

EBERT REGIME IS AGAIN IN POWER

Returns to Berlin From Stuttgart and Takes Up Reins of Government.

REDS STILL A MENACE

Spartan Demonstrations Continue in Industrial Centers on Rhine— Cabinet Plans To Placate Independent Socialists.

Berlin.—The government of President Ebert, which left Berlin when Dr. Wolfgang Kapp and his reactionary troops entered the city, is again in power in the capital. President Ebert and the members of his ministry reached here from Stuttgart, and soon afterward the order for a state of intensified siege was withdrawn.

Meanwhile, the signs and symbols of the Kapp dictatorship, the wire entanglements and the barricades, were being removed. Public services have, in a measure, been re-established, and it is thought Berlin will soon resume its normal activities, though it will be a long time before the damage wrought, material and moral, will be repaired.

Radicals Demand Concessions. A cabinet council deliberated to determine the steps necessary to bring Germany back to her position prior to the revolt. This, it is believed, will require considerable maneuvering and delicate handling, for the Independent Socialists and workmen are making heavy demands for concessions, to which they feel they are entitled because of the commanding position some of the groups hold in parts of Germany outside of Berlin.

The situation in parts of the country appears serious. From the group of industrial centers on the Rhine and the Ruhr district continue to come reports of Spartan agitation. In several places, particularly the Ruhr district, the Spartans are said to be in absolute control. Here their available force is estimated at 70,000. Concentration of loyal government forces, however, are taking place, and their arrival at the scenes of disorder is expected to bring quiet.

HEARINGS ON GRAIN GRADING

Meredith Orders Meetings After Conference With Northwest Men.

Washington.—Public hearings will be conducted by the bureau of markets of the department of agriculture on the proposed modification of the grain grading regulations suggested at the conference with Secretary Edwin T. Meredith by the Minnesota and other northwestern men.

The hearings were ordered by Secretary Meredith at the conclusion of the conference. The new secretary and other officials of the department showed anxiety to meet the wishes of the grainmen if it could be done without opening the way to overgrading inferior wheat.

PROBES PROVING POPULAR

Two Hundred Investigations Ordered By Present Congress.

Washington.—Breaking all previous records, the present Congress has ordered or proposed 200 investigations covering almost as many subjects, according to compilations.

These range from profiteering in men's collars to the most weighty international questions.

How much these investigations cost has not been reckoned but it is estimated they will form a considerable part of congressional expenses which run about \$25,000 a day.

PEACE TREATY KILLED

Versailles Pact Fails of Ratification By Senate.

Defeated Fourth Time By Vote of 49 To 35—Document Sent Back To President.

Washington.—The Treaty of Versailles failed of ratification for the fourth time, and the Senate has voted to send it back to President Wilson with a notification that it had finally "refused to advise and consent to its ratification."

On the decisive roll call the vote was 49 for ratification to 35 against, the opposition numbering in its ranks 20 Democrats who were unwilling to see the treaty go through with the Republican reservations, objected to by the President, and three Democrats and 12 Republican "irreconcilables." Twenty-one Democrats quit the President's lead and voted for ratification, but the defection failed by seven votes of providing the two-thirds requisite to ratify.

Move to Reconsider Fails. The result was regarded everywhere in the capital as having put over into the political campaign for decision the long and bitter fight between the chief executive and the Senate majority.

A move to reconsider the vote and try once more to ratify collapses in its inception, leaders on both sides agreeing that further ratification efforts would be a waste of time, as long as the Senate membership remains as it is.

Whether the President would return the treaty to the Senate remained undetermined, but the Republicans served notice that if he did it would repose for many weeks to come in a committee pigeonhole.

In the vote of 49 to 35, by which the Senate washed its hands of the subject and sent the treaty to the White House, the Republican leaders had the support of the "mild reservationists," as well as the "irreconcilables" of their party, while the Democrats voted almost solidly in opposition.

Peace Declaration Next Step. The next step planned by the Senate majority is a declaration of a state of peace to relieve the nation of the war status which, the Democrats maintain, can be ended only by the treaty's ratification.

COMMUNISTS ARE ACTIVE

Said To Be Gaining Headway In Parts of Germany.

