Early June Wedding.

On Sunday, June 1, 1919, the home of Mr. and Mrs. W. A. Sanborn was the scene of a most interesting event when their only daughter, Miss Merle Lucile, was united in marriage with Herbert M. Kerr, second son of Mr. and Mrs. N. P. Kerr, of Lime Springs. At 3:30 in the afternoon to the strains of Lohengrin's wedding march played by Mrs. R. W. Thomas, the bridal couple appeared in the presence of only a few of their immediate relatives and the ceremony which made them husband and wife was performed by their pastor, Rev. G. M. Shoemaker.

The bride attired in a dainty wedding gown of white organdie, was indeed very sweet and beautiful and the groom in his natty nautical uniform was scarcely less charming than his beautiful bride.

Both bride and groom are well known, highly esteemed and much beloved by a large circle of friends.

First Cultivation
John Deere Slip-point Hoof Shovels destroy weeds effectively and pulverize the soil thoroughly, leaving it practically level.

Second Cultivation
John Deere Slip-point Sweeps and Hoof Shovels in combination cultivate shallow near the row above the corn roots and deeper in the middle of the row. No roots are injured.

Later Cultivation
John Deere Slip-point Sweeps practically double-cut the surface soil, destroy weeds and make a fine mulch. No corn roots are injured. The ground is left level. Change from hoof shovels to sweeps is made quickly and easily—only the point is changed.

John Deere Method of Cultivation equipment is being used successfully everywhere. We can furnish it for all new or old John Deere shovel cultivators. It is inexpensive. See us about it the first time you are in town.
