FEDERAL Double Cable Base Tires

Federal Black Non-Skid "Cord" Tire

Do Not Let Your Rims Cut Your Tires' Throats

You would not think of driving your tires over broken bottles. Then why continue to let loose tires ruin themselves by continual chafing against the rims? There is no need of letting your rims cheat you when Federal Tires

prevent all of this needless rim waste. The Double-Cable-Base keeps your tires from chafing themselves out of service on the rim. You might as well begin getting these extra miles with Federal Tires. They cost no more and go farther.
