AFTER CLOUDS COMES SUNSHINE,
AFTER DESPONDENCY COMES JOY,
AFTER SICKNESS COMES HEALTH,
AFTER WEAKNESS COMES STRENGTH.

In the spring when you're "all in"—fagged out—blood thin, if you will turn to Nature's remedy, a tonic made from wild roots and barks, which has stood fifty years as the best spring tonic—you will find strength regained. No need to tell you it's Dr. Pierce's Golden Medical Discovery, put up in tablet or liquid form, and sold by every druggist in the land. After a hard winter—shut up indoors, your blood needs a temperance tonic, a tissue-builder and blood-maker such as this "Medical Discovery" of Dr. Pierce's.

Carroll, Iowa—"At one time I took Dr. Pierce's Golden Medical Discovery for a raw, sore feeling in my lungs following the measles, also for torpid liver and poor appetite. The medicine helped me wonderfully. My nerves became quiet and I could sleep well at night."

"My mother took this remedy twenty years ago and she was greatly benefited."—MRS. G. S. KNIGHT, 1020 N. Crawford St.

Poultry Profits Depend on Healthy Chicks

Mr. Williams, a very successful Oklahoma Poultry Raiser, recently said to Dr. LeGear: "Since I have been using your Poultry Prescription, not only have I cut down Chick loss, but I find that my pullets lay a month or two earlier." A few pennies wisely spent in feeding Dr. LeGear's Poultry Prescription to Baby Chicks insures rapid development and early fall and winter laying. Get a package from your dealer. Satisfaction or money back.—Dr. L. D. LeGear Med. Co., St. Louis, Mo.
