

## FURNITURE FOR XMAS GIFTS

Your Xmas Gifts should be something useful, something that will be a comfort in the home. Let us suggest a nice davenport, a rocker or a couch, or something in cedar chests, electric lamps, both in mission and the amber brush brass; children's and ladies' desks and library tables. We have a fine assortment of American fibre furniture in leather and tapestries, fibre stands and tables, smoker sets and sewing baskets, in fact the largest assortment of furniture in all lines that we have ever shown. And right now is the time to make your selection, while the stock is complete. We will lay it aside for you. When you think of furniture, think of our factory.
