monroe county, who is running for state representative in a published announcement states that he "doesn't want the office if he has to beg it or buy it."

The long and short of matrimony was explained rather uniquely from a florist's standpoint of view by a Sioux City florist, who advised certain kinds of bouquets for tall brides and other kinds for short brides.

With fitting ceremonies ground was broken in Des Moines for the erection of the new \$150,000 addition to the North Des Moines high school. The work on the new building will start when the ground thaws.

The Big Jim mine of Seymour hoisted 658 tons of coal in eight hours the other day. This is the record breaker for that mine and it is believed this is the largest output of coal ever hoisted from any mine in the district.

Henry Osborne, employed on the Rock Island Southern railroad as electrician, was so badly burned by a live wire that he died in a Davenport hospital. He was twenty-three years old and leaves a wife and two children.

S. C. Bradford of Storm Lake has announced that he will be a candidate before the republican primaries in June for the nomination for the state senatorship of the Fifteenth district to succeed Joseph H. Allen of Pocatontas.

John McCarley, president of the First National bank of Williams, will be candidate for the republican nomination for representative from Hamilton county. He was one of northern Iowa's best known bankers and real estate men.

Fred Blackburn, a member of the petit jury venire at Des Moines, who has confessed soliciting and being offered a bribe, has issued a statement implicating another venireman. It is charged the men were offered money to use their influence against the defendants in a \$280,000 damage suit.

James Cooper, a member of a furniture company at Ottumwa, broke two bones in his right leg and dislocated his ankle. The accident occurred while Mr. Cooper and his employees were unloading a car of linoleum into their new structure that is being constructed to replace the building destroyed in the \$500,000 fire last October. A roll of linoleum fell on Mr. Cooper in the car that was being unloaded.

Mayor A. P. Brown of Fort Madison has filed a counter claim for \$25,000 in the libel suit of Attorney Omar Herringhouse against Brown. The alleged libelous statements were made in connection with the granting of power privileges for the Cooper dam.

Pringhar will get a new hospital providing the citizens are willing to guarantee perpetual maintenance.

George Ward, a wealthy man of that place has promised to have the building erected if this condition is complied with.

F. E. Teller, superintendent of schools at Onawa, has been elected to fill the vacancy caused by the resignation of Supt. L. H. Maus, of Cherokee. Maus, who has headed the Cherokee schools for eight years plans to take up chautauqua work.

Glenn Newport, a Perry, Iowa, boy, and a graduate of Ames, is exploring for diamond fields in the untouched heart of Africa for the Guggenheim Mining company. With one white companion and a band of natives, Newport has been penetrating the jungles for months.

The Sac City Y. M. C. A. promoted a farmers' short course held on the H. A. Baxter farm, three miles southeast of the city. The course lasted three days and was conducted under the direction of experts from the Ames extension department.

As Coy Stansberry, a farm hand, was driven across the Burlington railroad tracks, at Chariton, a westbound passenger train struck the back of his wagon, throwing him to the ground. He was not seriously injured, though the wagon was demolished.

Charged with having eloped with the 17-year-old wife of Arthur Womack, of Fordyce, Ark., Charles Schlecta, a prominent farmer and large property owner of Marion county, Iowa, has been lodged in jail at Knoxville. Pandering is the formal charge upon which Schlecta is held.

Claiming his lower limbs were paralyzed when he was struck on the back by a piece of falling steel, Geo. W. Maccallum, a carpenter employed on the new courthouse at Rockwell City, is suing the Falls City Construction Co., the builders, for \$15,000 damages.

Damages for \$34,000 are asked by the administrator of the estate of the late Martin Dugan, killed when his automobile went off the side of a bridge in Crawford county. The county is made defendant and the case is being tried in Sac City. It is alleged the barricade was insufficient.

An unsuccessful business venture left Miles C. Parish, a farmer of Grinnell, who retired with over \$50,000, practically penniless with only a horse and cow to call his own. Parish has filed a voluntary petition in bankruptcy. He has been an officer of a Grinnell vehicle company and is made liable for its debts.

The Beaver Island Hunting club of Clinton, an organization numbering 400 members, most of them shooters, has gone on record by adopting a resolution favoring the federal regulation of game laws and promising cooperation with the authorities in apprehending violators.

Charged with bigamy, C. F. Hoyt of Mason City has been arrested on complaint of a Chicago woman who says he married her three years ago. He was married last fall to Miss Etta V. Loper, a society girl of Mason City. He says he thought he was divorced from the other woman. His wife declares she will stand by him.

F. P. Santem of Albia is in St. Paul looking after the estate of his brother, Charles Mitchell, who died recently. His estate will run over \$600,000. He left one-fourth to his wife and \$25,000 to his mother, who lives in Des Moines. He divided the balance between his six brothers and the Catholic church.

