Death of Leonard Viebrock.
Cresco relatives and friends were grieved on Saturday last by the arrival of a telegram announcing the death of the day previous of Leonard Viebrock aged 16, son of Mr. and Mrs. John Viebrock, who a few weeks ago removed to Tosten, Montana. Although the boy had been frail for several years, death came after an illness of but a little over a day. The remains, accompanied by the family, arrived in Cresco on Monday and the funeral was held at the German Lutheran Church the afternoon following with interment in the Saratoga cemetery.
Leonard was for several years a student in the Cresco public schools and enjoyed the sincere friendship of all his schoolmates, and all the older people who knew him, for in spite of his frail health, he was a manly and studious little fellow, "square" with his little friends, respectful and courteous to his elders, and a faithful member of the church in which he was confirmed. His loss is most sincerely mourned.

Capt. Brown's morning subject in the Baptist Church will be "How to Maintain a Revival Spirit." At the Methodist Church in the afternoon he will speak on "How to Evangelize the World in the Present Generation." At the Congregational Church in the evening, "Modern Civic Righteousness."

FOR BRONCHITIS, WHOOPING COUGH, CROUP, COUGHS AND COLDS
Make the Best Remedy at Home—128 Teaspoonful for 50 cents.
If everything was sold in as liberal and fair a manner as the below named druggists are selling Schiffmann's New Concentrated Expectorant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say—"Buy a bottle of this remedy and try it for Bronchitis, Whooping Cough, Severe Cough, Croup or any Bronchial Affection, and we will return your money, just the same as we do with Schiffmann's famous Asthmador, if it does not give satisfaction, or if not found to contain chloroform, opium, morphine or any other narcotic. It is pleasant to take and children are fond of it. You will be the sole judge, and under this positive guarantee absolutely no risk is run in buying this remedy. Druggists everywhere are authorized to sell it under the same guarantee as Schiffmann's famous Asthmador or "Money Back" if not perfectly satisfactory. R. J. Schiffmann, Proprietor, Saint Paul, Minn. Guaranteed here by P. A. CLEMMER.
In buying this remedy, besides securing an absolute guarantee of its efficiency from these druggists, you also get about eight times as much medicine as you would in buying most any of the old-fashioned, ready-made kinds, which average from 20 to 32 teaspoonful, because 50c worth makes a whole pint (128 teaspoonful) when mixed at home with simply one pint of sugar and one-half pint of water. This remedy positively does not contain chloroform, opium, morphine or any other narcotic. It is pleasant to take and children are fond of it. You will be the sole judge, and under this positive guarantee absolutely no risk is run in buying this remedy. Druggists everywhere are authorized to sell it under the same guarantee as Schiffmann's famous Asthmador or "Money Back" if not perfectly satisfactory. R. J. Schiffmann, Proprietor, Saint Paul, Minn. Guaranteed here by P. A. CLEMMER.
