CATHOLIC PICNIC AND BARBECUE

Was A Grand Success—Largest Crowd At Lakeside Park in Many Years.

The picnic and barbecue given Wednesday by members of the Catholic Church at Lakeside Park was one of the most pleasant outings given at this beautiful place for some time. A large crowd of people were on the grounds and took part in the various games, which included doll races, target shooting, boat races, etc. Perhaps the most enjoyable part of the program for the younger set was the balloon ascension in the afternoon.

The originator of the "Country Store" deserves much praise for the unique manner in which it was carried on. In this store all kinds of goods were "carried in stock," and by paying the price the article was worth you then dropped your hook in and waited for a "bite." However, you were not compelled to exhaust your patience "waiting" as is sometimes the case with the real funny tribe in Loch Mary, for just as soon as you threw in your line, the fish was there and you pulled in some valuable piece of linen, such as shirt waists, aprons, etc. This place was always crowded and proved very interesting.

At the noon hour every one was eager for a wholesome meal, and such they received. An abundance of barbecued meats and chicken, pies, cakes, cream, etc., was on the tables, and every one pronounced the dinner to be exceptionally fine. In this connection the Bee force desire to thank the ladies for a share of the good things. As it is not often the case that printers are favored with such good things to eat, it is useless to state that they did ample justice to this most bountiful "reception."

Aside from the many beautiful girls, the day was lovely, just the kind that makes those who love out-door pleasures in this manner, enjoy themselves.

There were a number of people here from Evansville, Hopkinsville and Madisonville. Although we have not learned, it is probably a fact that a nice sum was realized, which, as we understand, will be used for the church in the way of repairs.

All who attended were well pleased, and look forward to another outing to be given by this congregation.

Every Thing is Booming.

Aug. 4-5-6-7-8th. — Madisonville the county seat of Hopkins county is known the world over for having the greatest fair in the entire country. The grounds are situated only a very short distance from the court house, the hack fare is 10c each way.

All streets are well sprinkled leading to the ground. The free attractions this year far exceed anything ever seen on a county fair ground, and include the worlds famous Troupe of "circus" bears and goats. Walter Raub the man who makes three distinct drops from one balloon, using three different parachutes in his descent, an act never before attempted, besides any number of first class aerialists, gymnasts, jugglers, manipulators, hand balancers, Tumblers, expert bicyclists, and etc. The class of racing this season will be of the same that is seen on all the big tracks, at present over 80 racers are stabled at Henderson, and every one will reach Madisonville on Sunday or Monday before the Great Hopkins County Fair. The grounds have been beautified, the Amphitheatre recovered, and many other improvements. All of the show rings will be amply filled. The Floral Hall bids fair to excel all former exhibits, and the management has spared neither time nor means to make this the greatest of all fairs. We well appreciate the fact that the county of Hopkins is progressing every year, and in view of this the fair must progress with the county. So make arrangements to spend the week of Aug. 4th at the Great Hopkins County Fair, and witness the grandest cut door amusement ever offered the public. One fare on all railroads, plus 25 cts.

Hay Ride.

The merriest party of the season went hay riding Saturday night. They were Misses Anna Deal Bramwell and guest, Louise Farnsworth, of Henderson, Virginia and Martha McGary, Mabel Browning, Minervia Davis, of Anton, and Elizabeth Kemp, Messrs. Miller Evans, Roy Peyton, Ed Mafors, Marvin Mitchell, Baker Fugate and Roy Davis. Chaperones, Mr. and Mrs. Walter McGary. They drove to Madisonville, visited the Dixie. Then on to Brownings Spring where they drank from its crystal fountain and ate a nice lunch prepared by the girls, returning home at a late hour delighted with their pleasant trip.

Effect of Good and Evil.

The amount and value of a man's influence for good or evil upon the world will generally depend upon the character of his indirect and unconscious influence.—T. Starr King.

These Bad Pains

which give you such exquisite suffering, every month, are caused, as you know, by female trouble. Relief seldom or never comes of itself. It is necessary to cure the cause, in order to stop the pains, and this can only be done if you will take a specific, female remedy, that acts directly on the woman's organs.

WINE OF CARDUI WOMAN'S RELIEF

"Cardui did wonders for me," writes Mrs. H. C. Larson, of Oida, Ia. "I had female trouble for 8 years. I had displacement, which increased my suffering, the doctor could only relieve me at times. Now, I am so much better, I hardly know when my time begins or when it ends."

TAFT IS GOING TO OYSTER BAY

ROOSEVELT WILL REVIEW THE PRESIDENTIAL NOMINEE'S ACCEPTANCE SPEECH.

WILL BE ABOUT 12,000 WORDS

Intention of Uttering Only Formal Acknowledgment Has Been Abandoned in View of Subjects Needing Consideration.

Hot Springs, Va., July 22.—President Roosevelt is to review in advance the speech Judge Taft will deliver in Cincinnati next Tuesday.

"I have decided to make this speech what may be my most important utterance of the campaign. I have the highest regard for the president's judgment regarding the subjects to be dealt with and a keen appreciation of his wonderful ability for forceful expression. I want his judgment and his criticism, and this can not be satisfied actorily obtained at long range, so I have decided to go to Oyster Bay."

This statement made Tuesday by Mr. Taft indicates his view point regarding the announcement of his intended trip, which he says is to be taken on his own and not on the president's initiative. He will leave here Wednesday night, reaching Sagamore Hill Thursday evening. Mr. Taft will probably spend the night with the president. He will leave New York for Cincinnati Friday afternoon.

Always Consulted Roosevelt.

The plan for President Roosevelt's participation in the final review of the speech, which is regarded as having a number of significant features from a political view point, was finally decided upon at 4 o'clock Tuesday morning, that being the time of the exchange of the last telegrams between the candidate and the president. It was made clear that throughout the preparation of the speech, which Tuesday underwent final revision at the hands of Mr. Taft, frequent and extended consultation has been had with the president. The mails, the telegraph and the telephone have been used for this purpose.

In emphasizing the political importance of the speech, Mr. Taft said that the first intention to have the utterance only a simple and formal acknowledgment of the notification had been finally abandoned in view of the growing importance and number of the subjects which seemed to crowd themselves forward for consideration. The speech will doubtless contain approximately 12,000 words. No forecast of the subjects discussed and methods of their treatment will be made in advance with the consent of Mr. Taft.

Put This Stove in Your Kitchen

It is wonderfully convenient to do kitchen work on a stove that's ready at the instant wanted, and out of the way the moment you're done. Such a stove is the New Perfection Wick Blue Flame Oil Cook-Stove. By using it you avoid the continuous overpowering heat of a coal fire and cook with comfort, even in dog-days. The

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

is so constructed that it cannot add perceptibly to the heat of a room; the flame being directed up a retaining chimney to the stove top where it is needed for cooking. You can see that a stove sending out heat in but one direction would be preferable on a hot day to a stove radiating heat in all directions. The "New Perfection" keeps a kitchen uniformly comfortable. Three sizes, fully warranted. If not with your dealer, write our nearest agency.