Berlin.—The Communists are reported to be gaining headway in Saxony and Westphalia. A soviet republic has been proclaimed at Chemnitz and Plauen. At Leipzig the workmen and the bourgeoisie parties are said to have come to an agreement.

In the Ruhr basin the majority Socialists have given an order to end the strike, but it is doubted if the order is obeyed by the Communists, who continue masters of the situation at Bochum, Dortmund and Gelsenkirchen. On the other hand the Communists have been badly beaten at Solingen and Elberfeld, where they put 5,000 men in line.

New York.—Hundreds of cases undoubtedly exist wherein persons absolutely sane are incarcerated in madhouses throughout the United States, according to Clarence Alexander, attorney, who has secured the release of Phoebe K. and Ada Brush, 68 and 56 years of age, respectively, from the State Hospital for the Insane at King's Park, Long Island. The sisters had been in the asylum for 10 years, when Supreme Court Justice Tompkins declared them sane and ordered their release.

DEAD ARE MOUNTING GUARD

Soldiers Who Were Killed at Douaumont Still Thrust Their Bayonets Above Ground.

At Douaumont, France, Cardinal Dubois, archbishop of Rouen and former bishop of Verdun, blessed the historic Tranchee des Fusils, the "Trenches of the Rifles," September 14. The ceremony occurred in the presence of General Valentin, commander of the forts and heights of the Meuse; of M. Robin, mayor of Verdun, and a delegation of the One Hundred and Thirty-seventh regiment, according to Current History, New York Times.

The Trench of the Rifles lies behind a humble wooden cross erected near Douaumont, which is a shapeless mass of splintered rock, of barbed wire writhing as if in torment, of nameless litter, through which poppy and bramble tried to thrust upward during the summer. This cross overlooks the bloodstained battle field of the war. It was erected by men of the One Hundred and Thirty-seventh regiment because close by their dead comrades are still mounting guard—there in the Tranchee des Fusils.

It was a small episode amidst a cataclysm and soon over. In Indian file the men of the One Hundred and Thirty-seventh crept forth to mount guard, rifle on shoulder, bayonets fixed; there came a sudden, thunderous boom; the earth shuddered and cracked open, closed again, and swallowed up all. Thrusting above the ground, aligned as on that last march down the narrow trench that led to death, the bayonets of the section rise a bare six feet. It was this Trench of Rifles, the dead heroes, still mounting below, that the cardinal blessed.

OBITUARY.

Mork.

In the death of Mrs. Thomas Mork, Anatin loses a good woman and her family a kind, and devoted wife and mother. In the home the loss is irreparable.

Nellie M. Hallman was born March 13, 1878, near Cresco, Iowa. She resided in Cresco during her girlhood days until 1897 when she was married to Thos. H. Mork. After their marriage they moved to Escanaba, Mich., where they resided for about a year and a half. They then went back to Cresco to live and were there about seven years or until they moved to Austin, in 1907, where they have resided ever since.

Mrs. Mork leaves to mourn her loss, her husband and five children, Martha age 21, Thomas 17, John 15, Marion 10, Jean 4, her father and mother, Mr. and Mrs. John Hallman of Cresco, Ia. She also leaves one brother Ben and six sisters, Mrs. Marshall Barrett of Duluth, Mrs. Joseph Woodard of Cresco, Ia., Mrs. Truman Cobbledick of Rock, Mich., Mrs. Gust Bardouche of Austin, Mrs. Bernard Buckland of Mason City, Ia., and Mrs. Wm. Hudson of Cresco, Ia.

Mrs. Mork's death came as a surprise to her relatives and friends because she seemed to be improving of late. She has been ill with liver and heart trouble for the past year but seemed to pick up after Christmas time and while she had bad spells during that time the last couple of weeks she seemed better and every one thought that she was much improved. But on Sunday night the change began and while she felt better Monday, by Tuesday morning she was delirious and suffered considerable until about a half an hour before her death. She passed away peacefully and did not suffer at the end.

Mrs. Mork was an especially thoughtful and kind wife and mother. There was never enough that she could do for those about her. She has a large number of friends and relatives who mourn her loss, and regret her leaving them.

Card of Thanks.

We wish to thank all of our neighbors and friends for the many kind acts and words of sympathy tendered us during the illness and at the death of our beloved wife and mother.
