SCHILDKRET IS COMING BACK

Talented Leader of Famous Hungarian Orchestra to Visit Chautauqua Again.

THE ONE AND ONLY SAM.

A Unique Leader Who Makes Hit With His Talk as Well as With His Music—Music in Abundance His Motto.

It will be good news to the Chautauqua patrons to learn that Sam Schildkret, with his great Hungarian Orchestra, comes back to Chautauqua this year. It will be remembered that he made the entire Redpath-Vawter System last year and was universally

invited to return to give the people another one of his famous programs this summer.

Schildkret's Orchestra is famous not alone for the high grade music it produces, but for the wonderful variety in its repertory. Sam has also distinguished himself as a hardworking leader, and it is doubtful whether there is another leader in the country who will make as many responses to eucroes as this good natured leader does. He seems to enjoy his own programs to the limit, and this adds very greatly to the enjoyment of the audience.

Schildkret will be remembered as the talking leader, and the people will again get as much fun as they choose from the many funny little speeches he makes with his announcements. Another big treat is in store for them when Sam Schildkret brings his Hungarian Orchestra to the Chautauqua.