The Grande Implement company of Ft. Dodge, one of the oldest in the state is soon to go out of business. The firm as the Granger and Mitchell company did one of the largest jobbing businesses in northern Iowa. The Mitchell stockholders withdrew some years ago and began independently. Since then, the Granger company has seen a decline in profits and finally a loss.

The office of the Washington Press, a local weekly newspaper, was badly damaged by fire. The fire started in the front basement, the cause being unknown. Machinery and fixtures in the rear of building occupied by mechanical departments were only damaged by smoke and water. The loss to the publishers of the Press is estimated at \$1,000 and the loss to the building, owned by H. W. Burrell, the well known former Washington newspaper man, is estimated at the same amount. Col. S. W. Brookhart is the publisher of the Press.

The social club of the Methodist church of Keosauqua, held a "museum of antiquity." Many interesting things were on exhibition—articles long since laid away but once used by great grandmothers. Many of the attendants had never seen a spinning wheel, a reel, carding machine or tackle. A copper teakettle 225 years old, a Bible printed in 1630, a tea machine from Russia, candle molds, grease lamps, a scalping knife and flintlock pistol were a few of the many exhibits shown.

The flushing of the business streets of Muscatine nightly is a plan which it is proposed to carry to a successful development. At the meeting of the Commercial club it was asked that a committee be appointed to join other committees in conferring with the council as to securing permission to use water nightly for street cleaning purposes. It was the belief expressed by the friends of the movement that the merchants might well apply the money which has been paid in the past for sprinkling, to the fund to carry on the flushing.

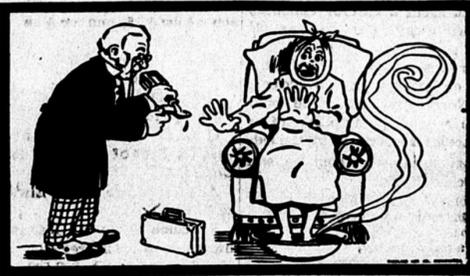

"BLOOD IS THICKER THAN WATER"

Without good red blood a man has a weak heart and poor nerves. Thinness of the blood, or anemia, is common in young folks as well as old. Especially is it the case with those who work in ill ventilated factories—or those who are shut up indoors in winter time with a coal stove burning up the oxygen or emitting carbonic (toxic) gas. This blood, or blood which lacks the red blood corpuscles, in anemic people may have been caused by lack of good fresh air breathed into lungs, or by poor digestion or dyspepsia. Sometimes people suffer intense pain over the heart which is not heart disease at all, but caused by indigestion. Whatever the cause, there's just one remedy that you can turn to—knowing that it has given satisfaction for over 40 years.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY

is a blood cleanser and alterative that starts the liver and stomach into vigorous action. It thus assists the body to manufacture rich red blood which feeds the heart—nerves—brain and organs of the body. The organs work smoothly like machinery running in oil. You feel clean, strong and strenuous instead of tired, weak and faint. Nowadays you can obtain Dr. Pierce's Golden Medical Discovery Tablets, as well as the liquid form from all medicine dealers, or tablets by mail, prepaid in \$1 or 50c size. Address R. V. Pierce, M. D., Buffalo, N. Y.

DR. PIERCE'S GREAT 1008 PAGE ILLUSTRATED COMMON SENSE MEDICAL ADVISER WILL BE SENT FREE, CLOTH BOUND FOR \$1 ONE-CENT STAMPS.

Can't Change The Dose!

It was at one of those nerve-racking medical examinations, and the professor had just asked one of the class how much of a certain deadly drug was the proper prescription.

"Ten grains, sir."

Fifteen minutes later the pupil raised his hand and asked permission to change his answer.

"It's too late to change the dose," replied the professor, "your patient has been dead now for ten minutes."

A great many buyers of Lumber and Building Material will feel like this pupil after putting a lot of material into their buildings because it was "cheap." After their buildings begin to fall to pieces in a short time, they'll wish they could have changed the dose, and used better material.

When you build, make "QUALITY" your motto, and let us supply you with the material that will insure your lasting satisfaction.

Our Prices are no higher than others—but our Quality is.

C. S. Alexander.

For Sale—Minnesota farm lands on ten years time. I have many fine improved farms and several thousand acres of beautiful level prairie land, close to railroad towns, churches and schools.

When I went to Iowa 25 years ago best prairie land was \$7.00 per acre, now it is \$100 to \$150 per acre.

You can do just as well by buying these Minnesota lands now while they are still low. I can sell you some of this land on ten years time. The Government agriculture report shows that Minnesota led all the states in the Union on corn last year.

It's rich black soil on clay sub-soil. Flowing wells of splendid water. You know what you can do on this kind of land with corn, cattle, hogs and big red clover. It only costs you two cents to find out all about it. Address N. Halsey, 1003 Pioneer Building, St. Paul, Minnesota.
