Asthma and Hay Fever A Guaranteed Treatment

"I have arranged with P. A. Clemmer so that every sufferer from Asthma, Hay Fever or Bronchial Asthma in Cresco can try my treatment entirely at my risk," Dr. Rudolph Schiffmann announces. He says: "Buy a 50 cent package of my Asthmador or Asthmador Cigarettes, try it, and if it does not afford you immediate relief, or if you do not find it the best remedy you have ever used, take it back to P. A. Clemmer and he will return your money cheerfully and without any question whatever. After seeing the grateful relief it has afforded in hundreds of cases, which has been considered incurable, and which had been given up in despair, I know what it will do. I am so sure that it will do the same with others that I am not afraid to guarantee it will relieve instantaneously." The druggists handling Asthmador will return your money if you say so. You are to be the sole judge and under this positive guarantee, absolutely no risk is run in buying Asthmador. Persons living elsewhere will be supplied under the same guarantee by their local druggists or direct by Dr. R. Schiffmann, St. Paul, Minn.
