# AUCTION!

Having my place rented and closing out my Horses, I will sell at Public Auction on my place, 6 miles northwest of the village of Burr Oak, Iowa, and 4 1-2 miles southwest of Canton, Minn., on

**WEDNESDAY**  
**FEBRUARY 16, 1916**

Commencing at 1:00 o'clock, the Thoroughbred Horses listed below:

Brown Norman Stallion, 1900 lbs., 8 years old  
Grey Norman Stallion, a ton horse, 4 years old  
Grey Norman Stallion, 1700 lbs., 3 years old  
Grey Norman Stallion, a ton horse, 4 years old. (Bought of Dunham of Illinois. Imported in 1913)  
Bay Norman Stallion coming 2 yrs.  
Grey Norman Stallion, 7 months old  
3 Grey Norman Mares, 7 years old  
Pair grey Norman Mares 5 years old  
Bay Norman Mare, 6 years old

(The above mares weigh from 1600 to 1800 lbs., all are bred and are supposed to be in foal)  
3-year-old grey Mare, bred and supposed to be in foal  
4 two-year-old Mares, one bay, one roan and two greys  
3 yearling Mare Colts, a brown and two greys  
(The above two-year-olds and yearlings are extra on size and have plenty of bone. Some of these can be developed into ton weight mares)  
Six Mare Colts, from 5 to 6 months old

These horses are all registered, both American and Imported lines. My first importation of Stallions and Mares was in 1886, and my second was in 1891. The dams and sires of the colts can be seen on the place. They are of the large draft type and have plenty of bone. It will pay young men to get some of this stock and go into raising fullblooded horses. Now is the best time there has ever been in this country for raising this sort of stock, because the importation has been cut off by the war and will be cut off for some time to come.

## She Will Recover

So her doctor said. Her friends and neighbors felt sure of it too. They have used Peruna themselves and know of its merits. That old cough that had worried her for years and years, for which she had taken all sorts of cough medicines, has disappeared. Peruna is doing the work. She will recover. Indeed, she has recovered.

Her name is Mrs. William Homann, 2764 Lincoln Ave., Chicago, Ill. She had suffered with catarrh of the bronchial tubes and had a terrible cough ever since a child. As she got older she grew worse. She coughed both winter and summer. Had to sit up at night. Could not sleep. "But all that has left me now. Peruna has cured me."

There are others, and there is a reason.
