## For the Love of Mike "Slow Down."

If you wish to live the allotted span, Slow Down. If you wish to die a natural death, Slow Down. Stop scorching in your eating, Slow Down. In your drinking, Slow Down, and keep down on low in your speeding. It is not necessary that you burn the candle at both ends to be a shining mark and get to the end of life's journey twenty years ahead of the chap that Slowed Down.

The fellow that runs a 6, 8 or 12 cylinder business on a 2 cylinder income may have gone some while he was going, but he never went long or very far.

For nearly 28 years the policy of the Cresco Union Savings Bank has been to Slow Down.

Starting out with \$100,000.00 capital and a few small depositors, it has now approximately 7000 depositors and assets of \$1,430,000.

Can't you see it pays to Slow Down—to be always Slow and Sure that your income is larger than your out- come, that your account in this Bank is larger each month as the days and years go by.

The Bank that helps the child, will help you.

4 per cent. interest paid on deposits.

Fiske O'Hara will be seen in his new play, "Kilkenny," at the Cresco, Aug. 28th—next Saturday—in which he has the best play in which he has ever appeared. Augustus Pitou, Sr. is the author of the new piece, and his reputation as the producer of Irish drama in which the late lamented William J. Scanlan and Chauncey Olcott met success and fortune, is a safe guarantee of the excellence of "Kilkenny," his latest effort. Mr. O'Hara's new play is a comedy-drama filled with exciting incidents, genuine Irish wit and the daintiest of love stories. Incidental to the play, Mr. O'Hara will render a number of new ballads written especially for him, among them being, "Girl o' My Heart," "Contrary Mary Clary," "Ireland Is Ireland To Me," "Dear Mother Mine" and "That's What An Irishman Means."
