### A REPUBLICAN BOOMERANG.

Nothing so forcefully reveals the desperate situation at the Republican National Campaign headquarters as their attempt to discredit President Wilson's Mexican policy by a "Movie" picture directed by a pardoned convict, whose idea of a "thrill" is a scene showing nuns being ravished and whose conception of patriotism is the President asleep at his desk.

But after all, the principal is responsible for his agent. Hal Reid was only trying to earn the \$35,000 appropriated by the Republican National Committee for a film, which now stinks so they don't want to get within smelling distance of it. And they excuse themselves by saying they never knew it would be so rotten! The point is this—it wasn't too rotten if they could get away with it. They were caught in the act of trying to "put it over." They were caught in the act of trying to deny responsibility for it.

Does any one believe that Hal Reid went ahead with the faked false film before he had had his scenario O. K'd. by some one in authority at Republican Headquarters? Everett Colby's indorsement, "It's a corker," is sufficient proof of this.

That it was in execrable taste or even treasonable—what was that to this crowd which has nothing to spend but money! The whole sordid affair is a fit parallel to the Rum, Romanism and Rebellion campaign which proved such a boomerang to the parties that started it. What can you expect of a party which campaigns on abuse, villification, slander, innuendo and lies? We agree with the Brooklyn Eagle in wondering "if there was anything in this film that was not more than suggested by Colonel Roosevelt in his many attacks upon the President's Mexican policy? He has proclaimed President Wilson responsible for the conditions that he described. Others have done the same. In view of this why should the playwright be blamed for adapting the material to his medium? Can it be that the villains of the President had to see these things on the screen before realizing how truly despicable this form of attack appears to most people?"

The exposure of the character of this putrid film should, says the Evening World, prove a sharp lesson to Republican campaign leaders. "The whole affair puts a stigma upon Republican campaign methods."

## RIISING OF THE SUN OF RIGHTEOUSNESS

"The Sun of Righteousness Shall Arise With Healing."

Jesus Now the Light of the World Only In Prospect—Sun of Righteousness Not Yet Risen—Jesus' Followers Merely Candles Shining in the Darkness—The World Has Striven to Quench Their Light—Satan's Kingdom of Darkness Now Ruling—Ignorance and Blindness the Result—Are Now In Early Dawn of New Age.

PASTOR RUSSELL

Milwaukee, Wis., Sept. 24.—Pastor Russell gave a characteristic address before the I. B. S. A. Convention here today. His text was John 8:12: "I am the Light of the world; he that followeth Me shall not walk in darkness, but shall have the light of life." He said in part:

The Bible tells us about two great invisible Kingdoms, the Pastor said. One of these is Satan's Kingdom of Darkness; the other is Christ's Kingdom of Light. Everywhere the Scriptures declare that "darkness covers the earth, and gross darkness the people." This condition obtains because Satan is the prince of this Age, "ruling in the hearts of the children of disobedience." Many render him service without realizing that fact. If they knew that they are serving Satan, they would cease to do so. But people have been deceived. No one is serving God who has not entered into a Covenant of Sacrifice with Him through the merit of our Lord Jesus' sacrificial death at Calvary. But Satan's Kingdom is soon to be superseded by the Messianic Kingdom of Light. Then the true Light shall shine world-wide, and all mankind shall be blessed with opportunity of attaining human perfection and everlasting life.

When our Lord uttered the words of the text, He was the Man Christ Jesus, the prospective King, the prospective Priest, the prospective Light of the world. Our Lord has not yet enlightened the whole world. During His earthly ministry He put His light on a candlestick, and it is still giving light to all within the Household of Faith. It is not giving light to the world. But the sin, the jealousy, the misunderstanding and the pride of the religious leaders of His day led them to secure His crucifixion; and thus His light was temporarily extinguished.

So has it been with our Lord's true followers all down the Gospel Age. In proportion as they have let shine the light which they have received from Him, in that proportion have they been lights to others. But the darkness still hates the light, and has endeavored to quench it by persecuting the light-bearers. So numerous are "the children of disobedience" that probably nine-tenths of the human race are under the control of the Prince of Darkness.

**Darkness Beginning to Disappear.**

The Pastor explained that God has not appointed the Adversary to be the ruler of this world, but that Satan is a usurper, taking advantage of human weakness and imperfection due to the fall of the perfect man Adam, the progenitor of mankind. Meantime God has refrained from restraining Satan, except when the Adversary's schemes might otherwise interfere with Jehovah God's great purposes manward. Satan's misrule has brought darkness over all the earth. People are deceived. All nations have drunk of the wine provided by the symbolic Woman who sat upon the symbolic Beast—Revelation 17:1-6.

All have had more or less experience with this stupid condition of spiritual drunkenness. Some of us are now getting awake and sobered up, although the majority, even of professed Christians, are still serving Satan. As we give careful heed to God's Word, and see the terms of service, we realize that very few are serving God, are following in Jesus' footsteps. Whoever would render acceptable service to Him must first become His children through full consecration to Him and the begetting of the Holy Spirit—all to be accomplished through the merit of Jesus.

According to the Scriptures we are now living in the time when the Sun of Righteousness (Malachi 4:2) is about to rise. Nothing can be plainer than the fact that this Sun has not been shining during the past eighteen centuries. When it arises, all other lights will be obscured by its brilliancy, all dark places will be exposed, all hidden things will be brought to light. The Bible gives a beautiful picture of what will take place when the Sun of Righteousness shall have risen. The knowledge of God's glory will then be ocean deep.—Isa. 11:35; Psalm 72: etc.

That will be the time when the true Light will lighten every man that cometh into the world. (John 1:9.) It has not come during the Gospel Age, because this period was set aside in the Divine Plan as the time when the Church was to be selected from amongst Jews and Gentiles. When the Church shall have been completed and glorified, then the Sun of Righteousness will rise; for our Lord and His Church are to constitute this Sun.—Matthew 13:33-43.

## AFTER SIX YEARS OF SUFFERING

Woman Made Well by Lydia E. Pinkham's Vegetable Compound.

Columbus, Ohio.—"I had almost given up. I had been sick for six years with female troubles and nervousness. I had a pain in my right side and could not eat anything without hurting my stomach. I could not drink cold water at all nor eat any kind of raw fruit, nor fresh meat nor chicken. From 175 pounds I went to 118 and would get so weak at times that I fell over. I began to take Lydia E. Pinkham's Vegetable Compound, and ten days later I could eat and it did not hurt my stomach. I have taken the medicine ever since and I feel like a new woman. I now weigh 127 pounds so you can see what it has done for me already. My husband says he knows your medicine has saved my life."—Mrs. J. S. BARLOW, 1624 South 4th St., Columbus, Ohio.

Lydia E. Pinkham's Vegetable Compound contains just the virtues of roots and herbs needed to restore health and strength to the weakened organs of the body. That is why Mrs. Barlow, a chronic invalid, recovered so completely. It pays for women suffering from any female ailments to insist upon having Lydia E. Pinkham's Vegetable Compound.
