AT THE CRESKO TO-NIGHT

Allen Don't Approve of the Cozy Competition.

Otto Peterson, manager of "The Cozy" received the following from his competitor, Mr. Allen, manager of "The Cresco" Movie protesting against the big programs Mr. Peterson is offering his patrons:

Cresco, Ia., Oct. 20, 1915.
Some time ago you told me that you did not believe in running pictures for the benefit of the public only. Your stunt today of seven reels on one serial day shows a disposition on your part to do business for the fun of it, and since you were not satisfied to make good on nights when we closed we consider that it is your desire to see how far we can go and unless I learn otherwise we will try and accommodate you to the best of our ability though that may not be very much.

Trusting we will both enjoy the trip down, I am sincerely yours,

M. W. Appleby Co.
E. H. Allen, Sec.

While Mr. Peterson has the utmost admiration for the new opera house and only good will for its stockholders and management, yet he feels that he is—and should be—free to run his own business as he sees fit, and while Mr. Allen feels that they are both taking "a trip down," Mr. Peterson feels that he is just returning from his trip, and is heartily pleased with the patronage accorded him by the public.

Surprise Party.

Saturday evening, Oct. 23rd, about sixty friends of Miss Hulda Roth gathered at her home with well filled baskets, in honor of her seventeenth birthday. The evening was spent with music and dancing; a midnight supper being served, after which Mr. Walter Johnson with a few well chosen words in behalf of the assembled crowd presented Miss Roth with a beautiful opal ring. Her friends departed at a late hour after wishing her many more happy birthdays and a pleasant journey as she leaves Monday for a few weeks' visit with her brother, E. F. Roth and other relatives in Columbia, S. Dakota.

The Baptist Church.

If you have no other church home, come in with us and get into the game, in a real christian life—be a winner and not a loser.
Come to our Bible school and study the word of God with us. Why remain ignorant of the greatest of books? We have a fine lot of young people who are doing splendid work.
