COAL DOES What It Ought To Do

YOU may have had Coal in the past that did about what you expected it to do—MADE TROUBLE. It was cheap Coal and you knew it when you got it.

PURITY COAL won't make trouble because there's nothing in it but Coal, at least there's so little of it that isn't Coal that you can bank on its doing what you want it to do, and that Good Coal ought to do—make lots of heat and little trouble. Because of its quality, PURITY COAL is economical Coal to use. Get a load now and you will use it all winter.
