

FOX Rubber Co. SERVICE STATION

SPECIAL AUGUST SALE!

I Will Give A Tube Free

With every Fox or Cornhusker Tire you buy of me during the month of August 1920.

This will give you an opportunity to try out this 8,000 Mile Road Eating Brute at the same price charged by 90 per-cent of other dealers for their 6,000 mile tires.

The Fox Tires are guaranteed to give 8,000 miles service and are sold at a price less than that charged by many companies who guarantee their tires for but 6,000 miles.

They are sold at a lower price than any tire we know of that carries an 8,000 mile guarantee.

I, your local dealer, personally stand back of this guarantee. You do not have to wait while your tire is sent in to the factory for inspection, but I personally make the adjustment at once on the following basis:

Should you receive less than 1,000 miles service through defective material or workmanship, I will give you a new tire free of cost. Or should you get less than 8,000 miles wear out of the tire I will give you a new tire at one-half list price. Always providing the tires have not been abused by you.

Were we to sell you 6,000 mile tires at one-half price we could not give you a bigger bargain. **DON'T MISS IT!**
